

## Harsco Enters Multiyear Contract with Celsa Group for Barcelona and Cardiff Operations

November 14, 2018

**CAMP HILL, PA (Nov. 14, 2018)** - Harsco Corporation (NYSE: HSC) announced today that its Metals & Minerals division has entered into a multiyear contract with Celsa Group, one of the leading steel producers in Europe. The long-term agreement will span nine years with Celsa Barcelona and five years with the Cardiff operations.

Under the multiyear contract, Harsco will provide Celsa Barcelona with on-site slag handling and scrap management services. The slag handling will include activities for under-furnace digging, ladle wrecking, and hot slag transport. In addition, Harsco's extensive scrap management experience will ensure the efficient transport of scrap between the internal and external scrapyards, and the effective management of both sites. Celsa Cardiff will be provided with on-site metal recovery and meltshop services.

"This is the start of an exciting new chapter between Harsco and the Celsa Group," said Harsco Metals & Minerals Chief Operating Officer Russ Mitchell. "We are committed to adding value to our customer by delivering cost-effective solutions as efficiently as possible, while adhering to the highest of safety standards."

## **About Celsa Group**
