The 18-month timespan of the Report coincides with Harsco's ongoing portfolio shift toward an environmental solutions platform, showcasing the Company's wholesale rebrand of its Metals & Minerals business to Harsco Environmental, and its acquisition of Clean Earth, an industry leader in sustainable disposal and recycling solutions.

The Report is divided into six sections – Our History, Our Vision; Our Values, Our People; Serving Our Customers; Preserving Our Environment; Protecting Our People; and Investing in Our People and Communities – bookended by a foreword by Harsco Chairman and CEO Nick Grasberger and a message on next steps by Sustainability and Environmental Solutions Vice President Cope Willis.

Highlights of the Report include:

-
- Harsco's progress in executing on its vision to be a global leader of environmental solutions;
-
- Highlights of the Company's environmental products and services and Case Studies describing value delivered to customers;
-
- Launch of a cross-functional Safety Committee charged with leading continuous improvement in Harsco's safety performance;
-
- Harsco's new Corporate Environmental Policy outlining the Company's enhanced commitment to environmental innovation and stewardship; and
-
- The Company's investments in world-class governance, developing its people, and community engagement.
-

"Harsco's commitment to sustainability is reshaping the core of our business, and how we approach every customer's needs," said Mr. Grasberger. "Our employees are inspired every day to develop innovative services and products that not only positively impact the environment, but also support our growth and evolution as a company."
