August 4, 2022

- *Clean Earth appears on Engineering News-Record's annual Top 200 Environmental Firms list for 12th consecutive year, ranking in the Top 30 for the second consecutive year.*
- *Harsco Environmental makes the list for the third consecutive year, ranking No. 29.*

CAMP HILL, Pa., Aug. 04, 2022 (GLOBE NEWSWIRE) -- Harsco Corporation (NYSE: HSC), a global market leader providing environmental solutions for industrial and specialty by-products, announced today that Engineering News-Record (ENR) has named its [Clean Earth](#) and [Harsco Environmental](#) divisions to the annual Top 200 Environmental Firms list. Both divisions ranked in the top 30 for the second consecutive year.

"ENR's ongoing recognition of Clean Earth and Harsco Environmental as top global environmental firms demonstrates the Harsco divisions' strong track records for providing customer-focused environmental services," said Harsco Chairman and CEO Nick Grasberger. "At Harsco, we are committed to continuing to provide innovative environmental solutions that solve the biggest waste challenges of today."

Clean Earth, one of the largest specialty waste processing companies in the U.S., placed No. 28 on the Top 200 list, with more than \$780 million in 2021 environmental revenue. Additional rankings include:

- Top 30 All-Environmental Firms: Clean Earth placed No. 8 for the second consecutive year.
- Top Firms by Type of Work: Clean Earth placed No. 8 in Construct/Remediation, up from No. 9 in 2021.
- Top Firms by Market Segment: Clean Earth placed No. 6 in Hazardous Waste, up from No. 7 in 2021.

Harsco Environmental, a premier provider of material processing and environmental services to the global steel and metals industries, placed No. 29 on the Top 200 list with more than \$779 million in 2021 environmental revenue. Additional rankings include:

- Top 20 Firms Working in Non-U.S. Locations: Harsco Environmental placed No. 10 for the second consecutive year.
- Top Firms by Market Segment: Harsco Environmental placed No. 5 in Hazardous Waste for the second consecutive year.
