

Harsco Environmental Renews Contract with ArcelorMittal at its Long Products Quebec site

July 26, 2023

Two-year contract renewal with ArcelorMittal further solidifies Harsco Environmental's position as a Mill Services leader

PHILADELPHIA , July 26, 2023 (GLOBE NEWSWIRE) -- Enviri Corporation (NYSE: NVRI) announced today that its Harsco Environmental division, a global leader in steel mill services and products, has successfully renewed the steel mill services and products agreement with ArcelorMittal Long Products at its Quebec, Canada site.

Under the two-year renewed agreement, Harsco Environmental will continue to offer a comprehensive range of essential services, including slag pit digging, metallic recovery, melt shop cleaning, support services, and ad-hoc rentals. These services are critical for maintaining smooth operations and optimizing productivity in the steel manufacturing process.

"We are delighted to continue our partnership with ArcelorMittal," stated Mauro Curi, Vice President Global Mill Services, Harsco Environmental. "Our unwavering commitment to delivering sustainable solutions that enhance efficiency remains steadfast, and we are thrilled to extend our collaboration with this trusted partner."

Harsco Environmental's successful contract renewal with ArcelorMittal Long Products site further strengthen the company's foothold as a leader in the industry. With a continued focus on delivering innovative and sustainable solutions, Harsco Environmental remains dedicated to supporting the growth and success of its valued partners.
