- ***Certification through Best Practice Institute demonstrates commitment to cultural excellence and continuous improvement***
- ***The Company's highest-ranking areas include trust, honesty, and teamwork***

PHILADELPHIA, Sept. 10, 2024 (GLOBE NEWSWIRE) -- Enviri Corporation (NYSE: NVRI), a global, market-leading provider of environmental solutions for industrial and specialty waste streams, achieved certification as a 2024 Most Loved Workplace®. Enviri was also named to this list in 2022.

"We're grateful for our dedicated Enviri team's invaluable participation in this Most Loved Workplace certification," said Jennifer Kozak, Chief Human Resources Officer. "Every day, our employees embody our core values and work passionately to create a better future. Receiving this certification again this year is a testament to our inclusive and empowering culture."

The Best Practice Institute's (BPI) Most Loved Workplaces certify companies in which employees are the happiest and most satisfied at work. Enviri became certified as a Most Loved Workplace based on its scores on the Love of Workplace Index® Pulse Validation, which surveyed employees on various elements around employee satisfaction and sentiment, including the level of respect, collaboration, support, and sense of belonging they feel inside the Company.

Within the survey, employees listed reasons they enjoy working for Enviri. The Company's core values, mission, employee care, and culture were among the many responses submitted.

- "Our values are truly upheld; I feel respected, involved, and a part of the organization."
- "My Company stands for honesty and integrity at all times and all levels."
- "My Company values inclusion and diversity, and our leadership trusts me and encourages new ideas."

Enviri also received additional certifications for its support of Parents and Caregivers, Diversity, Young Professionals, and Women.

Backed by BPI's research and analysis, in its original research that created the criteria, Most Loved Workplaces surveyed more than 175 companies and more than 3,000 executives across the United States, the Middle East/Northern Africa, and Southeast Asia. According to the organization, the Most Loved Workplaces certification is the most valid method to determine employee experience and recognize a great workplace.
