HARSCO CORPORATION

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

A. Basis of Presentation

The unaudited condensed consolidated financial statements and notes included in this report have been prepared by management of Harsco Corporation (the “Company”). In the opinion of management, all adjustments (all of which are of a normal recurring nature) that are necessary for a fair presentation are reflected in the condensed consolidated financial statements. The December 31, 2009 Condensed Consolidated Balance Sheets information contained in this Form 10-Q was derived from the 2009 audited financial statements, but does not include all disclosures required by accounting principles generally accepted in the United States of America for a year-end report. The unaudited condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements, including the notes thereto, included in the Company’s 2009 Annual Report on Form 10-K.

The Company is involved in the normal course of business with variable interest entities (“VIE”) that are operating entities in the Harsco Infrastructure and Harsco Metals Segments. Generally, VIEs are utilized in countries with foreign ownership requirements or to facilitate the Company’s entry into targeted growth markets. The Company is deemed the primary beneficiary in substantially all VIEs in which it is involved and consolidates them in its consolidated financial statements. VIEs in which the Company is not deemed the primary beneficiary are accounted for under the equity method and reported in the Company’s Consolidated Balance Sheet as other assets. The Company’s maximum exposure to loss with respect to all VIEs is limited to the carrying amounts reported in the Company’s Consolidated Balance Sheet and any unfunded commitment. Neither the carrying amounts nor the unfunded commitments related to these VIEs are material.

Segment information for prior periods has been reclassified to conform with the current presentation. The Harsco Rail operating segment, which was previously a component of the All Other Category, is now reported separately.

The Company's management has evaluated all activity of the Company and concluded that subsequent events are properly reflected in the Company's unaudited condensed consolidated financial statements and notes as required by standards for accounting and disclosure of subsequent events.

Operating results and cash flows for the three and six months ended June 30, 2010 are not necessarily indicative of the results that may be expected for the year ending December 31, 2010.

F. Acquisitions

In January 2010, the Company acquired Bell Scaffolding Group (“Bell”), an Australia-based infrastructure solutions provider serving the industrial, infrastructure and commercial construction sectors. Bell’s capabilities range from technical design and support through supply and erect contracts. Bell generated revenues of approximately \$40 million in 2009 and has been included in the Harsco Infrastructure Segment.

Inclusion of the pro-forma financial information for this transaction is not necessary due to the immaterial size of the acquisition.

Certain of the Company’s acquisitions include contingent consideration features for which defined goals must be met by the acquired business in order for payment of the consideration. Each quarter until settlement of the contingency, the Company assesses the likelihood that an acquired business will achieve the goals and the resulting fair value of the contingency. The Company has consummated acquisitions whereby the purchase price included contingent consideration based on the performance of the business during 2010 and 2011. As of June 30, 2010, the Company’s assessment of these performance goals resulted in a reduction to the previously recognized contingent consideration liability of \$1.4 million and \$9.6 million for the three months and six months ended June 30, 2010, respectively. These reductions result from, among other things, difficult end-market conditions for the business, which are expected to continue for the remainder of 2010. In accordance with accounting standards for acquisitions, this adjustment was recognized in operating income in the Condensed Consolidated Income Statement as an increase to the Other (income) expense line item. As the fair value is evaluated on a quarterly basis, any future adjustments (increases or decreases) will also be included in operating income.

G. Commitments and Contingencies

Environmental

The Company is involved in a number of environmental remediation investigations and cleanups and, along with other companies, has been identified as a “potentially responsible party” for certain waste disposal sites. While each of these matters is subject to various uncertainties, it is probable that the Company will agree to make payments toward funding certain of these activities and it is possible that some of these matters will be decided unfavorably to the Company. The Company has evaluated its potential liability, and its financial exposure is dependent upon such factors as the continuing evolution of environmental laws and regulatory requirements; the availability and application of technology; the allocation of cost among potentially responsible parties; the years of remedial activity required and the remediation methods selected. The Condensed Consolidated Balance Sheets at June 30, 2010 and December 31, 2009 included accruals in Other current liabilities of \$2.9 million and \$3.1 million, respectively, for environmental matters. The amounts charged against pre-tax income related to environmental matters totaled \$0.4 million for the second quarter and \$0.7 million for the first six months of 2010, respectively. This compares with \$0.8 million and \$1.2 million for the second quarter and first six months of 2009, respectively.

The Company evaluates its liability for future environmental remediation costs on a quarterly basis. Actual costs to be incurred at identified sites in future periods may vary from the estimates, given inherent uncertainties in evaluating environmental exposures. The Company does not expect that any sum it may have to pay in connection with environmental matters in excess of the amounts recorded or disclosed above would have a material adverse effect on its financial position, results of operations or cash flows.

Gas Technologies Divestiture

In October 2009, the Company and Taylor-Wharton International (“TWI”), the purchaser of the Company’s Gas Technologies business, satisfactorily resolved certain claims and counterclaims that had been submitted to arbitration. The claims and counterclaims related both to net working capital adjustments associated with the divestiture and to alleged breach of certain representations and warranties made by the Company. The settlement and related costs and fees were reflected in the \$15.1 million after-tax loss from discontinued operations recorded by the Company for the twelve months ended December 31, 2009.

In November 2009, TWI filed for bankruptcy protection under Chapter 11 of the U.S. Bankruptcy Code. During its bankruptcy, TWI filed a motion to reject certain executory contracts, including the parties’ Asset and Stock Purchase Agreement dated as of December 7, 2007 (the “ASPA”). TWI, however, did not seek to reject the settlement agreement finalized in October 2009 between the Company and TWI.

In May and June 2010, the bankruptcy court entered orders confirming TWI’s plan of reorganization and approving TWI’s rejection of certain executory contracts, including the ASPA. On June 15, 2010, reorganized TWI emerged from bankruptcy.

The Company recorded a pre-tax charge of \$5.0 million in the second quarter of 2010 related to potential and contingent claims arising as a result of the rejection of the ASPA. This charge was recorded in Loss from Discontinued Operations. Claims are inherently uncertain and, as a result, potential claims

could be resolved at an amount significantly above the amount charged.

Value-Added Tax Dispute

The Company is involved in a value-added and services (“ICMS”) tax dispute with the State Revenue Authorities from the State of São Paulo, Brazil (the “SPRA”). In October 2009, the Company received notification of the SPRA’s administrative decision regarding the levying of ICMS in the State of São Paulo in relation to services provided to one of the Company’s customers in the State between January 2004 and May 2005. The assessment from the SPRA is approximately \$12 million, including tax, penalty and interest and could increase to reflect additional interest accrued since December 2007.

The Company believes that it does not have liability for this assessment and will vigorously contest it under various alternatives, including judicial appeal. Any ultimate final determination of this assessment is not likely to have a material adverse effect on the Company’s annual results of operations, cash flows or financial condition.

Other

The Company has been named as one of many defendants (approximately 90 or more in most cases) in legal actions alleging personal injury from exposure to airborne asbestos over the past several decades. In their suits, the plaintiffs have named as defendants, among others, many manufacturers, distributors and installers of numerous types of equipment or products that allegedly contained asbestos.

[Table of Contents](#)

The Company believes that the claims against it are without merit. The Company has never been a producer, manufacturer or processor of asbestos fibers. Any component within a Company product that may have contained asbestos would have been purchased from a supplier. Based on scientific and medical evidence, the Company believes that any asbestos exposure arising from normal use of any Company product never presented any harmful levels of airborne asbestos exposure, and moreover, the type of asbestos contained in any component that was used in those products was protectively encapsulated in other materials and is not associated with the types of injuries alleged in the pending suits. Finally, in most of the depositions taken of plaintiffs to date in the litigation against the Company, plaintiffs have failed to specifically identify any Company products as the source of their asbestos exposure.

The majority of the asbestos complaints pending against the Company have been filed in New York. Almost all of the New York complaints contain a standard claim for damages of \$20 million or \$25 million against the approximately 90 defendants, regardless of the individual plaintiff’s alleged medical condition, and without specifically identifying any Company product as the source of plaintiff’s asbestos exposure.

As of June 30, 2010, there are 24,120 pending asbestos personal injury claims filed against the Company. Of these cases, 23,620 were pending in the New York Supreme Court for New York County in New York State. The other claims, totaling 500, are filed in various counties in a number of state courts, and in certain Federal District Courts (including New York), and those complaints generally assert lesser amounts of damages than the New York State court cases or do not state any amount claimed.

As of June 30, 2010, the Company has obtained dismissal by stipulation, or summary judgment prior to trial, in 20,484 cases.

In view of the persistence of asbestos litigation nationwide, the Company expects to continue to receive additional claims. However, there have been developments during the past several years, both by certain state legislatures and by certain state courts, which could favorably affect the Company’s ability to defend these asbestos claims in those jurisdictions. These developments include procedural changes, docketing changes, proof of damage requirements and other changes that require plaintiffs to follow specific procedures in bringing their claims and to show proof of damages before they can proceed with their claim. An example is the action taken by the New York Supreme Court (a trial court), which is responsible for managing all asbestos cases pending within New York County in the State of New York. This Court issued an order in December 2002 that created a Deferred or Inactive Docket for all pending and future asbestos claims filed by plaintiffs who cannot demonstrate that they have a malignant condition or discernable physical impairment, and an Active or In Extremis Docket for plaintiffs who are able to show such medical condition. As a result of this order, the majority of the asbestos cases filed against the Company in New York County have been moved to the Inactive Docket until such time as the plaintiffs can show that they have incurred a physical impairment. As of June 30, 2010, the Company has been listed as a defendant in 765 Active or In Extremis asbestos cases in New York County. The Court’s Order has been challenged by plaintiffs.

Except with regard to the legal costs in a few limited, exceptional cases, the Company’s insurance carrier has paid all legal and settlement costs and expenses to date. The Company has liability insurance coverage under various primary and excess policies that the Company believes will be available, if necessary, to substantially cover any liability that might ultimately be incurred on these claims.

The Company intends to continue its practice of vigorously defending these cases as they are listed for trial. It is not possible to predict the ultimate outcome of asbestos-related lawsuits, claims and proceedings due to the unpredictable nature of personal injury litigation. Despite this uncertainty, and although results of operations and cash flows for a given period could be adversely affected by asbestos-related lawsuits, claims and proceedings, management believes that the ultimate outcome of these cases will not have a material adverse effect on the Company’s financial condition, results of operations or cash flows.

The Company is subject to various other claims and legal proceedings covering a wide range of matters that arose in the ordinary course of business. In the opinion of management, all such matters are adequately covered by insurance or by accruals, and if not so covered, are without merit or are of such kind, or involve such amounts, as would not have a material adverse effect on the financial position, results of operations or cash flows of the Company.

Insurance liabilities are recorded when it is probable that a liability has been incurred for a particular event and the amount of loss associated with the event can be reasonably estimated. Insurance reserves have been estimated based primarily upon actuarial calculations and reflect the undiscounted estimated liabilities for ultimate losses including claims incurred but not reported. Inherent in these estimates are assumptions that are based on the Company’s history of claims and losses, a detailed analysis of existing claims with respect to potential value, and current legal and legislative trends. If actual claims differ from those projected by management, changes (either increases or decreases) to insurance reserves

may be required and would be recorded through income in the period the change was determined. When a recognized liability is covered by third-party insurance, the Company records an insurance claim receivable to reflect the covered liability. Insurance claim receivables are included in Other receivables in the Company's Consolidated Balance Sheets. See Note 1, "Summary of Significant Accounting Policies," of the Company's Form 10-K for the year ended December 31, 2009, for additional information on Accrued Insurance and Loss Reserves.

J. Recently Adopted and Recently Issued Accounting Standards

The following accounting standards were adopted in 2010:

On January 1, 2010, the Company adopted changes issued by the Financial Accounting Standards Board (“FASB”) on accounting for variable interest entities. These changes require an enterprise to perform an analysis to determine whether the enterprise’s variable interest or interests give it a controlling financial interest in a variable interest entity; to require ongoing reassessments of whether an enterprise is the primary beneficiary of a variable interest entity; to eliminate the solely quantitative approach previously required for determining the primary beneficiary of a variable interest entity; to add an additional reconsideration event for determining whether an entity is a variable interest entity when any changes in facts and circumstances occur such that holders of the equity investment at risk, as a group, lose the power from voting rights or similar rights of those investments to direct the activities of the entity that most significantly impact the entity’s economic performance; and to require enhanced disclosures that will provide users of financial statements with more transparent information about an enterprise’s involvement in a variable interest entity. Other than additional disclosure requirements concerning variable interest entities, the adoption of these changes had no impact on the Company’s consolidated financial statements.

Effective January 1, 2010, the Company adopted changes to the FASB’s previously-issued guidance on accounting for noncontrolling interests in consolidated financial statements. These changes were issued by the FASB on January 6, 2010 and clarify the accounting and reporting guidance for noncontrolling interests and changes in ownership interests of a consolidated subsidiary. An entity is required to deconsolidate a subsidiary when the entity ceases to have a controlling financial interest in the subsidiary. Upon deconsolidation of a subsidiary, an entity recognizes a gain or loss on the transaction and measures any retained investment in the subsidiary at fair value. The gain or loss includes any gain or loss associated with the difference between the fair value of the retained investment in the subsidiary and its carrying amount at the date the subsidiary is deconsolidated. In contrast, an entity is required to account for a decrease in its ownership interest of a subsidiary that does not result in a change of control of the subsidiary as an equity transaction. The adoption of these changes had no impact on the Company’s consolidated financial statements.

Effective January 1, 2010, the Company adopted changes issued by the FASB on January 21, 2010 related to disclosure requirements for fair value measurements. The changes require a reporting entity to disclose separately the amounts of significant transfers in and out of Level 1 and Level 2 fair value measurements and describe the reasons for the transfers. The changes also clarify existing disclosure requirements related to how assets and liabilities should be grouped by class and valuation techniques used for recurring and nonrecurring fair value measurements. The adoption of these changes had no impact on the Company’s consolidated financial statements.

[Table of Contents](#)

Effective January 1, 2010, the Company adopted changes issued by the FASB on February 24, 2010 to the accounting for and disclosure of events that occur after the balance sheet date, but before financial statements are issued or are available to be issued, generally referred to as “subsequent events.” These changes clarified that an entity that is required to file or furnish its financial statements with the Securities and Exchange Commission (“SEC”) is not required to disclose the date through which subsequent events have been evaluated. Other than the elimination of disclosing this date, the adoption of these changes had no impact on the Company’s consolidated financial statements.

The following accounting standards have been issued and become effective for the Company at various future dates:

In October 2009, the FASB issued changes related to the accounting for revenue recognition when multiple-deliverable revenue arrangements are present. The changes eliminate the residual method of revenue allocation and require revenue to be allocated using the relative selling price method. This method allows a vendor to use its best estimate of selling price if neither vendor-specific objective evidence nor third-party evidence of selling price exists when evaluating multiple deliverable arrangements. These changes must be adopted no later than January 1, 2011 and may be adopted prospectively for revenue arrangements entered into or materially modified after the date of adoption or retrospectively for all revenue arrangements for all periods presented. Management is currently evaluating the requirements of these changes and has not yet determined the impact on the Company’s consolidated financial statements.

In January 2010, the FASB issued changes to disclosure requirements for fair value measurements. The changes require a reporting entity to disclose, in the reconciliation of fair value measurements using significant unobservable inputs (Level 3), separate information about purchases, sales, issuances, and settlements (that is, on a gross basis rather than as one net number). These changes become effective for the Company beginning January 1, 2011. Other than the additional disclosure requirements, management has determined these changes will not have an impact on the Company’s consolidated financial statements.

K. Derivative Instruments, Hedging Activities and Fair Value

The Company uses derivative instruments, including swaps and forward contracts, to manage certain foreign currency, commodity price and interest rate exposures. Derivative instruments are viewed as risk management tools by the Company and are not used for trading or speculative purposes.

All derivative instruments are recorded on the balance sheet at fair value. Changes in the fair value of derivatives used to hedge foreign-currency-denominated balance sheet items are reported directly in earnings along with offsetting transaction gains and losses on the items being hedged. Derivatives used to hedge forecasted cash flows associated with foreign currency commitments or forecasted commodity purchases may be accounted for as cash flow hedges as deemed appropriate and if the criteria for hedge accounting are met. Gains and losses on derivatives designated as cash flow hedges are deferred as a separate component of equity and reclassified to earnings in a manner that matches the timing of the earnings impact of the hedged transactions. Generally, as of June 30, 2010, these deferred gains and losses will be reclassified to earnings over 10 to 15 years from the balance sheet date. The ineffective portion of all hedges, if any, is recognized currently in earnings.

The fair values of outstanding derivative contracts recorded as assets and liabilities in the accompanying Condensed Consolidated Balance Sheets were as follows:

Commodity Derivatives

The Company periodically uses derivative instruments to hedge cash flows associated with purchase or selling price exposure to certain commodities. The Company's commodity derivative activities are subject to the management, direction and control of the Company's Risk Management Committee, which approves the use of all commodity derivative instruments.

At June 30, 2010, the Company's open commodity derivative contract positions qualified as cash flow hedges under the requirements for hedge accounting and consisted of unsecured swap contracts maturing in July 2010. The notional value of these contracts is equal to the hedged volume multiplied by the strike price of the derivative and totaled \$0.4 million. All contracts are with major financial institutions. In the event of non-performance by the other parties to the contracts, the Company may be exposed to credit loss. The Company evaluates the credit-worthiness of the counterparties and does not expect default by them. There were no commodity derivative contracts outstanding at December 31, 2009.

Although earnings volatility may occur between fiscal quarters due to hedge ineffectiveness, or if the derivatives do not qualify as cash flow hedges under hedge accounting standards, the economic substance of the derivatives provides more predictable cash flows by reducing the Company's exposure to the commodity price fluctuations.

Foreign Currency Forward Exchange Contracts

The Company conducts business in multiple currencies and, accordingly, is subject to the inherent risks associated with foreign exchange rate movements. The financial position and results of operations of substantially all of the Company's foreign subsidiaries are measured using the local currency as the functional currency. Foreign currency denominated assets and liabilities are translated into U.S. dollars at the exchange rates existing at the respective balance sheet dates, and income and expense items are translated at the average exchange rates during the respective periods. The aggregate effects of

translating the balance sheets of these subsidiaries are deferred and recorded in Accumulated other comprehensive loss or income, which is a separate component of equity.

The Company uses derivative instruments to hedge cash flows related to foreign currency fluctuations. At June 30, 2010 and December 31, 2009, the Company had \$178.5 million and \$122.1 million, respectively, of contracted notional amounts of unsecured foreign currency forward exchange contracts outstanding. These contracts are part of a worldwide program to minimize foreign currency exchange operating income and balance sheet exposure by offsetting foreign currency exposures of certain future payments between the Company and its various subsidiaries, vendors or customers. The contracts outstanding at June 30, 2010 mature at various times within five months and are with major financial institutions. The Company may be exposed to credit loss in the event of non-performance by the contract counterparties. The Company evaluates the credit worthiness of the counterparties and does not expect default by them. Foreign currency forward exchange contracts are used to hedge commitments, such as foreign currency debt, firm purchase commitments and foreign currency cash flows for certain export sales transactions.

The following tables summarize, by major currency, the contractual notional amounts of the Company's foreign currency forward exchange contracts in U.S. dollars at June 30, 2010 and December 31, 2009. The "Buy" amounts represent the U.S. dollar equivalent of commitments to purchase foreign currencies, and the "Sell" amounts represent the U.S. dollar equivalent of commitments to sell foreign currencies. Recognized gains and losses offset amounts recognized in cost of services and products sold principally as a result of intercompany or third party foreign currency exposures.

In addition to foreign currency forward exchange contracts, the Company designates certain loans as hedges of net investments in foreign subsidiaries. The Company recorded a loss of \$32.8 million and income of \$13.0 million during the three months ended June 30, 2010 and 2009, respectively, and a loss of \$52.1 million and a gain of less than \$0.1 million during the six months ended June 30, 2010 and 2009, respectively, in Accumulated other comprehensive loss, which is a separate component of stockholders' equity, related to hedges of net investments.

Cross-Currency Interest Rate Swap

In May 2008, the Company entered into a ten-year, \$250.0 million cross-currency interest rate swap in conjunction with a debt issuance in order to lock in a fixed euro interest rate for \$250.0 million of the issuance. Under the swap, the Company receives interest based on a fixed U.S. dollar rate and pays interest on a fixed euro rate on the outstanding notional principal amounts in dollars and euros, respectively. The cross-currency interest rate swap is recorded in the Condensed Consolidated Balance Sheets at fair value, with changes in value attributed to the effect of the swaps' interest spread recorded in Accumulated other comprehensive loss, which is a separate component of equity. Changes in value attributed to the effect of foreign currency fluctuations are recorded in the Condensed Consolidated Income Statement and offset currency fluctuation effects on the debt principal.

Fair Value of Derivative Assets and Liabilities and Other Financial Instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). The Company utilizes market data or assumptions that the Company believes market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in the inputs to the valuation technique.

The fair value hierarchy distinguishes between (1) market participant assumptions developed based on market data obtained from independent sources (observable inputs) and (2) an entity's own assumptions about market participant assumptions developed based on the best information available in the circumstances (unobservable inputs). The fair value hierarchy consists of three broad levels, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1—Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2—Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active;

inputs other than quoted prices that are observable for the asset or liability (e.g., interest rates); and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3—Inputs that are both significant to the fair value measurement and unobservable.

[Table of Contents](#)

In instances in which multiple levels of inputs are used to measure fair value, hierarchy classification is based on the lowest level input that is significant to the fair value measurement in its entirety. The Company's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

The following tables indicate the different financial instruments of the Company at June 30, 2010, and December 31, 2009.

Level 2 Fair Value Measurements

| (In thousands) | June 30 2010 | December 31 2009 |
|---|-----------------|---------------------|
| Assets | | |
| Foreign currency forward exchange contracts | \$ 1,385 | \$ 2,187 |
| Cross-currency interest rate swap | 54,031 | 7,357 |

|---|-----------------|---------------------|
| Liabilities | | |
| Contingent consideration for acquisitions | \$ 4,722 | \$ 9,735 |

The following table reconciles the beginning and ending balances for liabilities measured on a recurring basis using unobservable inputs (Level 3) for the three months and six months ended June 30, 2010. There were no Level 3 balances for the corresponding periods in 2009.

Level 3 Liabilities - Contingent Consideration

| (In thousands) | Three Months Ended June 30 2010 | Six Months Ended June 30 2010 |
|---|---------------------------------------|-------------------------------------|
| Balance at beginning of period | \$ 6,089 | \$ 9,735 |
| Acquisitions during the period | — | 4,618 |
| Fair value adjustments included in earnings | (1,367) | (9,631) |
| Balance June 30, 2010 | <u>\$ 4,722</u> | <u>\$ 4,722</u> |

The Company primarily applies the market approach for recurring fair value measurements and endeavors to utilize the best available information. Accordingly, the Company utilizes valuation techniques that maximize the use of observable inputs, such as forward rates, interest rates, the Company's credit risk and counterparties' credit risks, and minimize the use of unobservable inputs. The Company is able to classify fair value balances based on the observability of those inputs. Commodity derivatives, foreign currency forward exchange contracts and cross-currency interest rate swaps are classified as Level 2 fair value based upon pricing models using market-based inputs. Model inputs can be verified, and valuation techniques do not involve significant management judgment.

The carrying amounts of cash and cash equivalents, accounts receivable, accounts payable, accrued liabilities, and short-term borrowings approximate fair value due to the short-term maturities of these assets and liabilities. At June 30, 2010, and December 31, 2009, total fair value of long-term debt, including current maturities, was \$983.5 million and \$965.5 million, respectively, compared to carrying value of \$908.3 million and \$927.5 million, respectively. Fair values for debt are based on quoted market prices for the same or similar issues or on the current rates offered to the Company for debt of the same remaining maturities.

L. Restructuring Programs

2010 Restructuring Program

As a result of the continued financial and economic crisis, the Company implemented additional actions in 2010 to further reduce its global workforce and close certain facilities. The Harsco Infrastructure and Harsco Metals Segments recorded net pre-tax restructuring charges totaling \$2.9 million and \$12.0 million in the quarter and six months ended June 30, 2010, respectively, in the Other (income) expense line of the Condensed Consolidated Income Statements. These restructuring actions are expected to be completed over the next twelve months, but principally during the remainder of 2010.

Through June 30, 2010, the Company completed workforce reductions related to these actions of 197 employees of a total expected workforce reduction of 387 employees. Remaining workforce reductions and costs to exit activities are targeted for completion during the remainder of 2010.

2008 Restructuring Program

The 2008 program was designed to improve organizational efficiency and enhance profitability and stockholder value by generating sustainable operating expense savings. Under this program, the Company principally exited certain underperforming contracts with customers, closed certain facilities and reduced the global workforce. Restructuring costs were incurred primarily in the Harsco Metals and Harsco Infrastructure Segments and recorded in the Other (income) expense line of the Condensed Consolidated Income Statements. In the fourth quarter of 2008, the Company recorded net pre-tax restructuring and other related charges totaling \$36.1 million, including \$28.0 million in Other expense, \$5.8 million reduction in services revenue, a net \$1.5 million related to pension curtailments and \$0.8 million of other costs.

Through June 30, 2010, the Company has completed substantially all workforce reductions under the 2008 restructuring program totaling 1,429 employees related to this restructuring program. Remaining exit activities relate to the Harsco Metals Segment and are targeted for completion during 2010. These restructuring activities were not completed in 2009 due to continued negotiations with labor unions and customers that resulted in changes to estimates of the amount of restructuring costs and the timing of their settlement. The remaining accrual at June 30, 2010 for the 2008 Restructuring Program is \$0.4 million.

The restructuring accrual at June 30, 2010 and the activity for the six months then ended by segment is as follows:

| (In thousands) | Accrual December 31 2009 | 2010 Restructuring Program Charges | Adjustments to Previously Recorded Restructuring Charges (a) | Cash Expenditures | Remaining Accrual June 30 2010 |

(a) Adjustments to previously recorded cost to exit activities resulted from changes in facts and circumstances in the implementation of these activities.

The majority of the remaining cash expenditures of \$5.5 million related to these actions are expected to be paid throughout the remainder of 2010.

M. Income Taxes

Income tax expense from Continuing Operations increased due to lower earnings from continuing operations in jurisdictions with lower tax rates and an increase in the effective income tax rate from continuing operations. The effective income tax rate relating to continuing operations for the three months and six months ended June 30, 2010 was 27.3% and 26.6%, respectively, compared with 22.5% and 17.9%, respectively, for the three months and six months ended June 30, 2009. The effective income tax rate for the first six months of 2009 reflected net discrete tax benefits recognized in the first quarter related to a change in the permanent reinvestment of prior-year undistributed earnings.

N. Other (Income) Expense

This income statement classification includes restructuring costs for employee termination benefits and costs to exit activities; impaired asset write-downs; net gains or losses on the disposal of non-core assets; and contingent consideration adjustments related to acquisitions by the Company.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion should be read in conjunction with the accompanying unaudited financial statements as well as the Company's annual Form 10-K for the year ended December 31, 2009, which included additional information about the Company's critical accounting policies, contractual obligations,

practices and the transactions that support the financial results, and provided a more comprehensive summary of the Company's outlook, trends and strategies for 2010 and beyond.

Throughout this discussion, segment information for prior periods has been reclassified to conform with the current presentation. The Harsco Rail operating segment, which was previously a component of the All Other Category, is now reported separately.

Forward-Looking Statements

The nature of the Company's business and the many countries in which it operates subject it to changing economic, competitive, regulatory and technological conditions, risks and uncertainties. In accordance with the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, the Company provides the following cautionary remarks regarding important factors that, among others, could cause future results to differ materially from the forward-looking statements, expectations and assumptions expressed or implied herein. Forward-looking statements contained herein could include, among other things, statements about our management confidence and strategies for performance; expectations for new and existing products, technologies and opportunities; and expectations regarding growth, sales, cash flows, earnings and Economic Value Added ("EVA®"). These statements can be identified by the use of such terms as "may," "could," "expect," "anticipate," "intend," "believe" or other comparable terms.

Factors that could cause results to differ include, but are not limited to: (1) changes in the worldwide business environment in which the Company operates, including general economic conditions; (2) changes in currency exchange rates, interest rates, commodity and fuel costs and capital costs; (3) changes in the performance of stock and bond markets that could affect, among other things, the valuation of the assets in the Company's pension plans and the accounting for pension assets, liabilities and expenses; (4) changes in governmental laws and regulations, including environmental, tax and import tariff standards; (5) market and competitive changes, including pricing pressures, market demand and acceptance for new products, services and technologies; (6) unforeseen business disruptions in one or more of the many countries in which the Company operates due to political instability, civil disobedience, armed hostilities, public health issues or other calamities; (7) the seasonal nature of the business; (8) our ability to successfully enter into new contracts and complete new acquisitions or joint ventures in the timeframe contemplated or at all; (9) the integration of the Company's strategic acquisitions; (10) the amount and timing of repurchases of the Company's common stock, if any; (11) the ongoing global financial and credit crisis, which could result in our customers curtailing development projects, construction, production and capital expenditures, which, in turn, could reduce the demand for our products and services and, accordingly, our sales, margins and profitability; (12) the financial condition of our customers, including the ability of customers (especially those that may be highly leveraged and those with inadequate liquidity) to maintain their credit availability; (13) our ability to successfully implement cost-reduction initiatives; and (14) other risk factors listed from time to time in the Company's SEC reports. A further discussion of these, along with other potential factors, can be found in Part I, Item 1A, "Risk Factors," of the Company's Form 10-K for the year ended December 31, 2009. The Company cautions that these factors may not be exhaustive and that many of these factors are beyond the Company's ability to control or predict. Accordingly, forward-looking statements should not be relied upon as a prediction of actual results. The Company undertakes no duty to update forward-looking statements except as may be required by law.

Executive Overview

Revenues for the Company during the second quarter of 2010 were \$786.5 million compared with \$777.0 million in 2009. The Company generated higher revenues in the second quarter of 2010 in the Harsco Metals Segment due to an increase in customer steel production offset by weaker global non-residential construction demand within the Harsco Infrastructure Segment. Foreign currency translation decreased revenues by \$14.7 million for the second quarter in comparison with last year. Incremental revenues for the Harsco Infrastructure Segment included \$21.7 million from acquisitions in the Asia-Pacific, Latin America and Middle East and Africa regions for the three months ended June 30, 2010 compared with last year.

Revenues for the first six months of 2010 were \$1.5 billion, \$55.0 million higher than in 2009. The Company generated higher revenues for the first six months of 2010 in the Harsco Metals Segment due to an increase in global steel production and in the Harsco Rail Segment due to shipments under existing contracts. This was offset by weaker demand during the first six months within the Harsco Infrastructure Segment due to distressed market conditions in global non-residential construction. Foreign currency translation increased revenues by \$26.0 million for the first six months of 2010 in comparison with last year. Incremental revenues for the Harsco Infrastructure Segment included \$40.1 million from acquisitions in the Asia-Pacific, Latin America and Middle East and Africa regions for the six months ended June 30, 2010 compared with last year.

The following factors contributed positively to the Company's results in the first half of 2010:

- Increased global steel production by our customers served;

- Continued strong performance of Harsco Rail resulting from increased shipments and leaner operations;
- Increased metals pricing benefitting Harsco Minerals;
- A slightly weaker U.S. dollar during 2010 compared with 2009;
- Reductions in capital spending, contributing to discretionary cash flows;
- Further implementation of internal countermeasures to improve efficiency and avoid unnecessary costs; and
- The Company's global continuous improvement initiative.

These positive factors were partially offset by the following major challenges, emanating from the global recession which began in 2008 and continued to negatively impact the Harsco Infrastructure Segment during the first half of 2010:

- A lack of commercial and multi-family construction activity in the United States and across Europe due to the depressed demand, coupled with poor weather conditions during the early months of 2010;
- Pricing pressures as global customers continued to seek lower cost solutions and increased competition for remaining projects; and
- Postponements, deferrals and cancellation of jobs and projects.

The Company continues to execute on its geographic expansion strategy, as revenues from targeted growth markets were approximately 24% of total revenues in the first six months of 2010, compared with 20% for the first six months of 2009 and 23% for calendar year 2009.

Operating income from continuing operations for the second quarter and first six months of 2010 was \$61.9 million and \$90.1 million, respectively, compared with \$70.4 million and \$107.5 million, respectively, for the same periods in 2009. The decrease in operating income was driven by the depressed non-residential construction market and pricing pressures for the first six months of 2010, in addition to poor weather conditions during the first quarter of 2010, in the Harsco Infrastructure Segment. This was partially offset by increased steel production at customer sites in the Harsco Metals Segment and increased shipments in the Harsco Rail Segment coupled with benefits from restructuring actions and countermeasures implemented over the past two years throughout the Company. Diluted earnings per share from continuing operations for the second quarter of 2010 was \$0.40 compared with \$0.52 for the second quarter of 2009. For the first six months of 2010, diluted earnings per share from continuing operations was \$0.50 compared with \$0.77 in 2009.

The Company continues to have significant available liquidity and remains well-positioned from a financial flexibility perspective. Net cash generated from operating activities was \$95.6 million for the three months ended June 30, 2010, compared with \$116.7 million in 2009, primarily due to lower income. For the first six months of 2010, the Company generated net cash from operating activities of \$125.7 million compared with \$156.3 million for the first six months of 2009. Capital expenditures in 2010 were lower than 2009 as the Company continued to effectively utilize the mobility of its asset base to reduce new capital investments. The Company's debt to capital ratio increased from 39.5% at December 31, 2009 (the lowest year-end ratio since 1998) to 40.0% at June 30, 2010, but was lower than the 40.6% at June 30, 2009. Further information in regards to the Company's cash flows is discussed in the "Liquidity and Capital Resources" section.

Harsco Infrastructure Segment:

The Harsco Infrastructure Segment generated lower revenue and operating income in the second quarter and first six months of 2010 compared with 2009, due principally to lower end-market demand driven by greatly reduced commercial and multi-family construction activity in the United States, the United Arab Emirates and across Europe coupled with significant pricing pressures. The lack of available credit to certain customers has resulted in delayed non-residential construction projects.

| Significant Effects on Revenues (In millions) | Three Months Ended June 30 | Six Months Ended June 30 |
|--|-------------------------------|-----------------------------|
| Revenues — 2009 | \$ 308.8 | \$ 592.5 |
| Net decreased volume and effect of lower high-margin rentals | (55.3) | (120.8) |

| Impact of foreign currency translation | (12.5) | 1.5 |
| Revenues — 2010 | \$ <u>262.7</u> | \$ <u>513.3</u> |

Significant Effects on Operating Income:

- In the second quarter and first six months of 2010, the Segment's operating results decreased due to reduced or deferred or cancelled non-residential, commercial and infrastructure construction spending, exacerbated by ongoing pricing pressures in all major markets globally and lower equipment utilization rates.
- In response to further deterioration of global infrastructure markets during the first half of 2010, this Segment continues to implement additional countermeasures targeting expense reduction, asset optimization and facility rationalization.

- Restructuring costs primarily relating to severance and exit-related costs during the second quarter and first six months of 2010 were \$2.0 million and \$9.8 million, respectively. These were offset by a combination of property gains of \$2.6 million from the first three months of 2010 and contingent consideration adjustments of \$1.4 million during the second quarter of 2010 and \$9.6 million during the first six months of 2010. See Note F, "Acquisitions," in Part I, Item 1, Financial Statements for additional information on the contingent consideration adjustments.
- Foreign currency translation in the second quarter and first six months of 2010 decreased operating income for this Segment by \$1.1 million and \$0.7 million, respectively, compared with the second quarter and first six months of 2009.

Harsco Metals Segment:

The Harsco Metals Segment generated higher revenues, operating income and margins in the second quarter and first six months of 2010 compared with 2009 due principally to the increased global steel production of its customers and the overall weaker U.S. dollar.

| Significant Impacts on Revenues (In millions) | Three Months Ended June 30 | Six Months Ended June 30 |
|--|---------------------------------------|-------------------------------------|
| Revenues — 2009 | \$ 259.5 | \$ 497.9 |

| Impact of foreign currency translation | (2.5) | 21.3 |
| Revenues — 2010 | <u>\$ 316.4</u> | <u>\$ 613.9</u> |

Significant Effects on Operating Income:

- Customers' production in 2010 increased approximately 43% and 40% compared with the second quarter and first six months of 2009, respectively.
- During the second quarter and first six months of 2010, this Segment's operating income benefited from cost reduction initiatives from sustained benefits from previously implemented restructuring actions and from additional countermeasures implemented throughout 2009 and 2010, which have targeted expense reduction, revenue enhancement and asset optimization.
- Foreign currency translation in the second quarter and first six months of 2010 increased operating income for this Segment by \$0.2 million and \$1.5 million, respectively, compared with the second quarter and first six months of 2009.

Harsco Rail Segment:

The Harsco Rail Segment generated higher revenues, operating income and margins in the first six months of 2010 compared with 2009 due principally to shipments of orders to China and other parts of the world, coupled with cost reduction benefits as a result of continuous improvement initiatives. Quarterly results of this Segment are affected by the timing of completed unit deliveries.

[Table of Contents](#)

| Significant Impacts on Revenues (In millions) | Three Months Ended June 30 | Six Months Ended June 30 |
|--|---------------------------------------|-------------------------------------|
| Revenues — 2009 | \$ 94.3 | \$ 154.2 |

| Impact of foreign currency translation | (0.2) | 1.1 |
| Revenues — 2010 | <u>\$ 86.3</u> | <u>\$ 181.7</u> |

Significant Effects on Operating Income:

- This Segment's operating income for the second quarter of 2010 was relatively consistent with 2009, while the first six months of 2010 increased substantially over 2009 due to shipments of equipment under existing contracts to China and other parts of the world, partially offset by lower grinding services and spare parts sales. Shipments to China in the second half of 2010 will be less than in the first half due to the scheduled timing of deliveries. This will result in significantly reduced revenue and operating income for this Segment in the second half of 2010. However, shipments to China will resume in 2011 to approximate the revenue from China recorded in 2010.
- During the second quarter and first six months of 2010, this Segment's operating income and margins also benefited from the implementation of continuous improvement initiatives during 2009. These initiatives are on-going.
- Foreign currency translation in 2010 decreased operating income for this Segment by \$0.2 million for the second quarter and increased operating income by \$0.1 million for the first six months of 2010 compared with the respective periods of 2009.

All Other Category — Harsco Minerals & Harsco Industrial:

The All Other Category ("Harsco Minerals & Harsco Industrial") generated higher revenues, operating income and operating margins in the second quarter compared with 2009 due primarily to improved volume and higher metals selling pricing in the minerals and recycling technologies business. During the first six months of 2010, the All Other Category generated lower revenues, but increased operating margins and operating income compared with 2009. The decline in revenues for the first six months of 2010 was primarily due to reduced market demand for certain industrial products. However, higher metals selling prices for Harsco Minerals offset the impact of these market conditions within the operating income results.

| Significant Impacts on Revenues (In millions) | Three Months Ended June 30 | Six Months Ended June 30 |
|--|---------------------------------------|-------------------------------------|
| Revenues — 2009 | \$ 114.3 | \$ 229.2 |
| Air-cooled heat exchangers | (5.8) | (29.9) |
| Industrial grating products | (5.2) | (10.9) |
| Minerals and recycling technologies | 16.7 | 27.8 |
| Impact of foreign currency translation | 0.5 | 2.0 |
| Other changes not individually discussed | 0.6 | 1.7 |
| Revenues — 2010 | <u>\$ 121.1</u> | <u>\$ 219.9</u> |

Significant Effects on Operating Income:

- The air-cooled heat exchangers business experienced a decrease in operating income in the second quarter and first six months of 2010 due to reduced customer demand within the natural gas industry caused by reduced natural gas prices and unfavorable economic conditions in comparison to the record performance in the second quarter and first six months of 2009. These conditions are currently showing signs of modest improvement.
- Operating income in the industrial grating products business decreased due to lower demand stemming from the economic downturn as compared with the second quarter and first six months of 2009, partially offset by lower raw material costs.
- Operating income for the minerals and recycling technologies business increased in the second quarter and first six months of 2010 due to significantly higher metal prices and higher customer demand.

[Table of Contents](#)

- Countermeasures targeting expense reduction, revenue enhancement and asset optimization continue to be implemented in these businesses, partially offsetting declines in operating income and resulting in higher operating margins than the same period of 2009.
- Foreign currency translation did not have a significant effect on this category in the second quarter of 2010.

Outlook, Trends and Strategies

Challenges stemming from the global economic recession and market uncertainty are expected to continue through 2010, especially for the Harsco Infrastructure Segment. In particular, infrastructure project deferrals, postponements and cancellations will continue to impact many of the non-residential and commercial construction markets served by the Harsco Infrastructure business, resulting in increased pricing pressures and lower equipment utilization. Global steel production has recovered from record lows experienced in 2009, but recent activity indicates a leveling off of mill capacity utilization rates and, thus, short-term steelmaking prospects. Certain commodity prices, which affect the Harsco Minerals business, are above last year but have declined from recent highs. The timing of rail equipment deliveries, which was accelerated into the first half of 2010 at the request of a major customer, is expected to result in lower operating income for the Harsco Rail Segment in the second half of 2010. However, shipments are expected to resume at previous annual levels in 2011.

Despite a level of uncertainty remaining in global economic conditions, especially in the Harsco Infrastructure Segment, the Company believes it continues to be well-positioned to capitalize on opportunities in the near- to long-term based on its strong balance sheet, available liquidity and ability to generate strong operating cash flows, as well as its demonstrated ability to execute appropriate countermeasures. Countermeasures such as on-going cost-reduction initiatives; a globally integrated enterprise initiative; and the Company's continuous improvement program have significantly reduced, and should continue to reduce, the Company's cost structure and further enhance its financial strength without sacrificing quality of output. The Company's expansion of its global footprint in targeted growth markets; its diversity of services and products in industries that are fundamental to global growth; its long-term mill services and minerals supply contracts; the portability and mobility of its infrastructure services equipment; and its large infrastructure services customer base help mitigate the Company's overall long-term exposure to changes in the economic outlook in any single economy. However, any further deterioration of global economies could still have an adverse impact on the Company's operating results.

Additionally, the following significant items, risks, trends and strategies are expected to affect the Company for the remainder of 2010 and beyond:

- The near-term outlook for the Harsco Infrastructure Segment is impacted by a continued lack of activity in non-residential, commercial construction markets, particularly in Europe, the United Arab Emirates and the United States. This lack of activity is expected to continue to present challenging business conditions for this Segment. The Company expects the Harsco Infrastructure Segment to experience sequential improvement in the third and fourth quarters of 2010, but to incur operating losses in each of those quarters. Ongoing cost reduction benefits, contribution from targeted growth market expansion, seasonal factors and some increase in overall non-residential construction and industrial maintenance activity as the year progresses are factors in the expectation of some marginal improvement in this Segment. The Company has recently appointed new senior management team additions to this Segment, and a key focus is further evaluation of the Segment's cost structure and strategy to address both current and long-term market conditions. Given the severity and duration of the current economic cycle, after senior management's further evaluation of the cost structure, it is likely that the Company will incur additional costs associated with restructuring actions to further reduce the cost base of this Segment. Based on the above factors, coupled with continuing positive cash flows from operations for this Segment, the Company does not believe a triggering event for impairment testing has occurred as of June 30, 2010. However, should the Company experience a further degradation in the overall markets served by the Harsco Infrastructure Segment, impairment testing of assets associated with this Segment may be required. Any necessary impairment could result in the write down of the carrying value of goodwill to its implied fair value.
- Steel industry expectations are that steel production will increase in 2010 compared with 2009, but not to levels prior to the beginning of the global recession. Consistent with the industry overall, the Harsco Metals Segment's customers increased their production during the first six months of 2010. Seasonal reductions in customer production volume are expected in the third quarter of 2010 and short-term steelmaking prospects for the industry may be influenced by a recent leveling off of mill capacity utilization rates.
- The Company anticipates that tightening environmental regulations will compel customers to address their production waste streams as an opportunity to maximize environmental compliance. This should provide additional revenue opportunities for the Harsco Metals Segment and for the Harsco Minerals businesses in the All Other Category. The Company will continue to pursue growth opportunities in environmental services as increasing regulatory and public demand for environmental solutions creates additional outsourced opportunities in slag management.
- The Harsco Rail Segment has a strong backlog for 2011 due principally to ongoing production of rail grinding machines under existing orders.

[Table of Contents](#)

- International demand for railway track maintenance services, solutions and equipment is expected to be strong in both the near-term and the long-term. The Harsco Rail Segment expects to develop a larger presence in certain developing countries as track construction and maintenance needs grow. Global bidding activity has been strong.
- In the Harsco Minerals businesses in the All Other Category, improved customer production levels comparable with the prior year should have an overall positive effect on certain reclamation and recycling services in the near-term.
- Also in the All Other Category, the air-cooled heat exchangers business continues to explore international opportunities in addition to further growth in its customary North American markets. Increased industrial use due to improving economic conditions will influence the price and demand for natural gas

and, consequently, the demand for heat exchanger equipment. Weather trends can also impact this business as demand for heat exchanger equipment tends to increase in colder weather and decrease in warmer weather.

- The Company announced in January 2010 that it has embarked upon a business transformation initiative designed to create significant operating and cost efficiencies by improving the Company's internal supply chain planning, logistics, scheduling and integration throughout its worldwide operations. This project is expected to contribute to the Company's EVA growth but could result in near-term charges and capital expenditures.
- The Company will continue to place a strong focus on corporate-wide expansion into targeted growth markets to grow and better balance its geographic footprint. More specifically, the Company's global growth strategies include steady, targeted expansion, particularly in the Gulf Region of the Middle East and Africa, Asia-Pacific and Latin America to further complement the Company's already-strong presence throughout Europe and North America. Growth is expected to be achieved through the provision of additional services to existing customers; new contracts in both developed and targeted growth markets; and targeted, strategic acquisitions in strategic countries and market sectors. Additionally, new higher-margin service and sales opportunities in the Harsco Minerals and Harsco Rail businesses will be pursued globally. This strategy is expected to develop a significant increase to the Company's presence in these markets to achieve approximately 30% of total Company revenues from targeted growth markets over the near-term and closer to 40% in the longer-term. Over time, the improved geographic footprint will also benefit the Company through further diversification of its customer base.
- The Company expects continued strong cash flows from operating activities, although 2010 will be less than 2009. The Company also expects to maintain discipline to limit capital expenditures through its ability to redeploy equipment to new projects, without jeopardizing growth opportunities. The Company believes that in the current economic environment, the mobile nature of its capital investment pool will facilitate strategic growth initiatives in the near-term, lessening the need for growth capital expenditures for 2010, particularly for the Harsco Infrastructure business. New or renewed contracts in the Harsco Metals Segment may require higher incremental capital investments.
- Management will continue to be very selective and disciplined in allocating capital, choosing projects with the highest Economic Value Added ("EVA®") potential.
- Fluctuations in the U.S. dollar can have significant impacts in the Harsco Infrastructure and Harsco Metals Segments, as approximately 80% to 85% of the revenues generated in these businesses are outside the United States. If the U.S. dollar would strengthen, as it did in the second quarter of 2010 compared with the second quarter of 2009, sales and operating income would generally be reduced. If the U.S. dollar were to weaken, as it did overall in the first six months of 2010 compared with the first six months of 2009, sales and operating income would generally improve.
- Volatility in energy and commodity costs (e.g., diesel fuel, natural gas, steel, etc.) and worldwide demand for these commodities could impact the Company's operations, both in cost increases or decreases to the extent that such increases or decreases are not passed on to customers. However, volatility in energy and commodity costs may provide additional service opportunities for the Harsco Metals Segment and several businesses in the All Other Category as customers may outsource more services to reduce overall costs. Volatility may also provide opportunities in the Harsco Infrastructure Segment for additional industrial plant maintenance and capital improvement projects.
- The Company has maintained a capital structure with a balance sheet debt to capital ratio approximating 40% for the last several years. In October 2010, the Company's 200 million British pound sterling-denominated notes (approximately \$301 million at June 30, 2010) will mature. The Company expects to refinance these notes during 2010 through a combination of new public debt, commercial paper borrowings, revolving credit facility borrowings or internal cash generation.
- Currently, a majority of the Company's revenue is generated from customers located outside the United States, and a substantial portion of the Company's assets and employees are located outside the United States. U.S. income tax and foreign withholding taxes have not been provided on undistributed earnings for certain non-U.S. subsidiaries, because such earnings are intended to be indefinitely reinvested in the operations of those subsidiaries. Several U.S. legislation proposals have been announced that would have the effect of substantially reducing the Company's ability to defer U.S. taxes on profit permanently reinvested outside the United States. Proposals to date could have a negative impact on the Company's financial position and operating results. Additionally, they could have a negative impact on the Company's ability to compete in the global marketplace. The probability of any of these proposals being enacted cannot be predicted with any certainty. Indications are that substantial reform which may be considered unfavorable to U.S. business' interests abroad is not likely in 2010. If reform occurs in 2011, such reform

[Table of Contents](#)

may be structured with more of the business community's concerns in mind. The Company is working with legislators with the goal of achieving a balanced and fair approach to tax reform, regardless of when reform occurs. The Company continues to monitor legislation to be in position to structure operations in a manner that will reduce the impact of enacted changes.

- The Company has initiated strategies to reposition the Harsco Infrastructure business and is focusing increasingly on projects in the global industrial maintenance and infrastructure construction sectors; developing this business in economies outside the U.S. and Europe that have greater prospects for both near-term and long-term growth; and reducing the branch structure which will result in costs savings realized mostly in 2011 and beyond.
- In 2010, the Company will fully integrate its recent acquisitions: ESCO, a regional leader in infrastructure services in seven countries in Central and South America, and Bell Scaffolding Group, with operations across the eastern seaboard of Australia. ESCO is expected to provide an opportunity for the Company to scale its operations across the Latin American region, while Bell Scaffolding provides opportunities for further growth throughout Australia and other neighboring regions.
- The Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act became law during the first quarter of 2010. These new laws will have an impact on the Company's future costs for providing health care benefits for its employees when the laws begin to impact the company's health care costs in 2013 and beyond. The Company determined that the impact of the new laws on postretirement medical plans will be immaterial to its financial position, results of operations and cash flows. The Company is assessing the extent to which the new laws will affect its future health care and related employee benefit plan costs for active employees.
- The Harsco Minerals business generates value by collecting and processing boiler slag, a coal combustion by-product ("CCP") into commercially useful products that put this material to beneficial use such as roofing materials or blasting abrasives. In June 2010, the Environmental Protection Agency ("EPA") released a proposed rule that set out two different options with regard to the regulation of CCPs produced by coal-fired utility boilers. One option would regulate CCPs as a special (hazardous) waste when the CCPs are destined for disposal in landfills and surface impoundments. The second option would regulate the disposal of CCPs as solid waste by issuing minimum national criteria for proper management of these nonhazardous, solid wastes. Neither proposal would change the EPA's prior determination that beneficially used CCPs, including the Company's products, are exempt from the hazardous waste regulations. The adoption, terms and timing of any new regulation controlling disposal of CCPs remain uncertain, however, and there can be no assurance that any CCP regulation will continue to provide for an exemption for beneficial use of CCPs. The Company will continue to closely follow the EPA's proposal and file public comments as appropriate.

Other (Income) Expense

This income statement classification includes restructuring costs for employee termination benefits and costs to exit activities; impaired asset write-downs; net gains or losses on the disposal of non-core assets; and contingent consideration adjustments related to acquisitions by the Company.

| (In thousands) | Three Months Ended June 30 | | Six Months Ended June 30 | |
|--------------------------------------|-------------------------------|-----------------|-----------------------------|-----------------|
| | 2010 | 2009 | 2010 | 2009 |

| Other | 70 | 103 | 177 | 128 |
| Other (income) expense | \$ (394) | \$ 2,336 | \$ (2,903) | \$ (470) |

For the three months and six months ended June 30, 2010, restructuring costs were incurred principally in the Harsco Infrastructure Segment.

Interest Expense

This decrease of \$0.1 million and increase of \$0.7 million in the second quarter and first six months of 2010, respectively, compared with 2009 reflects positive effects from foreign currency translation as well as slightly higher overall debt levels in 2010 due to recent acquisitions.

Income Tax Expense from Continuing Operations

This increase was due to lower earnings from continuing operations in jurisdictions with lower tax rates and an increase in the effective income tax rate from continuing operations. The effective income tax rate relating to continuing operations for the second quarter of 2010 was 27.3% compared with 22.5% for the second quarter of 2009. For the first six months of 2010 the effective income tax rate relating to continuing operations was 26.6% compared with 17.9% for the first six months of 2009. The effective income tax rate for the first six months of 2009 reflected net discrete tax benefits recognized in the first quarter related to a change in the permanent reinvestment of prior-year undistributed earnings.

Income from Continuing Operations

This decrease resulted from lower rentals and sales in the Harsco Infrastructure Segment due to decreased global construction activity; partially offset by increased volume in the Harsco Metals Segment resulting from increased steel production, and increased revenues in the Harsco Rail Segment due principally to higher equipment sales to China.

Loss from Discontinued Operations

The loss from discontinued operations was \$2.8 million and \$2.6 million in the second quarter and first six months of 2010, respectively, compared with losses of \$1.5 million and \$2.7 million in the second quarter and first six months of

35

2009, respectively. Discontinued operations consisted of the Company's Gas Technologies Segment, the sale of which was completed in December 2007. The loss incurred in 2010 includes a pre-tax charge of \$5.0 million related to potential and contingent claims, as more fully described in Note G, "Commitments and Contingencies," in the accompanying Notes to the Condensed Consolidated Financial Statements. The loss incurred in 2009 related to costs associated with then ongoing arbitration proceedings and also reflected a partial settlement of working capital adjustment claims.

Liquidity and Capital Resources

Overview

Global financial markets, which have been under stress since 2008 due to poor financial institution lending and investment practices and sharp declines in real estate values, have started to show signs of improvement for certain highly rated credit issuers. However, during 2009 and continuing into 2010, tightened credit conditions for the funding of non-residential construction projects, particularly commercial construction, restrained growth in that sector. That tight credit market continues today in the non-residential construction sector affecting some of the Company's current and potential customers. In response to these changes in global economic conditions, the Company has undertaken several initiatives to conserve capital and enhance liquidity, including: prudently reducing capital spending to only critical projects where the highest returns can be achieved while redeploying existing capital investments; optimizing worldwide cash positions; reducing or eliminating discretionary spending; and frequent evaluation of customer and business-partner credit risk.

Despite the global financial market environment, the Company continues to have sufficient available liquidity and has been able to obtain any necessary financing. The Company currently expects operational and business needs to be covered by cash from operations for the remainder of 2010 and beyond. During the first six months of 2010, the Company generated \$125.7 million in operating cash, a decrease from the \$156.3 million generated in the first six months of 2009. The results in both 2010 and 2009 reflect lower levels of income generated by the Harsco Infrastructure Segment as a result of the ongoing global economic situation.

In the first six months of 2010, the Company invested \$74.6 million in capital expenditures (55% of which were for revenue-growth projects), compared to the \$82.6 million invested in the first six months of 2009, and paid \$33.0 million in stockholder dividends compared with \$31.7 million paid in the first six months of 2009.

The Company's net cash borrowings increased \$7.3 million in the first six months of 2010. Balance sheet debt, which is affected by foreign currency translation, decreased \$15.5 million from December 31, 2009. The debt to total capital ratio increased from 39.5% at December 31, 2009 (the lowest year-end ratio since 1998) to 40.0% at June 30, 2010 due principally to lower equity levels. The June 30, 2010 ratio was lower than the 40.6% ratio at June 30, 2009.

Despite the ongoing global economic conditions, the Company expects to generate strong operating cash flows for 2010, although less than in 2009. The Company plans to sustain its balanced portfolio through its strategy of redeploying discretionary cash for disciplined organic growth and international or market-segment diversification; for organic growth and strategic acquisitions in the Harsco Rail Segment, but most likely not until 2011 or later; for growth in long-term, high-return and high-renewal-rate services contracts for the Harsco Metals Segment, principally in targeted growth markets or for customer diversification; for organic growth and international diversification in the All Other Category (Harsco Minerals & Harsco Industrial) through strategic alliances. The Company also foresees continuing its long and consistent history of paying dividends to stockholders.

The Company continues its focus on improving working capital management. Globally integrated enterprise initiatives are being used to continue to further improve the effective and efficient use of working capital, particularly accounts receivable and inventories in the Harsco Infrastructure, Harsco Metals and Harsco Rail Segments.

Sources and Uses of Cash

The Company's principal sources of liquidity are cash from operations and borrowings under its various credit agreements, augmented periodically by cash proceeds from non-core asset sales. The primary drivers of the Company's cash flow from operations are the Company's sales and income. The Company's long-term Harsco Metals contracts, in addition to the backlog of certain equipment and the long-term nature of certain service contracts within the Harsco Rail Segment, provide predictable cash flows for several years into the future. (See the "Certainty of Cash Flows" section for additional information on estimated future revenues of Harsco Metals and Harsco Rail contracts and order backlogs for the Company's manufacturing businesses.) Cash returns on capital investments made in prior years, for which no cash is currently required, are a significant source of cash from operations. Depreciation expense related to these investments is a non-cash charge. The Company also continues to maintain working capital at a manageable level based upon the requirements and seasonality of the businesses.

[Table of Contents](#)

Major uses of operating cash flows and borrowed funds include: capital investments, principally in the Harsco Metals and Harsco Infrastructure Segments; payroll costs and related benefits; dividend payments; pension funding payments; inventory purchases for the manufacturing businesses; income tax payments; debt principal and interest payments; insurance premiums and payments of self-insured casualty losses; and machinery, equipment, automobile and facility rental payments. Cash is also used for targeted, strategic acquisitions as the appropriate opportunities arise.

Resources available for cash requirements — The Company meets its ongoing cash requirements for operations and growth initiatives by utilizing cash from operations, by accessing the public debt markets and by borrowing from banks. Public markets in the United States and Europe are accessed through the Company's commercial paper programs and through discrete-term note issuance to investors. Various bank credit facilities are available throughout the world. The Company's 200 million British pound sterling-denominated notes mature in October 2010. The Company expects to utilize both the public debt markets, bank facilities and cash from operations to meet its cash requirements in the future.

The following table details the amounts outstanding under credit facilities and commercial paper programs and available credit at June 30, 2010:

| Summary of Credit Facilities and Commercial Paper Programs (In millions) | June 30, 2010 | | |
|--|----------------|------------------------|---------------------|
| | Facility Limit | Outstanding Balance | Available Credit |

| | | | | | | |
|--|-----------|----------------|-----------|-------------|-----------|-------------------|
| U.S. commercial paper program | \$ | 550.0 | \$ | 14.6 | \$ | 535.4 |
| Euro commercial paper program | | 243.9 | | 42.6 | | 201.3 |

- (a) U.S.-based program.
(b) International-based program.
(c) Although the Company has significant available credit, for practical purposes, the Company limits aggregate commercial paper and credit facility borrowings at any one-time to a maximum of \$600 million (the aggregate amount of the back-up facilities).

For more information on the Company's credit facilities and long-term notes, see Note 6, "Debt and Credit Agreements," to the Company's Form 10-K for the year ended December 31, 2009.

Credit Ratings and Outlook — The following table summarizes the Company's debt credit ratings at June 30, 2010:

| | Long-term Notes | U.S.-Based Commercial Paper | Outlook |
|-------------------------|-----------------|-----------------------------|----------|
| Standard & Poor's (S&P) | A- | A-2 | Negative |
| Moody's | Baa1 | P-2 | Negative |
| Fitch | A- | F2 | Stable |

The Company's euro-based commercial paper program has not been rated since the euro market does not require it. In May 2010, Standard & Poor's and Moody's reaffirmed the Company's ratings but changed the outlook to negative. Fitch ratings were reaffirmed in August 2009. A downgrade to the Company's credit ratings may increase borrowing costs to the Company, while an improvement in the Company's credit ratings may decrease borrowing costs to the Company. Additionally, a downgrade in the Company's credit ratings may result in reduced access to credit markets.

Working Capital Position — Changes in the Company's working capital are reflected in the following table:

| (Dollars are in millions) | June 30 2010 | December 31 2009 | Increase (Decrease) |
|--------------------------------------|--------------|------------------|---------------------|
| Current Assets | | | |

| Other current liabilities | 344.6 | 378.8 | (34.2) |
| Total current liabilities | 781.8 | 751.1 | 30.7 |
| Working Capital | \$ 408.7 | \$ 418.2 | \$ (9.5) |
| Current Ratio | 1.5:1 | 1.6:1 | |

Working capital decreased 2.3% in the first six months of 2010 due principally to the following factors:

- Inventories decreased \$28.7 million due to shipments in the Harsco Rail Segment to satisfy current international contracts, as well as due to foreign currency translation effects.
- Notes payable and current maturities increased \$33.4 million due to higher commercial paper borrowings related to recent acquisitions and the reclassification of a portion of the Company's British pound sterling-denominated 200 million notes as current maturities.
- Income taxes payable increased \$17.5 million due to the overall timing of income tax accruals and payments.

These factors were partially offset by the following:

- Net trade accounts receivable increased \$46.3 million primarily due to higher sales levels, partially offset by foreign currency translation effects.
- Other current liabilities decreased \$34.2 million due principally to a decrease in customer advance payments in the Harsco Rail Segment as equipment was shipped to the customers and the advances were applied to the customer's account.

Certainty of Cash Flows — The certainty of the Company's future cash flows is underpinned by the long-term nature of the Company's metals services contracts, the order backlog for the Company's railway track maintenance services and equipment and the strong discretionary cash flows (operating cash flows in excess of the amounts necessary for capital expenditures to maintain current revenue levels) generated by the Company. Historically, the Company has utilized these discretionary cash flows for growth-related capital expenditures, strategic acquisitions and for debt repayment. As the Company has demonstrated since the end of 2008, it has the ability to substantially reduce its capital expenditures due to the mobility of its existing capital investment base. The existing base can be redeployed for use in growth projects, thus avoiding new investment. The Company has continued to grow in countries with increased demand through prudent redeployment of its existing equipment.

The types of products and services that the Company provides are not subject to rapid technological change, which increases the stability of related cash flows. Additionally, it is believed by the Company that each of the businesses in its balanced portfolio are among the leaders in the industries the Company serves. Due to these factors, the Company is confident in its future ability to generate positive cash flows from operations.

Cash Flow Summary

The Company's cash flows from operating, investing and financing activities, as reflected in the Consolidated Statements of Cash Flows, are summarized in the following table:

Summarized Cash Flow Information

| (In millions) | Six Months Ended June 30 | |

(a) Does not total due to rounding

Cash From Operating Activities — Net cash provided by operating activities in the first six months of 2010 was \$125.7 million, a decrease of \$30.6 million from the first six months of 2009. The decrease resulted primarily from the following:

- Increase in net trade receivables due to higher sales levels,
- Reduction in customer advance payments on contracts due to shipments of equipment by the Harsco Rail Segment in 2010, and
- Lower net income in 2010 as compared with 2009 attributable to the Harsco Infrastructure Segment.

These decreases were partially offset by the following:

- The timing of payments and increased business activity year over year that resulted in higher accounts payable levels in 2010,
- Lower incentive compensation payments in 2010 compared with 2009 due to lower earned incentive compensation.

Cash Used in Investing Activities — In the first six months of 2010, cash used in investing activities was \$84.2 million consisting primarily of capital investments of \$74.6 million and \$27.6 million used for strategic acquisitions. Capital investments declined \$8.0 million compared to the first six months of 2009, reflecting the Company's ongoing initiatives to conserve capital and enhance liquidity through prudent reduction of capital investments. Growth capital constituted 55% of investments made in the first six months of 2010, with investments made predominantly in the Harsco Metals Segment and, to a lesser extent, the Harsco Infrastructure Segment. Throughout the remainder of 2010, the Company plans to continue to manage its balanced portfolio and consider opportunities to invest in value creation projects. Additionally, the Company intends to increase growth investments in the Harsco Rail Segment, most likely in 2011 and beyond, as the business continues to expand globally.

Cash Used in Financing Activities — The following table summarizes the Company's debt and capital positions at June 30, 2010 and December 31, 2009.

| (Dollars are in millions) | June 30 2010 | December 31 2009 |
|--------------------------------------|-----------------|---------------------|
| Notes Payable and Current Maturities | \$ 116.6 | \$ 83.2 |
| Long-term Debt | 852.8 | 901.7 |
| Total Debt | 969.4 | 984.9 |
| Total Equity | 1,451.5 | 1,509.8 |
| Total Capital | \$ 2,420.9 | \$ 2,494.7 |
| Total Debt to Total Capital | 40.0% | 39.5% |

The Company's debt as a percent of total capital at June 30, 2010 increased from December 31, 2009. The increase results principally from a decline in overall equity due to negative foreign currency translation effects from the

strengthening of the U.S. dollar since December 31, 2009. This was partially offset by lower debt due primarily to foreign currency translation resulting from the strengthening of the U.S. dollar in comparison with the British pound sterling.

Debt Covenants

The Company's credit facilities and certain notes payable agreements contain a covenant stipulating a maximum debt to capital ratio of 60%. Certain notes payable agreements also contain a covenant requiring a minimum net worth of \$475 million. In addition, one credit facility limits the proportion of subsidiary consolidated indebtedness to 10% of consolidated tangible assets. At June 30, 2010, the Company was in compliance with these covenants with a debt to capital ratio of 40.0% and total net worth of \$1.4 billion. Based on balances at June 30, 2010, the Company could increase borrowings by approximately \$1.2 billion and still be within its debt covenants. Alternatively, keeping all other factors constant, the Company's equity could decrease by approximately \$805 million and the Company would still be within its debt covenants. Additionally, the Company's 7.25% British pound sterling-denominated notes and its 5.75% notes include covenants that permit the note holders to redeem their notes, at par and 101% of par, respectively, in the event of a change of control of the Company or disposition of a significant portion of the Company's assets in combination with the Company's credit rating downgraded to non-investment grade. The Company expects to continue to be compliant with these debt covenants one year from now.

Cash and Value-Based Management

The Company plans to continue with its strategy of targeted, prudent investing for strategic purposes for the foreseeable future, continuing to make more efficient use of existing investments. The long-term goal of this strategy is to create stockholder value by improving the Company's EVA. Under this program, the Company evaluates strategic investments based upon the investment's economic profit. EVA equals after-tax operating profits less a charge for the use of the capital employed to create those profits. Therefore, value is created when a project or initiative produces a return above the cost of capital. In the first six months of 2010, EVA was lower compared with the first six months of 2009 due to lower operating profits.

The Company currently expects to continue paying dividends to stockholders. In May 2010, the Company paid its 240th consecutive quarterly cash dividend. In June 2010, the Company declared its 241st consecutive quarterly cash dividend.

The Company's financial position and debt capacity should enable it to meet current and future requirements. As additional resources are needed, the Company should be able to obtain funds readily and at competitive costs. The Company is well-positioned financially and intends to continue investing in high-return, organic growth projects and prudent, strategic alliances; to reduce debt and pay cash dividends as a means of enhancing stockholder value.

THREE-YEAR CREDIT AGREEMENT dated as of December 17, 2009 (as amended, restated, supplemented, extended, replaced or otherwise modified from time to time, this "Agreement") among HARSCO CORPORATION, a Delaware corporation (the "Company"), the lenders listed in Schedule 2.01 hereto (the "Lenders"), and CITIBANK, N.A., as administrative agent for the Lenders (in such capacity, together with any successor Administrative Agent appointed pursuant to Section 8.06, the "Administrative Agent").

The Company has requested that the Lenders extend credit to the Company in order to enable it to borrow Standby Loans (such term and all other capitalized terms not otherwise defined have the meanings assigned to them in Article I hereof) on a standby revolving credit basis from time to time during the Availability Period in an aggregate principal amount at any time outstanding of up to \$570,000,000, which amount may be increased up to \$700,000,000 pursuant to Section 2.23 (less the aggregate principal amount of all outstanding Competitive Loans at such time). The Company has also requested the Lenders to provide a procedure pursuant to which the Company may invite the Lenders to bid on an uncommitted basis on short-term borrowings by the Company. The proceeds of all such borrowings are to be used for general corporate purposes, including commercial paper backstop and/or repayment of the Indebtedness evidenced by the Existing Credit Agreement. The Lenders are willing to extend such credit to the Company on the terms and subject to the conditions herein set forth.

Accordingly, the Company, the Lenders and the Administrative Agent agree as follows:

ARTICLE I

Definitions

SECTION 1.01. Defined Terms. As used in this Agreement, the following terms shall have the meanings specified below:

"ABR Borrowing" shall mean a Borrowing comprised of ABR Loans.

"ABR Loan" shall mean any Standby Loan bearing interest at a rate determined by reference to the Alternate Base Rate in accordance with the provisions of Article II.

"Activities" shall have the meaning assigned to such term in Section 8.02(b).

"Adjusted EURIBO Rate" shall mean, with respect to any Eurocurrency Borrowing in Euros, for any Interest Period, an interest rate per annum (rounded upwards, if necessary, to the next 1/16 of 1%) equal to (a) the

EURIBO Rate for such Interest Period multiplied by (b) the Statutory Reserve Rate.

"Adjusted LIBO Rate" shall mean, with respect to any Eurocurrency Borrowing in Dollars or any Alternative Currency (other than Euros), for any Interest Period, an interest rate per annum (rounded upwards, if necessary, to the next 1/16 of 1%) equal to (a) the LIBO Rate for such Interest Period multiplied by (b) the Statutory Reserve Rate; provided that, with respect to any Eurocurrency Borrowing denominated in an Alternative Currency (other than Euros) for any Interest Period, Adjusted LIBO Rate shall mean an interest rate per annum (rounded upwards, if necessary, to the next 1/16 of 1%) equal to the LIBO Rate for such Interest Period.

"Administrative Agent" shall have the meaning assigned to such term in the preamble to this Agreement.

"Administrative Agent's Office" shall mean the office address, facsimile number, electronic mail address, telephone number and account information set forth on Schedule 1.01 hereto with respect to the Administrative Agent or such other address, facsimile number, electronic mail address, telephone number or account information as shall be designated by the Administrative Agent in a notice to the Company and the Lenders.

"Administrative Fees" shall have the meaning assigned to such term in Section 2.06(b).

"Administrative Questionnaire" shall mean an Administrative Questionnaire in the form of Exhibit B hereto.

"Affiliate" shall mean, when used with respect to a specified person, another person that directly, or indirectly through one or more intermediaries, Controls or is Controlled by or is under common Control with the person specified.

"Agent's Group" shall have the meaning assigned to such term in Section 8.02(b).

"Agreement" shall have the meaning assigned to such term in the preamble to this Agreement.

"Alternate Base Rate" shall mean, for any day, a rate per annum (rounded upwards, if necessary, to the next 1/16 of 1%) equal to the greater of (a) the Prime Rate in effect on such day, (b) the Federal Funds Effective Rate in effect on such day plus 1/2 of 1% and (c) the Adjusted LIBO Rate for a one month Interest Period on such day (or if such day is not a Business Day, the immediately preceding Business Day) plus 1%, provided that, for the avoidance of doubt, the Adjusted LIBO Rate for any day shall be based on the rate appearing on Reuters Screen LIBOR01 Page (or any successor

page) at approximately 11:00 a.m. London time on such day. Any change in the Alternate Base Rate due to a change in the Prime Rate, the Federal Funds Effective Rate or the Adjusted LIBO Rate shall be effective from and including the effective date of such change in the Prime Rate, the Federal Funds Effective Rate or the Adjusted LIBO Rate, respectively. For purposes hereof, "Prime Rate" shall mean the rate of interest per annum publicly announced from time to time by the Administrative Agent as its prime rate in effect at its principal office in New York City; each change in the Prime Rate shall be effective on the date such change is publicly announced as effective. "Federal Funds Effective Rate" shall mean, for any day, the weighted average of the rates on overnight Federal funds transactions with members of the Federal Reserve System arranged by Federal funds brokers, as published on the next

succeeding Business Day by the Federal Reserve Bank of New York, or, if such rate is not so published for any day which is a Business Day, the average of the quotations for the day of such transactions received by the Administrative Agent from three Federal funds brokers of recognized standing selected by it. If for any reason the Administrative Agent shall have determined (which determination shall be conclusive absent manifest error) that it is unable to ascertain the Federal Funds Effective Rate for any reason, including the inability of the Administrative Agent to obtain sufficient quotations in accordance with the terms thereof, the Alternate Base Rate shall be determined without regard to clause (b) of the first sentence of this definition until the circumstances giving rise to such inability no longer exist.

“Alternative Currency” shall mean Euros and Sterling.

“Alternative Currency Borrowing” shall mean a Borrowing comprised of Alternative Currency Loans. All Alternative Currency Borrowings shall be Eurocurrency Borrowings.

“Alternative Currency Equivalent” shall mean, with respect to any amount of Dollars on any date in relation to any specified Alternative Currency, the amount of such specified Alternative Currency that may be purchased with such amount of Dollars at the Spot Exchange Rate with respect to Dollars on such date. The term “Alternative Currency Equivalent” may be preceded by a reference to an Alternative Currency (e.g., “EUR Alternative Currency Equivalent”), in which case the Alternative Currency so referenced shall be the “specified” Alternative Currency.

“Alternative Currency Loan” shall mean any Loan denominated in an Alternative Currency.

“Applicable Margin” shall mean on any date, (A) with respect to ABR Loans, the greater of (i) zero and (ii) the difference between (x) the amount of basis points per annum calculated as set forth in the table below under the heading “Applicable Margin”, based upon the ratings applicable on such date to the Company’s Index Debt, and (y) 100 basis points per annum and (B) with respect to Eurocurrency Loans the greater of (i) the amount of basis points per

annum as set forth in the table below under the heading “Applicable Margin Floor”, and (ii) the amount of basis points per annum calculated as set forth in the table below under the heading “Applicable Margin”, in each case, based upon the ratings applicable on such date to the Company’s Index Debt:

| | Applicable Margin (basis points per annum) | Applicable Margin Floor (basis points per annum) |
|---|--|---|
| <u>Category 1</u> A+ or higher by S&P; A1 or higher by Moody’s | 75% of Markit Index | 125.0 |
| <u>Category 2</u> A by S&P; A2 by Moody’s | 85% of Markit Index | 125.0 |
| <u>Category 3</u> A- by S&P; A3 by Moody’s | 100% of Markit Index | 150.0 |
| <u>Category 4</u> BBB+ by S&P; Baa1 by Moody’s | 125% of Markit Index | 175.0 |
| <u>Category 5</u> BBB or lower by S&P; Baa2 or lower by Moody’s | 150% of Markit Index | 200.0 |

For purposes of determining the Applicable Margin, (a) if either Moody’s or S&P shall not have in effect a rating for Index Debt (other than because such rating agency shall no longer be in the business of rating corporate debt obligations), then such rating agency will be deemed to have established a rating for Index Debt in Category 5; (b) if the ratings established or deemed to have been established by Moody’s and S&P shall fall within different Categories, the Applicable Margin shall be determined by reference to the higher (or numerically lower) Category unless one of the ratings is two or more Categories lower (or numerically higher) than the other, in which case the Applicable Margin shall be determined by reference to the Category next below that of the higher (or numerically lower) of the two ratings; and (c) if any rating established or deemed to have been established by Moody’s or S&P

shall be changed (other than as a result of a change in the rating system of either Moody’s or S&P), such change shall be effective as of the date on which such change is first announced by the rating agency making such change. Each change in the Applicable Margin shall apply to all Eurocurrency Loans and ABR Loans that are outstanding at any time during the period commencing on the effective date of such change and ending on the date immediately preceding the effective date of the next such change. If the rating system of either Moody’s or S&P shall change, or if either such rating agency shall cease to be in the business of rating corporate debt obligations, the Company and the Lenders shall negotiate in good faith to amend the references to specific ratings in this definition to reflect such changed rating system or the nonavailability of ratings from such rating agency.

“Applicable Percentage” shall mean, with respect to any Lender at any time, the percentage of the Total Commitment represented by such Lender’s Commitment at such time.

“Approved Borrower” shall mean any wholly owned Subsidiary of the Company as to which a Designation Letter shall have been delivered to the Administrative Agent in accordance with Section 2.21 hereof and as to which a Termination Letter shall not have been delivered to the Administrative Agent.

“Assigned Dollar Value” shall mean, in respect of any Borrowing denominated in an Alternative Currency, the Dollar Equivalent thereof determined based upon the applicable Spot Exchange Rate as of the Denomination Date for such Borrowing. In the event that any Borrowing denominated in an Alternative Currency shall be prepaid in part, the Assigned Dollar Value of such Borrowing shall be allocated ratably to the prepaid portion of such Borrowing and the portion of such Borrowing remaining outstanding.

“Assignment and Acceptance” shall mean an assignment and acceptance entered into by a Lender and an assignee, and accepted by the Administrative Agent, in the form of Exhibit C hereto, or such other form as shall be approved by the Administrative Agent.

“Availability Period” shall mean the period from and including the Effective Date to but excluding the earlier of the Termination Date and the date of termination of the Commitments.

“Board” shall mean the Board of Governors of the Federal Reserve System of the United States.

“Borrowers” shall mean the Company and each Approved Borrower.

5

“Borrowing” shall mean a group of Loans of a single Type made by the Lenders (or, in the case of a Competitive Borrowing, by the Lender or Lenders whose Competitive Bids have been accepted pursuant to Section 2.03).

“Borrowing Minimum” shall mean (a) in the case of a Borrowing denominated in Dollars, \$5,000,000 and (b) in the case of a Borrowing denominated in any Alternative Currency, 5,000,000 units (or, in the case of Sterling, 2,500,000 units) of such currency.

“Borrowing Multiple” shall mean (a) in the case of a Borrowing denominated in Dollars, \$1,000,000 and (b) in the case of a Borrowing denominated in any Alternative Currency, 1,000,000 units (or, in the case of Sterling, 500,000 units) of such currency.

“Borrowing Request” shall mean a Standby Borrowing Request or a Competitive Bid Request.

“Business Day” shall mean any day (other than a day which is a Saturday, Sunday or legal holiday in the State of New York) on which banks are open for business in New York City; provided, however, that (a) when used in connection with a Eurocurrency Loan, the term “Business Day” shall also exclude any day on which banks are not open for dealings in deposits in the applicable currency in the London interbank market, and (b) when used in connection with a Loan denominated in Euro, the term “Business Day” shall also exclude any day on which the TARGET payment system is not open for the settlement of payments in Euro.

“Capital Lease Obligations” of any person shall mean the obligations of such person to pay rent or other amounts under any lease of (or other arrangement conveying the right to use) real or personal property, or a combination thereof, which obligations are required to be classified and accounted for as capital leases on a balance sheet of such person under GAAP and, for the purposes of this Agreement, the amount of such obligations at any time shall be the capitalized amount thereof at such time determined in accordance with GAAP.

A “Change in Control” shall be deemed to have occurred if (a) any person or group (within the meaning of Rule 13d-5 of the Securities and Exchange Commission as in effect on the date hereof) shall own directly or indirectly, beneficially or of record, shares representing more than 20% of the aggregate ordinary voting power represented by the issued and outstanding capital stock of the Company; or (b) a majority of the seats (other than vacant seats) on the board of directors of the Company shall at any time have been occupied by persons who were neither (i) nominated by the board of directors of the Company, nor (ii) appointed by directors so nominated; or (c) any person or group shall otherwise directly or indirectly Control the Company;

6

provided, however, that a Permitted Reorganization shall not constitute a Change in Control.

“Citigroup Parties” shall have the meaning assigned to such term in Section 10.01(h).

“Code” shall mean the Internal Revenue Code of 1986, as the same may be amended from time to time.

“Commitment” shall mean, with respect to each Lender, the commitment of such Lender hereunder as set forth in Schedule 2.01 hereto, as such Lender’s Commitment may be permanently terminated, reduced or increased from time to time pursuant to Section 2.11, Section 2.23 or Section 10.04.

“Committed Credit Exposure” shall mean, with respect to any Lender at any time, the sum of (a) the aggregate principal amount at such time of all outstanding Standby Loans of such Lender denominated in Dollars, plus (b) the Assigned Dollar Value at such time of the aggregate principal amount at such time of all outstanding Standby Loans of such Lender that are Alternative Currency Loans.

“Commitment Date” shall have the meaning assigned to such term in Section 2.23(b).

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent in consultation with the Company may from time to time specify to be appropriate

24

to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

ARTICLE II

The Credits

SECTION 2.01. Commitments. Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender agrees, severally and not jointly, to make Standby Loans to the Borrowers from time to time during the Availability Period, in Dollars or one or

more Alternative Currencies (as specified in the Borrowing Requests with respect thereto), in an aggregate principal amount at any time outstanding that will not result in such Lender's Committed Credit Exposure exceeding such Lender's Commitment, subject, however, to the conditions that (i) at no time shall (A) the sum of (I) the aggregate Committed Credit Exposure of all the Lenders, plus (II) the outstanding aggregate principal amount or Assigned Dollar Value of all Competitive Loans made by all Lenders, exceed (B) the Total Commitment and (ii) at all times the outstanding aggregate principal amount of all Standby Loans made by each Lender shall equal such Lender's Applicable Percentage of the outstanding aggregate principal amount of all Standby Loans made pursuant to Section 2.04. Each Lender's Commitment is set forth opposite its name in Schedule 2.01 hereto. Such Commitments may be terminated, reduced or increased from time to time pursuant to Section 2.11, Section 2.23 or Section 10.04. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, pay or prepay and reborrow Standby Loans.

SECTION 2.02. Loans. (a) Each Standby Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; provided, however, that the failure of any Lender to make any Standby Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Each Competitive Loan shall be made in accordance with the procedures set forth in Section 2.03. The Competitive Loans and Standby Loans comprising any Borrowing shall be in (i) an aggregate principal amount which is not less than the Borrowing Minimum and an integral multiple of the Borrowing Multiple or (ii) an aggregate principal amount equal to the remaining balance of the available applicable Commitments.

(b) Each Competitive Borrowing shall be comprised entirely of Eurocurrency Competitive Loans or Fixed Rate Loans, and each Standby Borrowing shall be comprised entirely of Eurocurrency Standby Loans or ABR Loans, as the Borrowers may request pursuant to Section 2.03 or 2.04, as applicable. Each Lender may at its option make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan;

25

provided that any exercise of such option shall not affect the obligation of the applicable Borrower to repay such Loan in accordance with the terms of this Agreement. Borrowings of more than one Type may be outstanding at the same time; provided, however, that none of the Borrowers shall be entitled to request any Borrowing which, if made, would result in an aggregate of more than ten separate Standby Loans of any Lender being outstanding hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods or denominated in different currencies, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer to such account as the Administrative Agent may designate in federal funds (in the case of any Loan denominated in Dollars) or such other immediately available funds as may then be customary for the settlement of international transactions in the relevant currency not later than 11:00 a.m., New York City time, in the case of fundings to an account in New York City, or 11:00 a.m., local time, in the case of fundings to an account(s) in another jurisdiction, and the Administrative Agent shall by 12:00 (noon), New York City time, in the case of fundings to (an) account(s) in New York City, or 12:00 (noon), local time, in the case of fundings to an account(s) in another jurisdiction, credit the amounts so received to an account(s) designated by the applicable Borrower in the applicable Borrowing Request, which account(s) must be in the country of the currency of the Loan (it being understood that the funding may be for the credit of an account outside such country) or in a country that is a member of the European Union, in the case of Borrowings denominated in Euros, or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders. Competitive Loans shall be made by the Lender or Lenders whose Competitive Bids therefor are accepted pursuant to Section 2.03 in the amounts so accepted and Standby Loans shall be made by the Lenders pro rata in accordance with Section 2.16. Unless the Administrative Agent shall have received notice from a Lender prior to the time of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with this paragraph (c) and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount in the required currency. If the Administrative Agent shall have so made funds available then to the extent that such Lender shall not have made such portion available to the Administrative Agent, such Lender and the applicable Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon in such currency, for each day from the date such amount is made available to the applicable Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the

26

case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds in the relevant currency (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

(d) Notwithstanding any other provision of this Agreement, none of the Borrowers shall be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Termination Date.

SECTION 2.03. Competitive Bid Procedure. (a) In order to request Competitive Bids, a Borrower shall hand deliver or telecopy to the Administrative Agent a duly completed Competitive Bid Request in the form of Exhibit A-1 hereto, to be received by the Administrative Agent (i) in the case of a Eurocurrency Competitive Borrowing, not later than 11:00 a.m., New York City time, four Business Days before a proposed Competitive Borrowing and (ii) in the case of a Fixed Rate Borrowing, not later than 11:00 a.m., New York City time, one Business Day before a proposed Competitive Borrowing. No ABR Loan shall be requested in, or made pursuant to, a Competitive Bid Request. A Competitive Bid Request that does not conform substantially to the format of Exhibit A-1 hereto may be rejected in the Administrative Agent's sole discretion, and the Administrative Agent shall promptly notify the applicable Borrower of such rejection by telecopier. Such request shall in each case refer to this Agreement and specify (A) whether the Borrowing then being requested is to be a Eurocurrency Borrowing or a Fixed Rate Borrowing, (B) the date of such Borrowing (which shall be a Business Day), (C) the aggregate principal amount of such Borrowing, (D) the currency of such Borrowing and (E) the Interest Period with respect thereto (which may not end after the Termination Date). If no election as to the currency of Borrowing is specified in any Competitive Bid Request, then the applicable Borrower shall be deemed to have requested Borrowings in Dollars. Promptly after its receipt of a Competitive Bid Request that is not rejected as aforesaid, the Administrative Agent shall invite by telecopier (in the form set forth in Exhibit A-2 hereto) the Lenders to bid, on the terms and conditions of this Agreement, to make Competitive Loans pursuant to the Competitive Bid Request.

(b) Each Lender may, in its sole discretion, make one or more Competitive Bids to a Borrower responsive to a Competitive Bid Request. Each Competitive Bid by a Lender must be received by the Administrative Agent via telecopier, in the form of Exhibit A-3 hereto, (i) in the case of a Eurocurrency Competitive Borrowing not later than 11:00 a.m., New York City time, three Business Days before a proposed Competitive Borrowing and (ii) in the case of a Fixed Rate Borrowing, not later than 11:00 a.m., New York City time, on the day of a proposed Competitive Borrowing. Multiple bids will be accepted by the Administrative Agent.

27

Competitive Bids that do not conform substantially to the format of Exhibit A-3 hereto may be rejected by the Administrative Agent after conferring with, and upon the instruction of, the applicable Borrower, and the Administrative Agent shall notify the Lender making such nonconforming bid of such rejection as soon as practicable. Each Competitive Bid shall refer to this Agreement and specify (A) the principal amount (which (x) shall be in a minimum principal amount of the Borrowing Minimum and in an integral multiple of the Borrowing Multiple, (y) shall be expressed in Dollars or, in the case of an Alternative Currency Borrowing, in both the Alternative Currency and the Assigned Dollar Value thereof and (z) may equal the entire principal amount of the Competitive Borrowing requested by the applicable Borrower) of the Competitive Loan or Loans that the Lender is willing to make to the applicable Borrower, (B) the Competitive Bid Rate or Rates at which the Lender is prepared to make the Competitive Loan or Loans and (C) the Interest Period and the last day thereof. If any Lender shall elect not to make a Competitive Bid, such Lender shall so notify the Administrative Agent by telecopier (I) in the case of Eurocurrency Competitive Loans, not later than 11:00 a.m., New York City time, three Business Days before a proposed Competitive Borrowing, and (II) in the case of Fixed Rate Loans, not later than 11:00 a.m., New York City time, on the day of a proposed Competitive Borrowing; provided, however, that failure by any Lender to give such notice shall not cause such Lender to be obligated to make any Competitive Loan as part of such Competitive Borrowing. A Competitive Bid submitted by a Lender pursuant to this paragraph (b) shall be irrevocable.

(c) The Administrative Agent shall promptly notify the applicable Borrower by telecopier of all the Competitive Bids made, the Competitive Bid Rate and the principal amount of each Competitive Loan in respect of which a Competitive Bid was made and the identity of the Lender that made each bid. The Administrative Agent shall send a copy of all Competitive Bids to the applicable Borrower for its records as soon as practicable after completion of the bidding process set forth in this Section 2.03.

(d) The applicable Borrower may in its sole and absolute discretion, subject only to the provisions of this paragraph (d), accept or reject any Competitive Bid referred to in paragraph (c) above. The Borrower shall notify the Administrative Agent by telephone, confirmed by telecopier in the form of a Competitive Bid Accept/Reject Letter, whether and to what extent it has decided to accept or reject any of or all the bids referred to in paragraph (c) above, (x) in the case of a Eurocurrency Competitive Borrowing, not later than 11:30 a.m., New York City time, three Business Days before a proposed Competitive Borrowing, and (y) in the case of a Fixed Rate Borrowing, not later than 11:30 a.m., New York City time, on the day of a proposed Competitive Borrowing; provided, however, that (i) the failure by the applicable Borrower to give such notice shall be deemed to be a rejection of all the bids referred to in paragraph (c) above, (ii) such Borrower shall not accept a bid made at a particular Competitive Bid Rate if such Borrower has

28

decided to reject a bid made at a lower Competitive Bid Rate, (iii) the aggregate amount of the Competitive Bids accepted by such Borrower shall not exceed the principal amount specified in the Competitive Bid Request, (iv) if such Borrower shall accept a bid or bids made at a particular Competitive Bid Rate but the amount of such bid or bids shall cause the total amount of bids to be accepted by such Borrower to exceed the amount specified in the Competitive Bid Request, then such Borrower shall accept a portion of such bid or bids in an amount equal to the amount specified in the Competitive Bid Request less the amount of all other Competitive Bids accepted with respect to such Competitive Bid Request, which acceptance, in the case of multiple bids at such Competitive Bid Rate, shall be made pro rata in accordance with the amount of each such bid at such Competitive Bid Rate, and (v) except pursuant to clause (iv) above, no bid shall be accepted for a Competitive Loan unless such Competitive Loan is in (x) a minimum principal amount of the Borrowing Minimum and an integral multiple of the Borrowing Multiple or (y) an aggregate principal amount equal to the remaining balance of the available applicable Commitments; provided further, however, that if a Competitive Loan must be in an amount less than the Borrowing Minimum because of the provisions of clause (iv) above, such Competitive Loan may be for a minimum of 1,000,000 units (or, in the case of Sterling, 500,000 units) of the applicable currency or any integral multiple thereof, and in calculating the pro rata allocation of acceptances of portions of multiple bids at a particular Competitive Bid Rate pursuant to clause (iv) the amounts shall be rounded to integral multiples of 1,000,000 units (or, in the case of Sterling, 500,000 units) of the applicable currency in a manner which shall be in the discretion of the applicable Borrower. A notice given by the applicable Borrower pursuant to this paragraph (d) shall be irrevocable.

(e) The Administrative Agent shall promptly notify each bidding Lender whether or not its Competitive Bid has been accepted (and if so, in what amount and at what Competitive Bid Rate) by telecopy sent by the Administrative Agent, and each successful bidder will thereupon become bound, subject to the other applicable conditions hereof, to make the Competitive Loan in respect of which its bid has been accepted.

(f) A Competitive Bid Request shall not be made within five Business Days after the date of any previous Competitive Bid Request.

(g) If the Administrative Agent shall elect to submit a Competitive Bid in its capacity as a Lender, it shall submit such bid directly to the applicable Borrower one quarter of an hour earlier than the latest time at which the other Lenders are required to submit their bids to the Administrative Agent pursuant to paragraph (b) above.

(h) All notices required by this Section 2.03 shall be given in accordance with Section 10.01.

29

SECTION 2.04. Standby Borrowing Procedure. In order to request a Standby Borrowing, a Borrower shall hand deliver or telecopy to the Administrative Agent a duly completed Standby Borrowing Request in the form of Exhibit A-5 hereto, to be received by the Administrative Agent (a) in the case of a Eurocurrency Standby Borrowing, not later than 11:00 a.m., New York City time, three Business Days before a proposed borrowing and (b) in the case of an ABR Borrowing, not later than 10:00 a.m., New York City time, on the date of the proposed borrowing. No Fixed Rate Loan shall be requested or

made pursuant to a Standby Borrowing Request. Such notice shall be irrevocable and shall in each case specify (i) whether the Borrowing then being requested is to be a Eurocurrency Borrowing or an ABR Borrowing; (ii) the date of such Borrowing (which shall be a Business Day), (iii) the aggregate principal amount of the Borrowing (which shall be in a minimum principal amount of the Borrowing Minimum and in an integral multiple of the Borrowing Multiple), (iv) the currency of such Borrowing (which, in the case of an ABR Borrowing, shall be Dollars) and (v) if such Borrowing is to be a Eurocurrency Borrowing, the Interest Period with respect thereto. If no election as to the currency of Borrowing is specified in any Standby Borrowing Request, then the applicable Borrower shall be deemed to have requested Borrowings in Dollars. If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing if denominated in Dollars or a Eurocurrency Borrowing if denominated in an Alternative Currency. If no Interest Period with respect to any Eurocurrency Borrowing is specified, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the Lenders of any notice given pursuant to this Section 2.04 (and the contents thereof), of each Lender's portion of the requested Borrowing and, in the case of an Alternative Currency Borrowing, of the Dollar Equivalent of the Alternative Currency amount specified in the applicable Standby Borrowing Request and the Spot Exchange Rate utilized to determine such Dollar Equivalent. If the Dollar Equivalent of a Lender's portion of any such Borrowing would exceed such Lender's remaining available applicable Commitment, then such Lender's portion of such Borrowing shall be reduced to the Alternative Currency Equivalent of such Lender's remaining available Commitment.

SECTION 2.05. Interest Elections. (a) Each Standby Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Standby Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the applicable Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Standby Borrowing, may elect Interest Periods therefor, all as provided in this Section. Such Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate

30

Borrowing. This Section shall not apply to Competitive Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the applicable Borrower shall notify the Administrative Agent of such election by telephone or by telecopy by the time that a Borrowing Request would be required under Section 2.04 if such Borrower were requesting a Standby Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and, if telephonic, shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request substantially in the form of Exhibit A-6 hereto. Notwithstanding any other provision of this Section, the Borrower shall not be permitted to (i) change the currency of any Borrowing or (ii) elect an Interest Period for Eurocurrency Loans that would end after the Termination Date.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02 and paragraph (e) of this Section:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the

31

Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall (i) in the case of a Borrowing denominated in Dollars, be converted to an ABR Borrowing and (ii) in the case of any other Eurocurrency Borrowing, continue as a Eurocurrency Borrowing in the same currency and with an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (i) no outstanding Standby Borrowing denominated in Dollars may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.06. Fees. (a) The Company agrees to pay to each Lender, through the Administrative Agent, on each March 31, June 30, September 30 and December 31 and on the Termination Date and any other date on which the Loans of such Lender shall be repaid (or on the date of termination of such Lender's Commitment if such Lender has no Standby Loans outstanding after such date), a commitment fee (a "Commitment Fee") equal to the Commitment Fee Percentage of the daily average amount of the unused Commitment of such Lender (whether or not the conditions set forth in Section 4.01 shall have been satisfied), during the preceding quarter (or shorter period commencing with the date hereof or ending with the date on which the Commitment of such Lender shall be terminated). All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. The Commitment Fee due to each Lender shall commence to accrue on the date hereof and shall cease to accrue on the date on which the Commitment of such Lender is terminated. Anything herein to the contrary notwithstanding, during such period that a Lender is a Defaulting Lender, such

Defaulting Lender will not be entitled to any Commitment Fees accruing during such period (without prejudice to the rights of the Lenders other than Defaulting Lenders in respect of such fees).

(b) The Company agrees to pay the Administrative Agent, for its own account, the fees set forth in the Agent Fee Letter dated November 11, 2009, between Citigroup Global Markets Inc. and the Company (the "Administrative Fees") at the times and in the amounts set forth therein.

(c) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, none of the Fees shall be refundable under any circumstances.

SECTION 2.07. Repayment of Loans. (a) Each Borrower agrees to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of (i) each Standby Loan of such Lender on the Termination Date and (ii) each Competitive Loan of such Lender on the last day

32

of the Interest Period applicable to such Loan. Each Loan shall bear interest from the date of the Borrowing of which such Loan is a part on the outstanding principal balance thereof as set forth in Section 2.08.

(b) Each Lender shall, and is hereby authorized by the Borrowers to, maintain, in accordance with its usual practice, records evidencing the indebtedness of each Borrower to such Lender hereunder from time to time, including the date, amount, currency and Type of and the Interest Period applicable to each Loan made by such Lender from time to time and the amounts of principal and interest paid to such Lender from time to time in respect of each such Loan.

(c) The entries made in the records maintained pursuant to paragraph (b) of this Section 2.07 and in the Register maintained by the Administrative Agent pursuant to Section 10.04(d) shall be prima facie evidence of the existence and amounts of the obligations of each Borrower to which such entries relate; provided, however, that the failure of any Lender or the Administrative Agent to maintain or to make any entry in such records or the Register, as applicable, or any error therein shall not in any manner affect the obligation of any Borrower to repay any Loans in accordance with the terms of this Agreement.

SECTION 2.08. Interest on Loans. (a) Subject to the provisions of Section 2.09, the Loans comprising each Eurocurrency Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days, at a rate per annum equal to (i) in the case of each Eurocurrency Standby Loan in Dollars or any Alternative Currency (other than Euros), the Adjusted LIBO Rate for the Interest Period in effect for the Borrowing of which such Loan is part plus the Applicable Margin from time to time in effect, (ii) in the case of each Eurocurrency Standby Loan in Euros, the Adjusted EURIBO Rate for the Interest Period in effect for the Borrowing of which such Loan is part plus the Applicable Margin from time to time in effect, (iii) in the case of each Eurocurrency Competitive Loan denominated in Dollars or any Alternative Currency (other than Euros), the LIBO Rate for the Interest Period in effect for the Borrowing of which such Loan is a part plus the Competitive Margin offered by the Lender making such Loan and accepted by the applicable Borrower pursuant to Section 2.03 and (iv) in the case of each Eurocurrency Competitive Loan denominated in Euros, the EURIBO Rate for the Interest Period in effect for the Borrowing of which such Loan is a part plus the Competitive Margin offered by the Lender making such Loan and accepted by the applicable Borrower pursuant to Section 2.03.

(b) Subject to the provisions of Section 2.09, the Loans comprising each ABR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as appropriate, when determined by reference to the Prime Rate and over a year of 360 days at all other times) at a rate per annum equal to the Alternate Base Rate

33

plus the Applicable Margin from time to time in effect with respect to ABR Loans.

(c) Subject to the provisions of Section 2.09, each Fixed Rate Loan shall bear interest at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 360 days) equal to the fixed rate of interest offered by the Lender making such Loan and accepted by the applicable Borrower pursuant to Section 2.03.

(d) Interest on each Loan shall be payable in arrears on each Interest Payment Date applicable to such Loan except as otherwise provided in this Agreement. In the event of any conversion of any Eurocurrency Standby Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion. The applicable LIBO Rate, EURIBO Rate or Alternate Base Rate for each Interest Period or day within an Interest Period, as the case may be, shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.09. Default Interest. If any Borrower shall default in the payment of the principal of or interest on any Loan or any other amount becoming due hereunder, whether by scheduled maturity, notice of prepayment, acceleration or otherwise, such Borrower shall on demand from time to time from the Administrative Agent pay interest, to the extent permitted by law, on such defaulted amount up to (but not including) the date of actual payment (after as well as before judgment) at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 360 days) equal to the Alternate Base Rate plus 2% per annum (or, in the case of the principal of any Loan, if higher, the rate of interest otherwise applicable, or most recently applicable, to such Loan hereunder plus 2% per annum).

SECTION 2.10. Alternate Rate of Interest. (a) In the event, and on each occasion, that on the day two Business Days prior to the commencement of any Interest Period for a Eurocurrency Borrowing of any Type the Administrative Agent shall have determined that Dollar deposits or deposits in the Alternative Currency in which such Borrowing is to be denominated in the principal amounts of the Loans comprising such Borrowing are not generally available in the London interbank market, or that reasonable means do not exist for ascertaining the LIBO Rate or EURIBO Rate, the Administrative Agent shall, as soon as practicable thereafter, give written or telecopy notice of such determination to the applicable Borrower and the Lenders and, until the Administrative Agent shall have advised the applicable Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any request by a Borrower for a Eurocurrency Competitive Borrowing pursuant to Section 2.03 shall be of no force or effect and shall be denied by the Administrative Agent, (ii) any request by a Borrower for a Eurocurrency Standby Borrowing of the affected Type or in

the affected currency shall be deemed to be a request for an ABR Borrowing denominated in Dollars and (iii) any Interest Election Request that requests the conversion of any Standby Borrowing to, or continuation of any Standby Borrowing as, a Eurocurrency Borrowing shall be ineffective, and unless repaid such Borrowing shall be converted to or continued on the last day of the Interest Period applicable thereto (A) if such Borrowing is denominated in Dollars, as an ABR Borrowing, or (B) if such Borrowing is denominated in any Alternative Currency, as a Borrowing bearing interest at such rate as the Administrative Agent shall determine adequately and fairly reflects the cost to the affected Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period plus the Applicable Margin.

(b) In the event, and on each occasion, that on the day two Business Days prior to the commencement of any Interest Period for a Eurocurrency Borrowing of any Type the Administrative Agent shall have been advised by the Required Lenders that the rates at which Dollar deposits or deposits in the Alternative Currency in which such Borrowing is to be denominated in the principal amounts of the Loans comprising such Borrowing are being offered will not adequately and fairly reflect the cost to such Lenders of making or maintaining Eurocurrency Loans during such Interest Period, the Administrative Agent, may in consultation with the affected Lenders, give written or teletype notice of such determination to the Company, the applicable Borrower and the Lenders and until the Administrative Agent shall have advised the Company, the applicable Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any request by a Borrower for a Eurocurrency Competitive Borrowing pursuant to Section 2.03 may be denied by the Administrative Agent, (ii) any request by a Borrower for a Eurocurrency Standby Borrowing of the affected Type or in the affected currency may be deemed to be a request for an ABR Borrowing denominated in Dollars and (iii) any Interest Election Request that requests the conversion of any Standby Borrowing to, or continuation of any Standby Borrowing as, a Eurocurrency Borrowing may be deemed ineffective, and unless repaid such Borrowing may be converted to or continued on the last day of the Interest Period applicable thereto (A) if such Borrowing is denominated in Dollars, as an ABR Borrowing, or (B) if such Borrowing is denominated in any Alternative Currency, as a Borrowing bearing interest at such rate as the Administrative Agent shall determine adequately and fairly reflects the cost to the Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period, as notified to the Company no later than one Business Day prior to the last day of such applicable Interest Period, plus the Applicable Margin.

Each determination by the Administrative Agent under this Section 2.10 shall be conclusive absent manifest error.

SECTION 2.11. Termination and Reduction of Commitments. (a) Unless previously terminated, the Commitments shall terminate on the Termination Date.

(b) Upon at least three Business Days' prior irrevocable written or teletype notice to the Administrative Agent, the Company (on behalf of all the Borrowers) may at any time in whole permanently terminate, or from time to time in part permanently reduce, the Total Commitment; provided, however, that (i) each partial reduction of the Total Commitment shall be in an integral multiple of \$1,000,000 and in a minimum principal amount of \$5,000,000 and (ii) no such termination or reduction shall be made which would reduce the Total Commitment to an amount less than the aggregate outstanding principal amount (or Assigned Dollar Value, in the case of Loans denominated in Alternative Currencies) of the Competitive Loans and Standby Loans. Notwithstanding the foregoing, as long as no Default or Event of Default is continuing, the Company may terminate the unused amount of the Commitment of a Defaulting Lender upon not less than 10 Business Days' prior notice to the Administrative Agent (which will promptly notify the Lenders thereof), it being understood that such termination will not be deemed to be a waiver or release of any claim any of the Borrowers or the Administrative Agent may have against such Defaulting Lender.

(c) Subject to the last sentence of Section 2.11(b), reduction in the Total Commitment hereunder shall be made ratably among the Lenders in accordance with their respective Commitments. Subject to the last sentence of Section 2.06(a), the Company shall pay to the Administrative Agent for the account of the Lenders, on the date of each termination or reduction, the Commitment Fees on the amount of the Commitments so terminated or reduced accrued to but not including the date of such termination or reduction.

(d) A Commitment terminated or reduced under this Section 2.11 may not be reinstated.

SECTION 2.12. Prepayment. (a) Each Borrower shall have the right at any time and from time to time to prepay any Standby Borrowing, in whole or in part, upon giving written or teletype notice (or telephone notice promptly confirmed by written or teletype notice) to the Administrative Agent: (i) in the case of Eurocurrency Loans before 11:00 a.m., New York City time, three Business Days prior to prepayment and (ii) in the case of ABR Loans, before 11:00 a.m., New York City time, one Business Day prior to prepayment; provided, however, that each partial prepayment shall be in an amount which is an integral multiple of \$1,000,000 and not less than \$5,000,000. The Borrowers shall not have the right to prepay any Competitive Borrowing.

(b) If the sum of (i) the aggregate Committed Credit Exposure of all the Lenders and (ii) the outstanding aggregate principal amount or Assigned Dollar Value of all Competitive Loans made by all the Lenders

shall at any time exceed the Total Commitment, then (A) on the last day of any Interest Period for any Eurocurrency Standby Borrowing and (B) on any other date in the event any ABR Borrowing shall be outstanding, the Borrowers shall prepay Standby Loans in an amount equal to the lesser of (x) the amount necessary to eliminate such excess (after giving effect to any other prepayment of Loans on such day) and (y) the amount of the applicable Borrowings referred to in clause (i) or (ii), as applicable. If, on any date, the sum of (1) the aggregate Committed Credit Exposure of all the Lenders and (2) the outstanding aggregate principal amount or Assigned Dollar Value of all Competitive Loans made by all the Lenders shall exceed 105% of the Total Commitment, then the Borrowers shall, not later than the third Business Day following the date notice of such excess is received from the Administrative Agent, prepay one or more Standby Borrowings in an aggregate principal amount sufficient to eliminate such excess.

(c) On the date of any termination or reduction of the Commitments pursuant to Section 2.11(b), the Company shall (or shall cause each responsible Borrower to) pay or prepay so much of the Standby Borrowings as shall be necessary in order that the aggregate outstanding principal amount of all Loans will not exceed the Total Commitment after giving effect to such termination or reduction.

(d) Each notice of prepayment under this Section 2.12 shall specify the prepayment date and the principal amount of each Borrowing (or portion thereof) to be prepaid, shall be irrevocable and shall commit the applicable Borrower to prepay such Borrowing (or portion thereof) by the amount stated therein on the date stated therein. All prepayments under this Section 2.12 shall be subject to Section 2.15 but otherwise without premium or penalty.

SECTION 2.13. Reserve Requirements: Change in Circumstances. (a) Notwithstanding any other provision herein, if after the date of this Agreement any change in applicable law or regulation or in the interpretation or administration thereof by any governmental authority charged with the interpretation or administration thereof (whether or not having the force of law) shall change the basis of taxation of payments to any Lender (or any lending office of any Lender) of the principal of or interest on any Eurocurrency Loan or Fixed Rate Loan made by such Lender or any Fees or other amounts payable hereunder (other than changes in respect of taxes imposed on the overall net income of such Lender by the jurisdiction in which such Lender has its principal office or by any political subdivision or taxing authority therein), or shall impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of or credit extended by such Lender (or any lending office of such Lender), or shall impose on such Lender or the London interbank market any other condition affecting this Agreement or any Eurocurrency

37

Loan or Fixed Rate Loan made by such Lender, and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan or Fixed Rate Loan or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) by an amount deemed by such Lender to be material, then the Company shall (or shall cause the Borrowers to) pay to such Lender upon demand such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered. Notwithstanding the foregoing, no Lender shall be entitled to request compensation under this paragraph with respect to any Competitive Loan if it shall have been aware of the change giving rise to such request at the time of submission of the Competitive Bid pursuant to which such Competitive Loan shall have been made.

(b) If any Lender shall have determined that any change after the date hereof in the applicability of any law, rule, regulation or guideline adopted pursuant to or arising out of the July 1988 report of the Basel Committee on Banking Regulations and Supervisory Practices entitled "International Convergence of Capital Measurement and Capital Standards", or the adoption after the date hereof of any other law, rule, regulation or guideline regarding capital adequacy, or any change in any of the foregoing or in the interpretation or administration of any of the foregoing by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or any lending office of such Lender) or any Lender's holding company with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender pursuant hereto to a level below that which such Lender or such Lender's holding company could have achieved but for such applicability, adoption, change or compliance (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time the Company shall (or shall cause the responsible Borrower to) pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth such amount or amounts as shall be necessary to compensate such Lender as specified in paragraph (a) or (b) above, as the case may be, shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall (or shall cause the responsible Borrower to) pay each Lender the amount shown as due on any such certificate delivered by it within 10 days after the receipt of the same.

(d) Except as provided below in this paragraph (d), failure on the part of any Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital

38

with respect to any period shall not constitute a waiver of such Lender's right to demand compensation with respect to such period or any other period. The protection of this Section shall be available to each Lender regardless of any possible contention of the invalidity or inapplicability of the law, rule, regulation, guideline or other change or condition which shall have occurred or been imposed. No Lender shall be entitled to compensation under this Section 2.13 for any costs incurred or reductions suffered with respect to any date unless it shall have notified the Company that it will demand compensation for such costs or reductions not more than 60 days after the later of (i) such date and (ii) the date on which it shall have, or should have, become aware of such costs or reductions.

SECTION 2.14. Change in Legality. (a) Notwithstanding any other provision herein, if, after the date hereof, (i) any change in any law or regulation or in the interpretation thereof by any Governmental Authority charged with the administration or interpretation thereof shall make it unlawful for any Lender to make or maintain any Eurocurrency Loan or Alternative Currency Loan or to give effect to its obligations as contemplated hereby with respect to any Eurocurrency Loan or Alternative Currency Loan, or (ii) there shall have occurred any change in national or international financial, political or economic conditions (including the imposition of or any change in exchange controls) or currency exchange rates which would make it impracticable for any Lender to make Loans denominated in such Alternative Currency or to any Borrower, then, by written notice to the Company and to the Administrative Agent, such Lender may:

(i) declare that Eurocurrency Loans or Alternative Currency Loans (in the affected currency or currencies or to the affected Borrower), as the case may be, will not thereafter (for the duration of such unlawfulness or impracticability) be made by such Lender hereunder, whereupon such Lender shall not submit a Competitive Bid in response to a request for such Alternative Currency Loans or Eurocurrency Competitive Loans and any request by a Borrower for a Eurocurrency Standby Borrowing or Alternative Currency Borrowing (in the affected currency or currencies or to the affected Borrower), as the case may be, shall, as to such Lender only, be deemed a request for an ABR Loan or a Loan denominated in Dollars, as the case may be, unless such declaration shall be subsequently withdrawn (or, if a Loan to the requesting Borrower cannot be made for the reasons specified above, such request shall be deemed to have been withdrawn); and

(ii) require that all outstanding Eurocurrency Loans or Alternative Currency Loans (in the affected currency or currencies or to the affected Borrower), as the case may be, made by it be converted to ABR Loans denominated in Dollars in which event all such Eurocurrency Loans or Alternative Currency Loans (in the affected currency or currencies or to the affected Borrower) shall be automatically

converted to ABR Loans denominated in Dollars as of the effective date of such notice as provided in paragraph (b) below.

In the event any Lender shall exercise its rights under (i) or (ii) above, all payments and prepayments of principal which would otherwise have been applied to repay the Eurocurrency Loans or Alternative Currency Loans, as the case may be, that would have been made by such Lender or the converted Eurocurrency Loans or Alternative Currency Loans, as the case may be, of such Lender shall instead be applied to repay the ABR Loans or Loans denominated in Dollars, as the case may be, made by such Lender in lieu of, or resulting from the conversion of, such Eurocurrency Loans or Loans denominated in Dollars, as the case may be. In the event any Alternative Currency Loan is converted into a Loan denominated in Dollars pursuant to this Section, (A) the principal amount of such Loan shall be deemed to be an amount equal to the Assigned Dollar Value of such Alternative Currency Loan determined based upon the applicable Spot Exchange Rate as of the Denomination Date for the Borrowing which includes such Alternative Currency Loan and (B) the applicable Borrower shall indemnify the Lender of such converted Alternative Currency Loan against any loss it sustains as a result of such conversion.

(b) For purposes of this Section 2.14, a notice to the Company by any Lender shall be effective as to each Eurocurrency Loan, if lawful, on the last day of the Interest Period currently applicable to such Eurocurrency Loan; in all other cases such notice shall be effective on the date of receipt by the Company.

SECTION 2.15. Indemnity. Each Borrower shall indemnify each Lender against any loss or reasonable expense which such Lender may sustain or incur as a consequence of (a) any failure by such Borrower to fulfill on the date of any borrowing hereunder the applicable conditions set forth in Article IV, (b) any failure by such Borrower (other than any such failure caused by a default by such Lender) to borrow or to convert or continue any Loan hereunder after irrevocable notice of such borrowing, conversion or continuation has been given pursuant to Section 2.03 or 2.04, (c) any payment, prepayment, conversion or transfer of a Eurocurrency Loan or Fixed Rate Loan required by any other provision of this Agreement or otherwise made or deemed made on a date other than the last day of the Interest Period applicable thereto, (d) any default in payment or prepayment of the principal amount of any Loan or any part thereof or interest accrued thereon, as and when due and payable (at the due date thereof, whether by scheduled maturity, acceleration, irrevocable notice of prepayment or otherwise) or (e) the assignment of any Eurocurrency Loan other than on the last day of an Interest Period therefor as a result of a request by the Company pursuant to Section 2.20(b), including, in each such case, any loss or reasonable expense sustained or incurred or to be sustained or incurred in liquidating or employing deposits from third parties acquired to effect or maintain such Loan or any part thereof as a Eurocurrency Loan or Fixed Rate Loan but excluding any loss of profit or anticipated profit such as the

Applicable Margin. Such loss or reasonable expense shall include an amount equal to the excess, if any, as reasonably determined by such Lender, of (i) its cost of obtaining the funds for the Loan being paid, prepaid, converted, transferred or not borrowed (assumed to be the LIBO Rate or, in the case of a Fixed Rate Loan, the fixed rate of interest applicable thereto) for the period from the date of such payment, prepayment, conversion, transfer or failure to borrow to the last day of the Interest Period for such Loan (or, in the case of a failure to borrow, convert or continue, the Interest Period for such Loan which would have commenced on the date of such failure) over (ii) the amount of interest (as reasonably determined by such Lender) that would be realized by such Lender in reemploying the funds so paid, prepaid, converted, transferred or not borrowed for such period or Interest Period, as the case may be. A certificate of any Lender setting forth any amount or amounts which such Lender is entitled to receive pursuant to this Section shall be delivered to the Company and shall be conclusive absent manifest error.

SECTION 2.16. Pro Rata Treatment. Except as required under Section 2.14, each Standby Borrowing, each payment or prepayment of principal of any Standby Borrowing, each payment of interest on the Standby Loans, each payment of the Commitment Fees, each reduction of the Commitments and each conversion of any Borrowing into, or continuation of, a Standby Borrowing of any Type, shall be allocated pro rata among the Lenders in accordance with their respective Commitments (or, if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of their outstanding Standby Loans). Each payment of principal of any Competitive Borrowing shall be allocated pro rata among the Lenders participating in such Borrowing in accordance with the respective principal amounts of their outstanding Competitive Loans comprising such Borrowing. Each payment of interest on any Competitive Borrowing shall be allocated pro rata among the Lenders participating in such Borrowing in accordance with the respective amounts of accrued and unpaid interest on their outstanding Competitive Loans comprising such Borrowing. For purposes of determining (i) the aggregate available Commitments of the Lenders at any time and (ii) the available Commitment of each Lender, each outstanding Competitive Borrowing shall be deemed to have utilized the Commitments of the Lenders (including those Lenders which shall not have made Loans as part of such Competitive Borrowing) pro rata in accordance with such respective Commitments; provided, however, that for purposes of determining payments of Commitment Fees under Section 2.06, each outstanding Competitive Borrowing shall be deemed to have utilized the Commitments of only the Lenders that have made Competitive Loans comprising such Competitive Borrowing (it being understood that the Commitment of Lenders which shall not have made Loans as part of such Competitive Borrowing shall not be deemed utilized as a result of such Competitive Borrowing). Each Lender agrees that in computing such Lender's portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round each Lender's percentage of such Borrowing to the next

higher or lower whole Dollar (or comparable unit of any applicable Alternative Currency) amount.

SECTION 2.17. Sharing of Setoffs. Each Lender agrees that if it shall, through the exercise of a right of banker's lien, setoff or counterclaim against any Borrower, or pursuant to a secured claim under Section 506 of Title 11 of the United States Code or other security or interest arising from, or in lieu of, such secured claim, received by such Lender under any applicable bankruptcy, insolvency or other similar law or otherwise, or by any other means, obtain payment (voluntary or involuntary) in respect of any Standby Loan or Standby Loans as a result of which the unpaid principal portion of

its Standby Loans shall be proportionately less than the unpaid principal portion of the Standby Loans of any other Lender, it shall be deemed simultaneously to have purchased from such other Lender at face value, and shall promptly pay to such other Lender the purchase price for, a participation in the Standby Loans of such other Lender, so that the aggregate unpaid principal amount of the Standby Loans and participations in the Standby Loans held by each Lender shall be in the same proportion to the aggregate unpaid principal amount of all Standby Loans then outstanding as the principal amount of its Standby Loans prior to such exercise of banker's lien, setoff or counterclaim or other event was to the principal amount of all Standby Loans outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; provided, however, that, if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.17 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest. Each Borrower expressly consents to the foregoing arrangements and agrees that any Lender holding a participation in a Standby Loan deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim with respect to any and all moneys owing by such Borrower to such Lender by reason thereof as fully as if such Lender had made a Standby Loan directly to such Borrower in the amount of such participation.

SECTION 2.18. Payments. (a) Each Borrower shall make each payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder and under each other Loan Document not later than 12:00 noon, local time at the place of payment, on the date when due in immediately available funds. Each such payment shall be made to the Administrative Agent's Office. Each such payment (other than principal of and interest on Alternative Currency Loans, which shall be made in the applicable Alternative Currency) shall be made in Dollars. Each such payment will be made without setoff, counterclaim or other deduction.

(b) Whenever any payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next

42

succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees, if applicable.

SECTION 2.19. Taxes. (a) Any and all payments by or on account of any obligation of each Borrower to or for the account of any Lender or the Administrative Agent hereunder shall be made, in accordance with Section 2.18, free and clear of and without deduction for any and all current or future taxes, levies, imposts, deductions, assessments, duties, fees, withholdings or other charge of whatever nature now or hereafter imposed, and all liabilities with respect thereto, including any interest, additions to tax or penalties applicable thereto, but excluding (i) income taxes imposed on the net income of the Administrative Agent or any Lender (or any transferee or assignee thereof, including a participation holder (any such individual or entity, a "Transferee")), franchise and gross margin taxes imposed in lieu of tax on the net income of the Administrative Agent or any Lender (or Transferee), in each case by the jurisdiction under the laws of which the Administrative Agent or such Lender (or Transferee) is organized, domiciled, resident or doing business or any political subdivision thereof and, in the case of any Lender (or Transferee), by the jurisdiction in which its applicable lending office is located, and (ii) any branch profits tax imposed by the United States or any similar tax imposed by any other jurisdiction described in clause (i) above on any Lender, any Transferee or the Administrative Agent (all such nonexcluded taxes, levies, imposts, deductions, assessments, duties, fees, withholdings, other charges and liabilities, interest, additions to tax and penalties, collectively or individually, "Taxes"). If any Borrower shall be required to deduct any Taxes from or in respect of any sum payable hereunder to any Lender (or any Transferee) or the Administrative Agent, (i) the sum payable by such Borrower or any guarantor thereof shall be increased by the amount (an "additional amount") necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.19) such Lender (or Transferee) or the Administrative Agent (as the case may be) shall receive an amount equal to the sum it would have received had no such deductions been made, (ii) each Borrower (or any guarantor making such payments) shall make such deductions and (iii) each Borrower (or any guarantor making such deductions) shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law; provided that the Administrative Agent may make such deductions and pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law on behalf of any Borrower (or any guarantor making such payments).

(b) In addition, each Borrower agrees to bear and to pay to the relevant Governmental Authority in accordance with applicable law any current or future recording, stamp, documentary, excise, transfer, sales, property or similar taxes, charges or levies that arise from any payment made hereunder or under any other Loan Document or from the execution, delivery

43

or registration of, enforcement of, or otherwise with respect to, this Agreement or any other Loan Document ("Other Taxes").

(c) The Borrowers will indemnify each Lender (or Transferee) and the Administrative Agent, within 10 days after written demand therefor, for the full amount of Taxes and Other Taxes paid by such Lender (or Transferee) or the Administrative Agent, as the case may be, on or with respect to any payment by or on account of any obligation of any Borrower hereunder or under any other Loan Document (including Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any liability and any penalties, interest and expenses (including reasonable attorney's fees and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted by the relevant Governmental Authority except if incurred primarily as a result of the gross negligence or willful misconduct of the recipient. A certificate as to the amount of such payment or liability prepared by the Administrative Agent, a Lender, or the Administrative Agent on its behalf, absent manifest error, shall be final, conclusive and binding for all purposes.

(d) If a Lender (or Transferee) or the Administrative Agent shall become aware that it is entitled to claim a refund from a Governmental Authority in respect of Taxes or Other Taxes as to which it has been indemnified by a Borrower, or with respect to which any Borrower has paid additional amounts, pursuant to this Section 2.19, it shall promptly notify the Company of the availability of such refund claim and shall, within 30 days after receipt of a request by the Company, make a claim to such Governmental Authority for such refund at the Company's expense. If a Lender (or Transferee) or the Administrative Agent receives a refund (including pursuant to a claim for refund made pursuant to the preceding sentence) in respect of any Taxes or Other Taxes as to which it has been indemnified by a Borrower or with respect to which any Borrower has paid additional amounts, in either case, pursuant to this Section 2.19, it shall within 30 days from the date of such receipt pay over such refund to the Company on behalf of the relevant Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this Section 2.19 with respect to the Taxes or Other Taxes giving rise to such refund), net of withholding taxes applicable to such payment and all out-of-pocket expenses of such Lender (or Transferee) or the Administrative Agent and without interest (other than interest paid by the relevant Governmental Authority with respect to such refund); provided, however, that the Company, upon the request of such Lender (or Transferee) or the Administrative Agent, agrees to (or to cause the responsible Borrower to) repay the

amount paid over to the Company (plus penalties, interest or other charges imposed by the relevant Governmental Authority) to such Lender (or Transferee) or the Administrative Agent in the event such Lender (or Transferee) or the Administrative Agent is required to repay such refund (or portion thereof) to such Governmental Authority.

(e) As soon as practicable after the date of any payment of Taxes or Other Taxes by any Borrower to the relevant Governmental Authority, the Company will deliver to the Administrative Agent, at its address referred to in Section 10.01, the original or a certified copy of a receipt issued by such Governmental Authority evidencing payment of the full amount thereof.

(f) Without prejudice to the survival of any other agreement contained herein, the agreements and obligations contained in this Section 2.19 shall survive the payment in full of the principal of and interest on all Loans made hereunder.

(g) Each Lender (or Transferee) or other person entitled to the benefit of this Section 2.19 that is organized under the laws of a jurisdiction other than the United States, any State thereof or the District of Columbia (a “Non-U.S. Lender”) shall deliver to the Company and the Administrative Agent two copies of either United States Internal Revenue Service Form W-8BEN or Form W-8ECI (or successor form), or, in the case of a Non-U.S. Lender claiming exemption from U.S. Federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest”, a Form W-8BEN, or any subsequent versions thereof or successors thereto (and, if such Non-U.S. Lender delivers a Form W-8BEN, a certificate representing that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Code, is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Company and is not a controlled foreign corporation related to the Company (within the meaning of Section 864(d)(4) of the Code)), properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or reduced rate of, U.S. Federal withholding tax on payments under this Agreement and the other Loan Documents by any Borrower that is a United States person within the meaning of Section 7701(a)(30) of the Code (a “U.S. Borrower”). Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of a Transferee that is a participation holder, on or before the date such participation holder becomes a Transferee hereunder) and on or before the date, if any, such Non-U.S. Lender changes its applicable lending office by designating a different lending office (a “New Lending Office”). In addition, each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-U.S. Lender. Notwithstanding any other provision of this Section 2.19(g), a Non-U.S. Lender shall not be required to deliver any form pursuant to this Section 2.19(g) that such Non-U.S. Lender is not legally able to deliver.

(h) No U.S. Borrower shall be required to indemnify any Non-U.S. Lender, or to pay any additional amounts to any Non-U.S. Lender, in respect of United States Federal withholding tax pursuant to paragraph (a) or (c) above to the extent that (i) the obligation to withhold amounts with respect to United States Federal withholding tax existed on the date such Non-U.S. Lender became a party to this Agreement (or, in the case of a Transferee

that is a participation holder, on the date such participation holder became a Transferee hereunder) or, with respect to payments to a New Lending Office, the date such Non-U.S. Lender designated such New Lending Office with respect to a Loan; provided, however, that this clause (i) shall not apply to any Transferee or New Lending Office that becomes a Transferee or New Lending Office as a result of an assignment, participation, transfer or designation made at the request of the Company; and provided further, however, that this clause (i) shall not apply to the extent the indemnity payment or additional amounts any Transferee, or Lender (or Transferee) through a New Lending Office, would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or additional amounts that the person making the assignment, participation or transfer to such Transferee, or Lender (or Transferee) making the designation of such New Lending Office, would have been entitled to receive in the absence of such assignment, participation, transfer or designation or (ii) the obligation to pay such additional amounts would not have arisen but for a failure by such Non-U.S. Lender to comply with the provisions of paragraph (g) above, except as a result of a change in applicable law after the date such Lender became a party to this Agreement, or in the case of a participant, after the date such participant purchased the related participation interest.

(i) Any Lender (or Transferee) claiming any indemnity payment or additional amounts payable pursuant to this Section 2.19 shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Company or to change the jurisdiction of its applicable lending office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender (or Transferee), be otherwise disadvantageous to such Lender (or Transferee).

(j) Nothing contained in this Section 2.19 shall require any Lender (or Transferee) or the Administrative Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

(k) Each Lender (or Transferee) and other person entitled to the benefits of this Section 2.19 that is neither a Non-U.S. Lender nor an “exempt recipient,” within the meaning of Treasury Regulations section 1.6049-4(c), shall provide the Company and the Administrative Agent two properly completed and executed original copies of Internal Revenue Service Form W-9 (or any successor form). Such form shall be delivered on or before the date such Lender or other person becomes a party to this Agreement (or, in the case of a Transferee that is a participation holder, on or before the date such participation holder becomes a Transferee hereunder).

SECTION 2.20. Assignment of Commitments Under Certain Circumstances. (a) Any Lender (or Transferee) claiming any additional

amounts payable pursuant to Section 2.13, Section 2.19 or Section 2.22 shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document requested by the Company or to change the jurisdiction of its applicable lending office if the making of such a filing or change would avoid the need for or reduce the amount of any such additional amounts which may thereafter accrue and would not, in the judgment of such Lender, be otherwise disadvantageous to such Lender (or Transferee).

(b) In the event that any Lender shall have delivered a notice or certificate pursuant to Section 2.13 or 2.14, or the Borrowers shall be required to make additional payments to any Lender under Section 2.19 or Section 2.22, the Company shall have the right, at its own expense, upon notice to such Lender and the Administrative Agent, to require such Lender to transfer and assign without recourse (in accordance with and subject to the restrictions contained in Section 10.04) all its interests, rights and obligations under this Agreement to another financial institution acceptable to the Administrative Agent which shall assume such obligations; provided that (i) no such assignment shall conflict with any law, rule or regulation or order of any Governmental Authority, (ii) no Event of Default shall have occurred and be continuing and (iii) the Company or the assignee, as the case may be, shall pay to the affected Lender in immediately available funds on the date of such assignment the principal of and interest accrued to the date of payment on the Loans made by it hereunder and all other amounts accrued for its account or owed to it hereunder.

SECTION 2.21. Borrowings by Approved Borrowers. The Company may, at any time or from time to time, designate one or more wholly owned Subsidiaries as Borrowers hereunder by furnishing to the Administrative Agent a letter (a "Designation Letter") substantially in the form of Exhibit F-1 hereto, duly completed and executed by the Company and such Subsidiary, whereupon each Subsidiary so designated shall become an Approved Borrower. As soon as practicable upon receipt of any such Designation Letter, the Administrative Agent shall send a copy thereof to each Lender. There may be no more than ten Approved Borrowers at any one time. So long as all principal and interest on all Loans of any Approved Borrower have been paid in full, the Company may terminate an Approved Borrower's status as an Approved Borrower by furnishing to the Administrative Agent a letter (a "Termination Letter"), substantially in the form of Exhibit F-2 hereto, duly completed and executed by the Company and such Approved Borrower. Any Termination Letter furnished in accordance with this Section 2.21 shall be effective upon receipt by the Administrative Agent. Notwithstanding the foregoing, the delivery of a Termination Letter with respect to any Approved Borrower shall not affect any obligation of such Approved Borrower theretofore incurred. Each Subsidiary set forth in Schedule 2.21 hereto shall be deemed an Approved Borrower until delivery of a Termination Letter with respect to such Subsidiary. Notwithstanding any other provision herein, no Lender shall be

47

required to make any Loan to an Approved Borrower if any applicable law or regulation shall make it unlawful for any such Lender to make or maintain any such Loan.

SECTION 2.22. Additional Costs. (a) If and so long as any Lender is required to make special deposits with the Bank of England, to maintain reserve asset ratios or to pay fees, in each case in respect of such Lender's Eurocurrency Loans in any Alternative Currency, such Lender may require the relevant Borrower to pay, contemporaneously with each payment of interest on each of such Loans, additional interest on such Loan at a rate per annum equal to the Mandatory Costs Rate calculated in accordance with the formula and in the manner set forth in Exhibit D hereto.

(b) If and so long as any Lender is required to comply with reserve assets, liquidity, cash margin or other requirements of any monetary or other authority (including any such requirement imposed by the European Central Bank or the European System of Central Banks, but excluding requirements reflected in the Statutory Reserve Rate or the Mandatory Costs Rate) in respect of any of such Lender's Eurocurrency Loans in any Alternative Currency, such Lender may require the relevant Borrower to pay, contemporaneously with each payment of interest on each of such Lender's Eurocurrency Loans subject to such requirements, additional interest on such Loan at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Loan.

(c) Any additional interest owed pursuant to paragraph (a) or (b) above shall be determined by the relevant Lender, which determination shall be conclusive absent manifest error, and notified to the relevant Borrower (with a copy to the Administrative Agent) at least five Business Days before each date on which interest is payable for the relevant Loan, and such additional interest so notified to the relevant Borrower by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Loan.

(d) If the cost to any Lender of making or maintaining any Loan to any Borrower is increased (or the amount of any sum received or receivable by any Lender (or its applicable lending office) is reduced) by an amount deemed in good faith by such Lender to be material, by reason of the fact that such Borrower is incorporated in, or conducts business in, a jurisdiction outside the United States of America, such Borrower shall indemnify such Lender for such increased cost or reduction within 15 days after demand by such Lender (with a copy to the Administrative Agent). A certificate of such Lender claiming compensation under this paragraph and setting forth the additional amount or amounts to be paid to it hereunder (and the basis for the calculation of such amount or amounts) shall be conclusive in the absence of manifest error.

48

SECTION 2.23. Increase in the Aggregate Commitments. (a) The Company may, at any time prior to the Termination Date (including on the Effective Date), by notice to the Administrative Agent, request that the aggregate amount of the Commitments be increased by a minimum amount of \$5,000,000 or an integral multiple of \$1,000,000 in excess thereof (each a "Requested Commitment Increase"), in each case to be effective as of a date that is no later than 90 days prior to the Termination Date (any date on which the aggregate Commitments are increased pursuant to this Section 2.23, an "Increase Date") as specified in the related notice to the Administrative Agent; provided, however, (i) that on and immediately following the Increase Date (A) in no event shall the aggregate amount of the Commitments at any time exceed \$700,000,000, and (B) the representations and warranties set forth in Article III hereof shall be true and correct in all material respects on and as of the date of the Increase Date with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, and (ii) at the time of and immediately after giving effect to such Commitment Increase, no Event of Default or Default shall have occurred and be continuing. Commitments may be increased pursuant to this Section 2.23 no more than once.

(b) The Administrative Agent shall promptly (b) notify the Lenders of a request by the Company for a Requested Commitment Increase, which notice shall include (i) the proposed amount of the Requested Commitment Increase, (ii) the proposed Increase Date and (iii) the date which shall be no later than 30 days after the receipt by the Administrative Agent of notice from the Company pursuant to Section 2.23(a) by which Lenders wishing to participate in the Requested Commitment Increase must commit to an increase in the amount of their respective Commitments (such date, the "Commitment Date"). Each Lender that is willing to participate in such Requested Commitment Increase (each an "Increasing Lender") shall, in its sole discretion, give written notice to the Administrative Agent on or prior to the Commitment Date of the amount by which it is willing to increase its Commitment (as to each Increasing Lender, its "Proposed Increase Amount"). If the aggregate Proposed Increase Amounts of all Increasing Lenders exceeds the Requested

Commitment Increase, then allocations among the Increasing Lenders will be based on the ratio of each Increasing Lender's Proposed Increase Amount to the aggregate of all Proposed Increase Amounts.

(c) Promptly following the Commitment Date, the Administrative Agent shall notify the Company as to the amount of the aggregate Proposed Increase Amounts. If the amount of the aggregate Proposed Increase Amounts is less than the Requested Commitment Increase, then the Company may extend offers to third party financial institutions to participate in any portion of the Requested Commitment Increase that has not been committed to by the Lenders as of the applicable Commitment Date; provided, however, that the Commitment of each such third party financial institution shall be in an amount equal to or greater than \$10,000,000.

49

(d) On each Increase Date, (x) each third party financial institution that accepts an offer to participate in a Requested Commitment Increase in accordance with Section 2.23 (a "New Lender") shall become a Lender party to this Agreement as of such Increase Date, and (y) the Commitment of each Increasing Lender for such Requested Commitment Increase shall be increased by the Increasing Lender's Proposed Increase Amount (or if less, the amount allocated to such Lender pursuant to the last sentence of Section 2.23 as of such Increase Date); provided, however, that the Administrative Agent shall have received on or before such Increase Date the following, each dated such date:

- (i) a Lender Joinder Agreement substantially in the form of Exhibit G hereto from each New Lender if any, duly executed by such financial institution, the Administrative Agent and the Company;
- (ii) confirmation from each Increasing Lender of the increase in the amount of its Commitment in a writing reasonably satisfactory to the Company and the Administrative Agent; and
- (iii) a certificate of the Company, dated the Increase Date and signed by a Financial Officer of the Company, confirming compliance with the conditions precedent set forth in Section 2.23(a)(i)(B) and (a)(ii) above.

On each Increase Date, upon fulfillment of the conditions set forth in the immediately preceding sentence of this Section 2.23, the Administrative Agent shall notify the Lenders (including, without limitation, each New Lender) and the Company, at or before 1:00 P.M. (New York City time), by facsimile, of the occurrence of the Increase Date, the aggregate amount of the Commitment increase on such date and the aggregate amount of the Commitments after giving effect to such increase, to be effected on such Increase Date and shall record in the Register the relevant information with respect to each Increasing Lender and each New Lender (if any) on such date. Commitments increased pursuant to this Section 2.23 shall be deemed a "Commitment". On each Increase Date, Schedule 2.01 hereto shall be automatically deemed to be revised to reflect any increases in the Commitments of the Lenders and any Commitments of New Lenders. The Administrative Agent shall distribute a copy of the revised Schedule 2.01 hereto to the Company and each Lender (including each New Lender) not later than the fifth Business Day following the applicable Increase Date.

SECTION 2.24. Revolving Notes. Any Lender may request that Loans made by it (or its Commitment) be evidenced by one or more Revolving Notes. In such event, the Borrowers shall prepare, execute and deliver to such Lender a Revolving Note or Revolving Notes (but in any event in an aggregate face amount not to exceed the Commitment of such Lender) payable to the order of such Lender or, if requested by such Lender, to such Lender and its registered assigns.

SECTION 3.02. Financial Condition. Harsco Corporation has heretofore furnished to each of the Lenders a consolidated balance sheet of Harsco Corporation and its Subsidiaries as at December 31, 2008, and the related consolidated statements of income, cash flows and changes in shareholders' equity of Harsco Corporation and its Subsidiaries for the fiscal year ended on such date, with the opinion thereon of PricewaterhouseCoopers LLP, and the unaudited consolidated balance sheet of Harsco Corporation and its Subsidiaries as at September 30, 2009, and the related consolidated statements of income and cash flows of Harsco Corporation and its Subsidiaries for the nine-month period ended on such date. All such financial statements present fairly, in all material respects, the consolidated financial condition of Harsco Corporation and its Subsidiaries as at such dates and the consolidated results of their operations for the fiscal year and nine-month period ended on such dates (subject, in the case of the financial statements as at September 30, 2009, to normal year-end audit adjustments), all in accordance with generally accepted accounting principles and practices applied on a consistent basis. None of Harsco Corporation nor any of its Subsidiaries has on the date hereof any material contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments, except as referred to or reflected or provided for in the balance sheets as at such dates or the notes thereto. Since December 31, 2008, there has been no Material Adverse Change.

SECTION 3.03. Litigation. Except as disclosed in note 10 of the audited annual consolidated financial statements of Harsco Corporation included in Harsco Corporation's Form 10-K for the fiscal year ended December 31, 2008, and in the notes to the unaudited quarterly consolidated financial statements of Harsco Corporation included in Harsco Corporation's Form 10-Q for the fiscal quarter ended September 30, 2009, filed with the Securities and Exchange Commission, there are no legal or arbitral

51

proceedings, or any proceedings by or before any Governmental Authority, now pending or (to the knowledge of the Company) threatened against the Company or any of its Subsidiaries that is materially likely to be adversely determined and which, if adversely determined could (either individually or in the aggregate) have a Material Adverse Effect.

SECTION 3.04. No Breach. None of the execution and delivery of this Agreement, the consummation of the transactions herein contemplated or compliance with the terms and provisions hereof will conflict with or result in a breach of, or require any consent under, the charter or by-laws of the Company, or any applicable law or regulation, or any order, writ, injunction or decree of any court or Governmental Authority, or any material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which any of them or any of their assets or properties is bound or to which any of them is subject, or constitute a default under any such agreement or instrument.

SECTION 3.05. Action. The Company has all necessary corporate power, authority and legal right to execute, deliver and perform its obligations under this Agreement; the execution, delivery and performance by the Company of this Agreement has been duly authorized by all necessary corporate action on its part (including, without limitation, any required shareholder approvals); and this Agreement has been duly and validly executed and delivered by the Company and constitutes its legal, valid and binding obligation, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or similar laws of general applicability affecting the enforcement of creditors' rights and (b) the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

SECTION 3.06. Approvals. No authorizations, approvals or consents of, and no filings or registrations with, any Governmental Authority, or any securities exchange, are necessary for the execution, delivery or performance by the Company of this Agreement or for the legality, validity or enforceability hereof.

SECTION 3.07. Use of Credit. None of the Company nor any of its Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose, whether immediate, incidental or ultimate, of buying or carrying Margin Stock, and no part of the proceeds of the Loans hereunder will be used to buy or carry any Margin Stock.

SECTION 3.08. ERISA. Each Plan, and, to the knowledge of the Company, each Multiemployer Plan, is in compliance in all material respects with, and has been administered in all material respects in compliance with, the applicable provisions of ERISA, the Code and any other

Federal or state law, and, except as previously notified in writing in a notice to the Administrative Agent (which shall promptly deliver a copy to each of the Lenders), no event or condition has occurred and is continuing as to which the Company would be under an obligation to furnish a report to the Lenders under Section 5.06 hereof.

SECTION 3.09. Taxes. As of the date hereof, Harsco Corporation and its Domestic Subsidiaries are members of an affiliated group of corporations filing a consolidated return for Federal income tax purposes, of which the Company is the "common parent" (within the meaning of Section 1504 of the Code) of such group. To the knowledge of the Company, the Company and its Subsidiaries have filed all Federal income tax returns and all other material tax returns that are required to be filed by them and have paid, accrued or reserved all taxes due pursuant to such returns or pursuant to any assessment received by the Company or any of its Subsidiaries in accordance with U.S. generally accepted accounting principles. The charges, accruals and reserves on the books of the Company and its Subsidiaries in respect of taxes and other governmental charges are, in the opinion of the Company, adequate. The Company has in the ordinary course of business given extensions or waivers of the statutes of limitations relating to payment of U.S. Federal taxes and relating to various state, local and foreign taxes or impositions, none of which might reasonably be expected to result in a Material Adverse Effect.

SECTION 3.11. Material Agreements and Liens. (a) Part A of Schedule 3.11 hereto is a complete and correct list, as of the date hereof, of each credit agreement, loan agreement, indenture, guarantee, letter of credit or other arrangement providing for or otherwise relating to any Indebtedness or any extension of credit (or commitment for any extension of credit) to, or guaranteed by, the Company or any of its Subsidiaries, the aggregate principal or face amount of which equals or exceeds (or may equal or exceed) \$5,000,000, and the aggregate principal or face amount outstanding or that may become outstanding under each such arrangement is correctly described in Part A of such Schedule 3.11 hereto.

(b) Part B of Schedule 3.11 hereto is a complete and correct list, as of the date hereof, of each Lien securing Indebtedness of any person, the aggregate principal or face amount of which equals or exceeds (or may equal or exceed) \$5,000,000 and covering any property of the Company or any of its Subsidiaries, and the aggregate Indebtedness secured (or that may be secured) by each such Lien and the property covered by each such Lien is correctly described in Part B of such Schedule 3.11 hereto.

SECTION 3.12. Environmental Matters. (a) Except as disclosed in the notes to the unaudited quarterly consolidated financial statements of Harsco Corporation included in Harsco Corporation's Form 10-Q for the fiscal quarter ended September 30, 2009, filed with the Securities and Exchange Commission and except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Company nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

(b) Except as disclosed in writing to the Administrative Agent (which shall promptly deliver a copy to each of the Lenders), there has been no change in the status of any matters relating to compliance with Environmental Laws that are disclosed in the notes to the unaudited quarterly

consolidated financial statements of Harsco Corporation included in Harsco Corporation's Form 10-Q for the fiscal quarter ended September 30, 2009, filed with the Securities and Exchange Commission that, individually or in the aggregate, has resulted in, or materially increased the likelihood of, a Material Adverse Effect.

SECTION 3.13. Subsidiaries, etc. Set forth in Schedule 3.13 hereto is a complete and correct list, as of the date hereof, of all of the Subsidiaries of the Company, together with, for each such Subsidiary, (i) the jurisdiction of organization of such Subsidiary, (ii) each person holding ownership interests in such Subsidiary and (iii) the nature of the ownership interests held by each such person and the percentage of ownership of such Subsidiary represented by such ownership interests.

SECTION 3.14. True and Complete Disclosure. The information, reports, financial statements, exhibits and schedules furnished in writing by or on behalf of the Company to the Administrative Agent or any Lender in connection with the negotiation, preparation or delivery of this Agreement or included herein or delivered pursuant hereto, when taken as a whole, do not contain any untrue statement of material fact or omit to state any material fact necessary to make the statements herein or therein, in light of the circumstances under which they were made, not misleading. All written information furnished after the date hereof by the Company and its Subsidiaries to the Administrative Agent and the Lenders in connection with this Agreement and the transactions contemplated hereby will be true, complete and accurate in every material respect, or (in the case of projections) based on reasonable estimates, on the date as of which such information is stated or certified. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been disclosed herein or in a report, financial statement, exhibit, schedule, disclosure letter or other writing

Part B. Representations and Warranties of the Approved Borrowers. Each Approved Borrower represents and warrants to each of the Lenders as set forth in Sections 3.15, 3.16, 3.17, 3.18 and 3.19 that:

SECTION 3.16. No Breach. None of the execution and delivery of its Designation Letter and this Agreement, the consummation of the transactions therein and herein contemplated and compliance with the terms and provisions thereof and hereof will conflict with or result in a breach of, or require any consent under, the charter or bylaws or other organizational documents of such Approved Borrower, or any applicable law or regulation, or any order, writ, injunction or decree of any court or Governmental Authority or agency, or any material agreement or instrument to which such Approved Borrower or any of its Subsidiaries is a party or by which any of them or their assets or properties is bound or to which any of them is subject, or constitute a default under any such agreement or instrument.

SECTION 3.17. Action. Such Approved Borrower has all necessary corporate or other power and authority to execute, deliver and perform its obligations under its Designation Letter and this Agreement, and to perform its obligations hereunder and thereunder; the execution and delivery by such Approved Borrower of its Designation Letter and the performance by such Approved Borrower hereof and thereof have been duly authorized by all necessary corporate or other action on its part (including, without limitation, any required shareholder approvals); and its Designation Letter, when executed and delivered by such Approved Borrower, will constitute the legal, valid and binding obligation of such Approved Borrower, enforceable against such Approved Borrower in accordance with its terms, except as such enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or similar laws of general applicability affecting the enforcement of creditors' rights and (b) the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

55

SECTION 3.18. Approvals. No authorizations, approvals or consents of, and no filings or registrations with, any Governmental Authority are necessary for the execution, delivery or performance by such Approved Borrower of its Designation Letter or this Agreement or for the validity or enforceability thereof.

Except as disclosed to the Lenders in writing prior to the delivery of such Approved Borrower's Designation Letter, there is no income, stamp or other tax of any country, or of any taxing authority thereof or therein, imposed by or in the nature of withholding or otherwise, which is imposed on any payment to be made by such Approved Borrower pursuant hereto, or is imposed on or by virtue of the execution, delivery or enforcement of its Designation Letter or this Agreement.

ARTICLE IV

57

SECTION 4.02. First Borrowing by Each Approved Borrower. On the date of any Approved Borrower's initial Borrowing hereunder, the obligations of the Lenders to make Loans to such Approved Borrower are subject to the satisfaction (or waiver in accordance with Section 10.08) of each of the conditions set forth in Section 4.01 and the following further conditions:

Upon the satisfaction of the conditions precedent set forth in this Section 4.02, such Approved Borrower shall become a Borrower hereunder with the same force and effect as if originally named as a Borrower hereunder. The rights and obligations of each Borrower hereunder shall remain in full force and effect notwithstanding the addition of any new Borrower as a party to this Agreement.

SECTION 4.03. All Borrowings. On the date of each Borrowing (it being understood that a continuation, conversion or other change in interest rate pursuant to Section 2.05 shall not be subject to this Section 4.03), the obligations of the Lenders to make the Loans comprising such Borrowing are subject to the satisfaction of the following conditions:

(a) The Administrative Agent shall have received a notice of such Borrowing as required by Section 2.03 or Section 2.04, as applicable.

ARTICLE VIII

The Administrative Agent

SECTION 8.01. Appointment and Authority. Each Lender hereby irrevocably appoints Citibank, N.A. to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and no Borrower shall have rights as a third party beneficiary of any of such provisions.

SECTION 8.02. Administrative Agent Individually. (a) The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may

71

exercise the same as though it were not the Administrative Agent and the term "Lender" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

(b) Each Lender understands that the Person serving as Administrative Agent, acting in its individual capacity, and its Affiliates (collectively, the "Agent's Group") are engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 8.02 as "Activities") and may engage in the Activities with or on behalf of one or more of the Borrowers or their respective Affiliates. Furthermore, the Agent's Group may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Borrowers and their Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in any Borrower or their respective Affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of one or more of the Borrowers or their Affiliates. Each Lender understands and agrees that in engaging in the Activities, the Agent's Group may receive or otherwise obtain information concerning the Borrowers or their Affiliates (including information concerning the ability of the Borrowers to perform their respective obligations hereunder and under the other Loan Documents) which information may not be available to any of the Lenders that are not members of the Agent's Group. None of the Administrative Agent nor any member of the Agent's Group shall have any duty to disclose to any Lender or use on behalf of the Lenders, and shall not be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any Affiliate of any Borrower) or to account for any revenue or profits obtained in connection with the Activities, except that the Administrative Agent shall deliver or otherwise make available to each Lender such documents as are expressly required by any Loan Document to be transmitted by the Administrative Agent to the Lenders.

(c) Each Lender further understands that there may be situations where members of the Agent's Group or their respective customers (including the Borrowers and their Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of any

72

one or more of the Lenders (including the interests of the Lenders hereunder and under the other Loan Documents). Each Lender agrees that no member of the Agent's Group is or shall be required to restrict its activities as a result of the Person serving as Administrative Agent being a member of the Agent's Group, and that each member of the Agent's Group may undertake any Activities without further consultation with or notification to any Lender. None of (i) this Agreement nor any other Loan Document, (ii) the receipt by the Agent's Group of information (including Information) concerning the Borrowers or their Affiliates (including information concerning the ability of the Borrowers to perform their respective obligations hereunder and under the other Loan Documents) nor (iii) any other matter shall give rise to any fiduciary, equitable or contractual duties (including without limitation any duty of trust or confidence) owing by the Administrative Agent or any member of the Agent's Group to any Lender including any such duty that would prevent or restrict the Agent's Group from acting on behalf of customers (including the Borrowers or their Affiliates) or for its own account.

SECTION 8.03. Duties of Administrative Agent; Exculpatory Provisions. (a) The Administrative Agent's duties hereunder and under the other Loan Documents are solely ministerial and administrative in nature and the Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, but shall be required to act or refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written direction of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or any of its Affiliates to liability or that is contrary to any Loan Document or applicable law.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary), under the circumstances as provided in Sections 10.04 or Article VII or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default or the event or events that give or may give rise to any Default unless and until any Borrower or any Lender shall have given notice to the Administrative Agent describing such Default and such event or events.

(c) Neither the Administrative Agent nor any member of the Agent's Group shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, representation or other information

73

made or supplied in or in connection with this Agreement or any other Loan Document or the information memorandum, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith or the adequacy, accuracy and/or completeness of the information contained therein, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, or instrument or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than (but subject to the foregoing clause (ii)) to confirm receipt of items expressly required to be delivered to the Administrative Agent.

(d) Nothing in this Agreement or any other Loan Document shall require the Administrative Agent or any of its Related Parties to carry out any "know your customer" or other checks in relation to any person on behalf of any Lender and each Lender confirms to the Administrative Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Administrative Agent or any of its Related Parties.

SECTION 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless an officer of the Administrative Agent responsible for the transactions contemplated hereby shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. Each such sub agent and the Related Parties of the

74

Administrative Agent and each such sub agent shall be entitled to the benefits of all provisions of this Article VIII and Section 10.05 (as though such sub-agents were the "Administrative Agent" under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.06. Resignation of Administrative Agent. The Administrative Agent may at any time give notice of its resignation to the Lender and the Company. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Company, to appoint a successor, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank with an office in New York, New York. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (such 30-day period, the "Lender Appointment Period"), then the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above. In addition and without any obligation on the part of the retiring Administrative Agent to appoint, on behalf of the Lenders, a successor Administrative Agent, the retiring Administrative Agent may at any time upon or after the end of the Lender Appointment Period notify the Company and the Lenders that no qualifying Person has accepted appointment as successor Administrative Agent and the effective date of such retiring Administrative Agent's resignation which effective date shall be no earlier than three business days after the date of such notice. Upon the resignation effective date established in such notice and regardless of whether a successor Administrative Agent has been appointed and accepted such appointment, the retiring Administrative Agent's resignation shall nonetheless become effective

and (i) the retiring Administrative Agent shall be discharged from its duties and obligations as Administrative Agent hereunder and under the other Loan Documents and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties as Administrative Agent of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations as Administrative Agent hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 10.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub agents and their respective Related Parties in

75

respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

SECTION 8.07. Non-Reliance on Administrative Agent and Other Lenders. Each Lender confirms to the Administrative Agent, each other Lender and each of their respective Related Parties that it (i) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on the Administrative Agent, any other Lender or any of their respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement, (y) making Loans and other extensions of credit hereunder and (z) in taking or not taking actions hereunder and thereunder, (ii) is financially able to bear such risks and (iii) has determined that entering into this Agreement and making Loans hereunder is suitable and appropriate for it.

(b) Each Lender acknowledges that (i) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Loan Documents, (ii) that it has, independently and without reliance upon the Administrative Agent, any other Lender or any of their respective Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement based on such documents and information, as it has deemed appropriate and (iii) it will, independently and without reliance upon the Administrative Agent, any other Lender or any of their respective Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the other Loan Documents based on such documents and information as it shall from time to time deem appropriate, which may include, in each case:

(i) the financial condition, status and capitalization of the Borrowers and the Subsidiary Guarantors;

(ii) the legality, validity, effectiveness, adequacy or enforceability of this Agreement and each other Loan Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document;

(iii) determining compliance or non-compliance with any condition hereunder to the making of a Loan and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition;

(iv) the adequacy, accuracy and/or completeness of the information memorandum and any other information delivered by the Administrative Agent, any other Lender or by any of their respective Related

76

Parties under or in connection with this Agreement or any other Loan Document, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document.

SECTION 8.08. Indemnification. Each Lender shall, ratably in accordance with its Commitment (determined at the time such indemnity is sought), indemnify the Administrative Agent in its capacity as Administrative Agent (to the extent not reimbursed by the Borrowers) against any cost, expense (including reasonable counsel fees and disbursements), loss (except any loss in respect of any fee arrangement between the Company and the Administrative Agent to which each Lender is not a party) or liability (except such as result from the Administrative Agent's gross negligence or willful misconduct) that the Administrative Agent may suffer or incur in connection with the Loan Documents or any action taken or omitted by the Administrative Agent thereunder.

SECTION 8.09. No Other Duties, etc. Anything herein to the contrary notwithstanding, none of the Persons acting as Bookrunners or Arrangers listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or as a Lender hereunder.

SECTION 8.10. Releases. Each of the Lenders hereby directs the Administrative Agent, at its option and in its discretion, (a) to release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty pursuant to Section 11(b) of the Subsidiary Guaranty and (b) deliver the release documentation contemplated by paragraph 4 of Schedule 10.21 hereto.

ARTICLE IX

SECTION 9.01. Guarantee. The Guarantor hereby guarantees to each Lender and the Administrative Agent and their respective successors and assigns the prompt payment in full when due (whether at stated maturity, by acceleration, by optional prepayment or otherwise) of the principal of and interest on the Loans made by the Lenders to any Approved Borrower and all other amounts from time to time owing to the Lenders or the Administrative Agent by any Approved Borrower under this Agreement or pursuant to its Designation Letter, strictly in accordance with the terms thereof (such obligations being herein collectively called the "Guaranteed Obligations"). The Guarantor hereby further agrees that if any Approved Borrower shall fail to pay in full

when due (whether at stated maturity, by acceleration, by optional prepayment or otherwise) any of the Guaranteed Obligations, the Guarantor will promptly pay the same, without any demand or notice

whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

SECTION 9.02. Obligations Unconditional. The obligations of the Guarantor under Section 9.01 hereof are absolute and unconditional irrespective of the value, genuineness, validity, regularity or enforceability of the obligations of any Approved Borrower under this Agreement or any other agreement or instrument referred to herein or therein (including, without limitation, any Designation Letter), or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, to the fullest extent permitted by applicable law, irrespective of any law, regulation, decree or order of any jurisdiction, or any other event, affecting any term of any Guaranteed Obligations, irrespective of any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 9.02 that the obligations of the Guarantor hereunder shall be absolute and unconditional under any and all circumstances. Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not affect the liability of the Guarantor hereunder:

- (i) at any time or from time to time, without notice to the Guarantor, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (ii) any of the acts mentioned in any of the provisions of this Agreement or any other agreement or instrument referred to herein or therein shall be done or omitted; or
- (iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be modified, supplemented or amended in any respect, or any right under this Agreement or any other agreement or instrument referred to herein or therein shall be waived or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with.

The Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against any Approved Borrower under this Agreement or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations.

SECTION 9.03. Reinstatement. The obligations of the Guarantor under this Article IX shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Approved Borrower in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise and the Guarantor agrees that it will indemnify the Administrative Agent and each Lender on demand for all reasonable costs and expenses (including, without limitation, fees of counsel) incurred by the Administrative Agent or such Lender in connection with such rescission or restoration.

SECTION 9.04. Subrogation. The Guarantor hereby irrevocably waives all rights of subrogation or contribution, whether arising by operation of law (including, without limitation, any such right arising under Title 11 of the United States Code) or otherwise, by reason of any payment by it pursuant to the provisions of this Article IX and further agrees that for the benefit of each of its creditors (including, without limitation, each Lender and the Administrative Agent) that any such payment by it of the Guaranteed Obligations of any Approved Borrower shall constitute a contribution of capital by the Guarantor to such Approved Borrower.

SECTION 9.05. Remedies. The Guarantor agrees that, as between the Guarantor and the Lenders, the obligations of any Approved Borrower under this Agreement may be declared to be forthwith due and payable as provided in Article VII hereof (and shall be deemed to have become automatically due and payable in the circumstances provided in said Article VII) for purposes of Section 9.01 hereof notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against any Approved Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by such Approved Borrower) shall forthwith become due and payable by the Guarantor for purposes of such Section 9.01.

SECTION 9.06. Continuing Guarantee. The guarantee in this Article IX is a continuing guarantee, and shall apply to all Guaranteed Obligations whenever arising.

(f) Each Lender agrees that e-mail notice to it (at the address provided pursuant to the next sentence and deemed delivered as provided in the next paragraph) specifying that Communications have been posted to the Platform shall constitute effective delivery of such Communications to such Lender for purposes of this Agreement. 81

(g) Each party hereto agrees that any electronic communication referred to in this Section 10.01 shall be deemed delivered upon the posting of a record of such communication (properly addressed to such party at the e-mail address provided to the Administrative Agent) as "sent" in the e-mail system of the sending party or, in the case of any such communication to the Administrative Agent, upon the posting of a record of such communication as "received" in the e-mail system of the Administrative Agent; provided that if such communication is not so received by the Administrative Agent during the normal business hours of the Administrative Agent, such communication shall be deemed delivered at the opening of business on the next Business Day for the Administrative Agent.

SECTION 10.03. Binding Effect. This Agreement shall become effective when it shall have been executed by the Company and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each Lender, and thereafter shall be binding upon and inure to the benefit of the Borrowers, the Administrative Agent and each Lender and their respective successors and assigns, except that, other than an assignment by the Company to the New Parent pursuant to the New Parent Assignment and Assumption Agreement, the Borrowers shall not have the right to assign rights hereunder or any interest herein without the prior consent of all the Lenders.

82

SECTION 10.04. Successors and Assigns. (a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrowers, the Administrative Agent or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Each Lender may assign to one or more assignees all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided, however, that (i) the Administrative Agent and, except in the case of an assignment to a Lender or an Affiliate of such Lender, the Company, must give their prior written consent to such assignment (which consent shall not be unreasonably withheld and in the case of the Company, shall not be required during the continuation of an Event of Default), (ii) each such assignment shall be of a constant, and not a varying, percentage of all the assigning Lender's rights and obligations under this Agreement, (iii) the amount of the Commitment of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 (or, if smaller, such Lender's remaining Commitment) and the amount of the Commitment of such Lender remaining after such assignment shall not be less than \$5,000,000 or shall be zero, (iv) the parties to each such assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, and a processing and recordation fee of \$3,500, (v) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire, and (vi) no assignment to the Company or any Affiliate of the Company shall be permitted without the prior written consent of each Lender. Upon acceptance and recording pursuant to paragraph (e) of this Section 10.04, from and after the effective date specified in each Assignment and Acceptance, which effective date shall be at least five Business Days after the execution thereof, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (B) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto (but shall continue to be entitled to the benefits of Sections 2.13, 2.15, 2.19, 2.22 and 10.05, as well as to any Fees accrued for its account hereunder and not yet paid)). Notwithstanding the foregoing, any Lender assigning its rights and obligations under this Agreement may retain any Competitive Loans made by it outstanding at such time, and in such case shall retain its rights hereunder in respect of any Loans so retained until such Loans have been repaid in full in accordance with this Agreement.

83

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment, if any, and the outstanding balances of its Standby Loans and Competitive Loans, if any, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (ii) except as set forth in (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto or the financial condition of the Company or any Subsidiary or the performance or observance by any Borrower or any Subsidiary Guarantor of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements delivered pursuant to Section 5.04 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

The entries in the Register shall be conclusive in the absence of manifest error and the Borrowers, the Administrative Agent and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Company and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

84

(f) Upon giving written notice to the Company, each Lender may without the consent of the Company or the Administrative Agent sell participations to one or more banks or other entities (other than the Company or an Affiliate of the Company, unless prior consent thereto has been given to the Company in writing by each Lender) in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided, however, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other entities shall be entitled to the benefit of the cost protection provisions contained in Sections 2.13, 2.15, 2.19 and 2.22 to the same extent as if they were Lenders and (iv) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrowers relating to the Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable hereunder or the amount of principal or the rate at which interest is payable on the Loans, extending any scheduled principal payment date or date fixed for the payment of interest on the Loans or changing or extending the Commitments).

(g) Any Lender or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 10.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrowers or the Subsidiary Guarantors furnished to such Lender by or on behalf of the Borrowers or the Subsidiary Guarantors; provided that, prior to any such disclosure of information designated by the Company as confidential, each such assignee or participant or proposed assignee or participant shall execute an agreement whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information. It is understood that confidential information relating to the Borrowers or the Subsidiary Guarantors would not ordinarily be provided in connection with assignments or participations of Competitive Loans.

85

(h) Any Lender may at any time assign as security all or any portion of its rights under this Agreement, including to a Federal Reserve Bank; provided that no such assignment shall release a Lender from any of its obligations hereunder.

(i) The Borrowers shall not assign or delegate any of their rights or duties hereunder, except as permitted by Section 6.03; provided that Harsco Corporation may assign its rights and duties hereunder to the New Parent pursuant to the New Parent Assignment and Assumption Agreement.

SECTION 10.05. Expenses; Indemnity. (a) Each Borrower agrees to pay all reasonable and properly documented out-of-pocket expenses incurred by the Administrative Agent in connection with the preparation of this Agreement and the other Loan Documents or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby contemplated shall be consummated) or incurred by the Administrative Agent or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents or in connection with the Loans made hereunder, including the reasonable fees, charges and disbursements of Chadbourne & Parke LLP, counsel for the Administrative Agent, and, in connection with any such amendment, modification or waiver or any such enforcement or protection, the reasonable fees, charges and disbursements of any other counsel for the Administrative Agent or any Lender. Each Borrower further agrees that it shall indemnify the Lenders from and hold them harmless against any documentary taxes, assessments or charges made by any Governmental Authority by reason of the execution and delivery of this Agreement or any of the other Loan Documents.

(b) Each Borrower agrees to indemnify the Administrative Agent, each Lender, any of their respective Affiliates that have made Loans as provided in Section 2.02(b) and the respective directors, officers, employees and agents of the foregoing persons (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the transactions contemplated thereby, (ii) the actual or proposed use of the proceeds of the Loans, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether commenced by a Borrower, any of its Affiliates or any other person and whether or not any Indemnitee is a party thereto or (iv) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower or its Subsidiaries, or any Environmental Liability related in any way to the Borrower or its subsidiaries; provided that the

86

indemnity set forth in this Section 10.05(b) shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses either (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from the gross negligence or willful misconduct of such Indemnitee or any of its Affiliates or (y) resulted from the breach by such Indemnitee or any of its Affiliates of any of such person's agreements under this Agreement or any other Loan Document (other than unintentional breaches that are corrected promptly after such Indemnitee becomes aware that it is in breach).

(c) To the fullest extent permitted by applicable law, the Borrowers shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in Section 10.05(b) shall be liable for any damages arising from the use by unintended or unauthorized recipients of any information or other materials distributed by it through telecommunications, electronic or other similar information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(d) The provisions of this Section 10.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any Lender. All amounts due under this Section 10.05 shall be payable on written demand therefor.

SECTION 10.06. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender (and any of its Affiliates) is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender (or any of its Affiliates) to or for the credit or the account of any Borrower against any of and all the obligations of such Borrower now or hereafter existing under this Agreement and other Loan Documents held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmaturred. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

87

SECTION 10.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 10.08. Waivers: Amendment. (a) No failure or delay of the Administrative Agent or any Lender in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies which they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Borrower in any case shall entitle such Borrower to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Company and the Required Lenders; provided, however, that no such agreement shall (i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest on any Loan, or waive or excuse any such payment or any part thereof, or decrease the rate of interest on any Loan, without the prior written consent of each Lender affected thereby, (ii) change or extend the Commitment or decrease the Commitment Fees of any Lender without the prior written consent of such Lender, (iii) change Section 2.17 in a manner that would alter the pro rata sharing of payments required thereby without the prior written consent of each Lender, or (iv) amend or modify the provisions of Section 2.16, release the Guarantor from its obligations under Article IX, except as contemplated by Section 8.10, release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty, or amend or modify the provisions of this Section, the definition of "Required Lenders", or any provision hereof which requires the consent of each Lender, without the prior written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent. Anything herein to the contrary notwithstanding, during such period that a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Defaulting Lender will not be entitled to vote in respect of amendments and waivers hereunder which are subject to the approval of the Required Lenders, and the Commitment and the outstanding Loans or other extensions of credit of such Defaulting Lender hereunder will not be taken into account in determining

88

whether the Required Lenders have approved any such amendment or waiver (and the definition of "Required Lenders" will automatically be deemed modified accordingly for the duration of such period).

SECTION 10.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges which are treated as interest under applicable law (collectively the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable on the Loan of such Lender, together with all Charges payable to such Lender, shall be limited to the Maximum Rate.

SECTION 10.10. Entire Agreement. This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 10.11. Waiver of Jury Trial. Each party hereto hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any litigation directly or indirectly arising out of, under or in connection with this Agreement or any of the other Loan Documents. Each party hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the other Loan Documents, as applicable, by, among other things, the mutual waivers and certifications in this Section 10.11.

SECTION 10.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

89

SECTION 10.13. Judgment Currency. (a) The Borrowers' obligations hereunder and under the other Loan Documents to make payments in Dollars or in any Alternative Currency (the "Obligation Currency") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or a Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent or such Lender under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Borrower or in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "Judgment Currency") an amount due in the Obligation Currency, the conversion shall be made at the Alternative Currency Equivalent or Dollar Equivalent, in the case of any Alternative Currency or Dollars, and, in the case of other currencies, the rate of exchange (as quoted by the Administrative Agent or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) determined, in each case, as of the date immediately preceding the day on which the judgment is given (such Business Day being hereinafter referred to as the "Judgment Currency Conversion Date").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, each Borrower covenants and agrees to pay, or cause to be paid, as a separate obligation and notwithstanding any judgment, such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining the Alternative Currency Equivalent or Dollar Equivalent or rate of exchange for this Section, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

SECTION 10.14. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract, and shall become effective as provided in Section 10.03. Delivery of an executed signature page of this Agreement by facsimile transmission, electronic mail or by posting on the Platform shall be as effective as delivery of a manually executed counterpart hereof.

90

SECTION 10.15. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 10.16. Jurisdiction: Consent to Service of Process. (a) The Company and each other Borrower that is a Domestic Subsidiary hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of, and each other Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of, any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against any Borrower or its properties in the courts of any jurisdiction.

(b) Each Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 10.17. USA Patriot Act. Each Lender hereby notifies the Borrowers that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies each Borrower, which information includes the name and address of each Borrower and other information that will allow such Lender to identify each Borrower in accordance with the Act.

91

SECTION 10.18. No Fiduciary Relationship. The Borrowers agree that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrowers and their Affiliates, on the one hand, and the Administrative Agent, the Lenders and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Lenders or their respective Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications.

SECTION 10.19. Confidentiality. Each of the Administrative Agent and each Lender agrees, for the benefit of the Company and each other Borrower, to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective managers, administrators, trustees, partners, directors, officers, employees, agents, advisors and other representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or

similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or participant in, or any prospective assignee of or participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective party (or its managers, administrators, trustees, partners, directors, officers, employees, agents, advisors and other representatives) to any swap or derivative or similar transaction under which payments are to be made by reference to any Borrower and its obligations, this Agreement or payments hereunder, (iii) any rating agency, or (iv) the CUSIP Service Bureau or any similar organization, (g) with the written consent of the Company or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrowers.

For purposes of this Section, "Information" means all information received from the Company or any of its Subsidiaries relating to the Company or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Company or any of its Subsidiaries, provided that, in the case of information received

92

from the Company or any of its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 10.20. Cure of Defaulting Lender Status. Except as otherwise provided in the definition of "Defaulting Lender", if the Company and the Administrative Agent agree in writing in their discretion that a Lender that is a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase such portion of outstanding Loans of the other Lenders and/or make such other adjustments as the Administrative Agent may determine to be necessary to cause the Committed Credit Exposure of the Lenders to be on a pro rata basis in accordance with their respective Commitments, whereupon such Lender will cease to be a Defaulting Lender (and such Committed Credit Exposure of each Lender will automatically be adjusted on a prospective basis to reflect the foregoing); provided that no adjustments will be made retroactively with respect to Commitment Fees accrued or payments made by or on behalf of the Borrowers while such Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no termination of a Lender's status as a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

Exhibit D

MANDATORY COSTS RATE

1. Definitions

In this Exhibit:

“Act” means the Bank of England Act of 1998.

The terms “Eligible Liabilities” and “Special Deposits” have the meanings ascribed to them under or pursuant to the Act or by the Bank of England (as may be appropriate), on the day of the application of the formula.

“Fee Base” has the meaning ascribed to it for the purposes of, and shall be calculated in accordance with, the Fees Regulations.

“Fees Regulations” means, as appropriate, either:

- (a) the Banking Supervision (Fees) Regulations 1998; or
- (b) such regulations as from time to time may be in force, relating to the payment of fees for banking supervision in respect of periods subsequent to January 1, 2000.

“FSA” means the Financial Services Authority.

Any reference to a provision of any statute, directive, order or regulation herein is a reference to that provision as amended or re-enacted from time to time.

2. Calculation of the Mandatory Costs Rate

The Mandatory Costs Rate is an addition to the interest rate on each Eurocurrency Loan or any other sum on which interest is to be calculated to compensate the Lenders for the cost attributable to such Eurocurrency Loan or such sum resulting from the imposition from time to time under or pursuant to the Act and/or by the Bank of England and/or the FSA (or other United Kingdom governmental authorities or agencies) of a requirement to place non-interest bearing or Special Deposits (whether interest bearing or not) with the Bank of England and/or pay fees to the FSA calculated by reference to the liabilities used to fund the relevant Eurocurrency Loan or such sum.

The “Mandatory Costs Rate” will be the rate determined by the Administrative Agent to be equal to the rate (rounded upward, if necessary, to the next higher 1/100 of 1%) resulting from the application of the following formula:

For Sterling:

$$\frac{XL + S(L-D) + F \times 0.01}{100 - (X+S)}$$

For other Alternative Currencies:

$$\frac{F \times 0.01}{300}$$

where on the day of application of the formula

- X is the percentage of Eligible Liabilities (in excess of any stated minimum) by reference to which Citibank, N.A. (“Citi”) is required under or pursuant to the Act to maintain cash ratio deposits with the Bank of England;
- L is the rate of interest (exclusive of Applicable Margin and Mandatory Costs Rate) payable on that day on the related Eurocurrency Loan or unpaid sum pursuant to this Agreement;

- F is the rate of charge payable by Citi to the FSA pursuant to the Fees Regulations and expressed in pounds per £1 million of the Fee Base of Citi;
- S is the level of interest-bearing Special Deposits, expressed as a percentage of Eligible Liabilities, which Citi is required to maintain by the Bank of England (or other United Kingdom governmental authorities or agencies); and
- D is the percentage rate per annum payable by the Bank of England to Citi on Special Deposits.

(X, L, S and D are to be expressed in the formula as numbers and not as percentages. A negative result obtained from subtracting D from L shall be counted as zero.)

The Mandatory Costs Rate attributable to a Eurocurrency Loan or other sum for any period shall be calculated at or about 11:00 A.M. (London time) on the first day of such period for the duration of such period.

The determination of Mandatory Costs Rate by the Administrative Agent in relation to any period shall, in the absence of manifest error, be conclusive and binding on all parties hereto.

3. Change of Requirements

If there is any change in circumstance (including the imposition of alternative or additional requirements) which in the reasonable opinion of the Administrative Agent renders or will render the above formula (or any element thereof, or any defined term used therein) inappropriate or inapplicable, the Administrative Agent shall (with the written consent of the Company, which shall not be unreasonably withheld) be entitled to vary the same. Any such variation shall, in the absence of manifest error, be conclusive and binding on all parties and shall apply from the date specified in such notice.

To the Lenders and the Administrative Agent Referred to Below

Ladies and Gentlemen:

I am General Counsel and Corporate Secretary of Harsco Corporation, incorporated under the laws of the State of Delaware (the "Company"), and am familiar with the Three-Year Credit Agreement dated as of December 17, 2009 (the "Credit Agreement"), among the Company, the lenders party thereto from time to time (collectively, the "Lenders") and Citibank, N.A., as administrative agent for the Lenders (in such capacity, and together with its successors and assigns in such capacity, the "Administrative Agent"). Terms defined in the Credit Agreement, as applicable, are used herein as defined therein.

In rendering the opinions expressed below, I (or attorneys under my supervision with inquiry by me as I have deemed necessary in order to render the opinions herein) have examined the Credit Agreement and such corporate records of the Company and such other documents as we have deemed necessary as a basis for the opinions expressed below. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with authentic original documents of all documents submitted to us as copies. As to certain facts relevant to my opinions, I or attorneys under my supervision have relied upon representations made in or pursuant to the Credit Agreement and certificates of appropriate representatives of the Company.

In rendering the opinions expressed below, I have assumed with respect to all of the documents referred to in this opinion letter that (except, to the extent set forth in the opinions expressed below, as to the Company):

(i) such documents have been duly authorized by, have been duly executed and delivered by, and constitute legal, valid, binding and enforceable obligations of, all of the parties to such documents;

(ii) all signatories to such documents have been duly authorized; and

(iii) all of the parties to such documents are duly organized and validly existing and have the power and authority (corporate or other) to execute, deliver and perform such documents.

Based upon and subject to the foregoing and subject also to the comments and qualifications set forth below, and having considered such questions of law as I have deemed necessary as a basis for the opinions expressed below, I am of the opinion that:

1. The execution, delivery and performance by the Company of the Credit Agreement, and the borrowings by the Company under the Credit Agreement, have been duly authorized by all necessary corporate action on the part of the Company.
2. The Credit Agreement has been duly executed and delivered by the Company.
3. The execution, delivery and performance by the Company of, and the consummation by the Company of the transactions contemplated by, the Credit Agreement do not and will not (a) violate any provision of its charter or bylaws, (b) violate any applicable law, rule or regulation, (c) violate any order, writ, injunction or decree of any court or governmental authority or agency or any arbitral award applicable to the Company or any of its Subsidiaries of which I have knowledge (after due inquiry) or (d) result in a breach of, constitute a default under, require any consent under, or result in the acceleration or required prepayment of any indebtedness pursuant to the terms of, any credit agreement or instrument of which I have knowledge (after due inquiry) to which the Company or any of its Subsidiaries is a party or by which any of them is bound or to which any of them is subject, or result in the creation or imposition of any Lien upon any property of the Company pursuant to the terms of any such credit agreement or instrument.
4. Except as disclosed in note [] of the audited annual consolidated financial statements of the Company included in the Company's Form 10-K, for the fiscal year ended December 31, 2008, and in the notes to the unaudited quarterly consolidated

financial statement of the Company included in the Company's Form 10-Q, for the fiscal quarter ended September 30, 2009, filed with the Securities and Exchange Commission, I have no knowledge (after due inquiry) of any legal or arbitral proceedings, or any proceedings by or before any Governmental Authority, now pending or (to the knowledge of the Company) threatened against the Company or any of its Subsidiaries that is materially likely to be adversely determined and which, if adversely determined, could (either individually or in the aggregate) have a Material Adverse Effect.

The foregoing opinions are limited to matters involving the Federal laws of the United States and the Delaware General Corporation Law, and I do not express any opinion as to the laws of any other jurisdiction.

At the request of the Company, this opinion letter is, pursuant to the terms of the Credit Agreement, provided to you by me in my capacity as counsel of the Company and may not be relied upon by any person for any purpose other than in connection with the transactions contemplated by the Credit Agreement without, in each instance, my prior written consent.

Very truly yours,

To the Lenders and the Administrative Agent Referred to Below

Re: Harsco Corporation

Ladies/Gentlemen:

We have acted as special New York counsel for Harsco Corporation, a Delaware corporation (the "Company"), in connection with the Three-Year Credit Agreement dated as of December 17, 2009 (the "Credit Agreement"), among the Company, the lenders party thereto on the date hereof (collectively, the "Lenders") and Citibank, N.A., as administrative agent for the Lenders (in such capacity, the "Administrative Agent"). This opinion letter is delivered to you pursuant to Section 4.01(b)(ii) of the Credit Agreement. Capitalized terms used herein and not otherwise defined herein have the meanings assigned to such terms in the Credit Agreement. With your permission, all assumptions and statements of reliance herein have been made without any independent investigation or verification on our part except to the extent, if any, otherwise expressly stated, and we express no opinion with respect to the subject matter or accuracy of the assumptions or items upon which we have relied.

In connection with the opinions expressed herein, we have examined such documents, records and matters of law as we have deemed necessary for the purposes of such opinions. We have examined, among other documents, the following:

- (1) an executed copy of the Credit Agreement; and
- (2) a certificate of the Secretary of State of the State of Delaware as to the incorporation and good standing of the Company under the laws of the State of Delaware as of December [], 2009 (the "Good Standing Certificate").

In all such examinations, we have assumed the legal capacity of all natural persons executing documents, the genuineness of all signatures, the authenticity of original and certified documents and the conformity to original or certified copies of all copies submitted to us as conformed or reproduction copies. As to various questions of fact relevant to the opinions expressed herein, we have relied upon, and assume the accuracy of, representations and warranties contained in the Credit Agreement and certificates and oral or written statements and other information of or from representatives of the Company and others and assume compliance on the part of the Company with its covenants and agreements contained therein. In connection with the opinions expressed in the first sentence of paragraph (a) below, we have relied solely upon the Good Standing Certificate as to the factual

matters and legal conclusions set forth therein. With respect to the opinions expressed in paragraph (b) below, our opinions are limited (x) to our actual knowledge, if any, of the specially regulated

business activities and properties of the Company based solely upon an officer's certificate in respect of such matters and without any independent investigation or verification on our part and (y) to only those laws and regulations that, in our experience, are normally applicable to transactions of the type contemplated by the Credit Agreement.

Based upon the foregoing, and subject to the limitations, qualifications and assumptions set forth herein, we are of the opinion that:

- (a) The Company is a corporation existing in good standing under the laws of the State of Delaware. The Company has the corporate power and authority to enter into and to incur and perform its obligations under the Credit Agreement.
- (b) The execution and delivery to the Administrative Agent and the Lenders by the Company of the Credit Agreement and the performance by the Company of its obligations thereunder (i) do not require under present law, or present regulation of any governmental agency or authority, of the State of New York or the United States of America any filing or registration by the Company with, or approval or consent to the Company of, any governmental agency or authority of the State of New York or the United States of America that has not been made or obtained except those required in the ordinary course of business in connection with the performance by the Company of its obligations under certain covenants contained in the Credit Agreement and filings, registrations, consents or approvals in each case not required to be made or obtained by the date hereof and (ii) do not violate any present law, or present regulation of any governmental agency or authority, of the State of New York or the United States of America applicable to the Company or its property.
- (c) The Credit Agreement constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms.

The opinions set forth above are subject to the following qualifications and limitations:

(A) Our opinions in paragraph (c) above are subject to (i) applicable bankruptcy, insolvency, reorganization, fraudulent transfer and conveyance, voidable preference, moratorium, receivership, conservatorship, arrangement or similar laws, and related regulations and judicial doctrines, from time to time in effect affecting creditors' rights and remedies generally, (ii) general principles of equity (including, without limitation, standards of materiality, good faith, fair dealing and reasonableness, equitable defenses, the exercise of judicial discretion and limits on the availability of equitable remedies), whether such principles are considered in a proceeding at law or in equity and (iii) the qualification that certain other provisions of the Credit Agreement may be unenforceable in whole or in part under the laws (including judicial decisions) of the State of New York or the United States of America, but the inclusion of such provisions does not affect the validity as against the Company of the Credit Agreement as a whole and the Credit Agreement contains adequate provisions for enforcing payment of the obligations governed thereby and otherwise for the practical realization of the principal

benefits provided by the Credit Agreement, in each case subject to the other qualifications contained in this letter.

- (B) We express no opinion as to the enforceability of any provision in the Credit Agreement:
 - (i) providing that any person or entity may enforce any right or remedy thereunder, except in compliance with applicable laws;
 - (ii) relating to indemnification, contribution or exculpation in connection with violations of any securities laws or statutory duties or public policy, or in connection with willful, reckless or unlawful acts or gross negligence of the indemnified or exculpated party or the party receiving contribution;
 - (iii) providing that any person or entity may exercise set-off rights other than in accordance with and pursuant to applicable law;
 - (iv) relating to choice of governing law to the extent that the enforceability of any such provision is to be determined by any court other than a court of the State of New York or may be subject to constitutional limitations;
 - (v) purporting to confer, or constituting an agreement with respect to, subject matter jurisdiction of United States federal courts to adjudicate any matter;
 - (vi) purporting to create a trust or other fiduciary relationship;
 - (vii) specifying that provisions thereof may be waived only in writing, to the extent that an oral agreement or an implied agreement by trade practice or course of conduct has been created that modifies any provision of the Credit Agreement;
 - (viii) giving any person or entity the power to accelerate obligations without any notice to the obligor; or
 - (ix) providing for restraints on alienation of property and purporting to render transfers of such property void and of no effect or prohibiting or restricting the assignment or transfer of property or rights to the extent that any such prohibition or restriction is ineffective pursuant to Sections 9-406 through 9-409 of the Uniform Commercial Code, as
-

amended and in effect in the State of New York on the date hereof.

- (C) Our opinions as to enforceability are subject to the effect of generally applicable rules of law that:
- (i) provide that forum selection clauses in contracts are not necessarily binding on the court(s) in the forum selected; and
 - (ii) may, where less than all of a contract may be unenforceable, limit the enforceability of the balance of the contract to circumstances in which the unenforceable portion is not an essential part of the agreed exchange, or that permit a court to reserve to itself a decision as to whether any provision of any agreement is severable.

(D) We express no opinion as to the enforceability of any purported waiver, release, variation, disclaimer, consent or other agreement to similar effect (all of the foregoing, collectively, a “Waiver”) by the Company under the Credit Agreement to the extent limited by provisions of applicable law (including judicial decisions), or to the extent that such a Waiver applies to a right, claim, duty or defense or a ground for, or a circumstance that would operate as, a discharge or release otherwise existing or occurring as a matter of law (including judicial decisions), except to the extent that such a Waiver is effective under and is not prohibited by or void or invalid under provisions of applicable law (including judicial decisions).

(E) For purposes of our opinions in paragraphs (a), (b) and (c) above insofar as they relate to the Company’s obligations in its capacity as Guarantor under Section 9.01 of the Credit Agreement, we have assumed that the Company’s obligations under Section 9.01 of the Credit Agreement are, and would be deemed by a court of competent jurisdiction to be, necessary or convenient to the conduct, promotion or attainment of the Company’s business.

(F) To the extent it may be relevant to the opinions expressed herein, we have assumed that the parties to the Credit Agreement (other than the Company) have the power to enter into and perform such documents and to consummate the transactions contemplated thereby and that such documents have been duly authorized, executed and delivered by, and constitute legal, valid and binding obligations of, such parties. In addition, we have assumed the due authorization, execution and delivery of the Credit Agreement by the Company.

(G) The opinions expressed herein are limited to the federal laws of the United States of America and the laws of the State of New York and, to the extent relevant to the opinions expressed in paragraph (a) above, the General Corporation Law of the State of Delaware, in each case as currently in effect.

(H) Our opinions are limited to those expressly set forth herein, and we express no opinions by implication. This opinion letter speaks only as of the date hereof and we have no responsibility or obligation to update this opinion letter, to consider its applicability or correctness to any person or entity other than its addressee(s), or to take into account changes in law, facts or any other developments of which we may later become aware.

(I) We express no opinion as to the compliance or noncompliance, or the effect of the compliance or noncompliance, of each of the addressees or any other person or entity with any state or federal laws or regulations applicable to each of them by reason of their status as or affiliation with a federally insured depository institution.

The opinions expressed herein are solely for the benefit of the addressees hereof and of any other person or entity becoming a Lender or the Administrative Agent under the Credit Agreement, in each case above, in connection with the transaction referred to herein and may not be relied on by such addressees or such other persons or entities for any other purpose or in any manner or for any purpose by any other person or entity.

Very truly yours,

Witnesseth:

WHEREAS, pursuant to the Three-Year Credit Agreement dated as of December 17, 2009 (together with all appendices, exhibits and schedules thereto and as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"; capitalized terms defined therein and used herein having the meanings given to them in the Credit Agreement) among [](1), as a borrower (the "Company"), the Lenders named therein, and Citibank, N.A., as Administrative Agent (in such capacity, the "Administrative Agent"), the Lenders have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 10.21. *Guaranty*

(a) To induce the Lenders to make the Loans, each Guarantor hereby absolutely, unconditionally and irrevocably guarantees, jointly with the other Guarantors and severally, as primary obligor and not merely as surety, the full and punctual payment when due and in the currency due, whether at stated maturity or earlier, by reason of acceleration, mandatory prepayment or otherwise in accordance herewith or any other Loan Document, of all the obligations of the Borrowers under the Loan Documents (collectively, the "Obligations"), whether or not from time to time reduced or extinguished or hereafter increased or incurred, whether or not recovery may be or hereafter may become barred by any statute of limitations, whether or not enforceable as against any Borrower, whether now or hereafter existing, and whether due or to become due, including principal, interest (including interest at the contract

rate applicable upon default accrued or accruing after the commencement of any proceeding under Title 11 of the United States Code (the “Bankruptcy Code”), or any applicable provisions of comparable state or foreign law, whether or not such interest is an allowed claim in such proceeding), fees and costs of collection. This Guaranty constitutes a guaranty of payment and not of collection.

(b) Each Guarantor further agrees that, if any payment made by a Borrower or any other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, then, to the extent of such payment or repayment, any such Guarantor’s liability hereunder (and any Lien or other collateral securing such liability) shall be and remain in full force and effect, as fully as if such payment had never been made. If, prior to any of the foregoing, this Guaranty shall have been cancelled or surrendered (and if any Lien or other collateral securing such Guarantor’s liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), this Guaranty shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of any such Guarantor in respect of the amount of such payment (or any Lien or other collateral securing such obligation).

SECTION 10.22. *Limitation of Guaranty*

Any term or provision of this Guaranty or any other Loan Document to the contrary notwithstanding, the maximum aggregate amount of the Obligations for which any Guarantor shall be liable shall not exceed the maximum amount for which such Guarantor can be liable without rendering this Guaranty or any other Loan Document, as it relates to such Guarantor, subject to avoidance under applicable law relating to fraudulent conveyance or fraudulent transfer (including Section 548 of the Bankruptcy Code or any applicable provisions of comparable state law or foreign law) (collectively, “Fraudulent Transfer Laws”), in each case after giving effect (a) to all other liabilities of

such Guarantor, contingent or otherwise, that are relevant under such Fraudulent Transfer Laws (specifically excluding, however, any liabilities of such Guarantor in respect of intercompany Indebtedness to a Borrower to the extent that such Indebtedness would be discharged in an amount equal to the amount paid by such Guarantor hereunder) and (b) to the value as assets of such Guarantor (as determined under the applicable provisions of such Fraudulent Transfer Laws) of any rights to subrogation, contribution, reimbursement, indemnity or similar rights held by such Guarantor pursuant to (i) applicable requirements of law, (ii) *Section 3 (Contribution)* of this Guaranty or (iii) any other contractual obligations providing for an equitable allocation among such Guarantor and other Subsidiaries or Affiliates of any Borrower of obligations arising under this Guaranty or other guaranties of the Obligations by such parties.

SECTION 10.23. *Contribution*

To the extent that any Guarantor shall be required hereunder to pay a portion of the Obligations exceeding the greater of (a) the amount of the economic benefit actually received by such Guarantor from the Loans and the other financial accommodations provided to the Borrowers under the Loan Documents and (b) the amount such Guarantor would otherwise have paid if such Guarantor had paid the aggregate amount of the Obligations (excluding the amount thereof repaid by the applicable Borrowers) in the same proportion as such Guarantor’s net worth at the date enforcement is sought hereunder bears to the aggregate net worth of all the Guarantors at the date enforcement is sought hereunder, then such Guarantor shall be reimbursed by the other Guarantors for the amount of such excess, pro rata, based on the respective net worths of the other Guarantors at the date enforcement hereunder is sought.

SECTION 10.24. *Authorization; Other Agreements*

The Guarantied Parties are hereby authorized, without notice to, or demand upon, or consent of, any Guarantor, which notice, demand and consent requirements each are expressly waived hereby, and without discharging or otherwise affecting the obligations of each Guarantor hereunder (which obligations shall remain absolute and unconditional notwithstanding any such action or omission to act), from time to time, to do each of the following:

(a) supplement, renew, extend, accelerate or otherwise change the time for payment of, or other terms relating to, the Obligations, or any part of them, or otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument (including the other Loan Documents) now or hereafter executed by any Borrower and delivered to the Guarantied Parties or any of them, including any increase or decrease of principal or the rate of interest thereon;

(b) waive or otherwise consent to noncompliance with any provision of any instrument evidencing the Obligations, or any part thereof, or any other instrument or agreement in respect of the Obligations (including the other Loan Documents) now or

hereafter executed by any Borrower and delivered to the Guarantied Parties or any of them;

(c) accept partial payments on the Obligations;

(d) receive, take and hold security or collateral for the payment of the Obligations or any part of them and exchange, enforce, waive, substitute, liquidate, terminate, abandon, fail to perfect, subordinate, transfer, otherwise alter, affect, impair and/or release any such security or collateral or any security interest therein;

(e) settle, release, compromise, collect or otherwise liquidate the Obligations or accept, substitute, release, exchange, enforce, waive, substitute, liquidate, terminate, abandon, fail to perfect, subordinate, transfer or otherwise alter, affect or impair any security or collateral for the Obligations or any part of them or any security interest therein or any other guaranty therefor, in any manner;

(f) add, release or substitute any one or more other guarantors, makers or endorser of the Obligations or any part of them and otherwise deal with any Borrower or any other guarantor, maker or endorser;

(g) apply to the Obligations any payment or recovery (x) from any Borrower, from any other guarantor, maker or endorser of the Obligations or any part of them or (y) from any Guarantor in any order, in each case whether such Obligations are secured or unsecured or guaranteed or not guaranteed by others;

(h) apply to the Obligations any payment or recovery from any Guarantor of the Obligations or any sum realized from security furnished by such Guarantor upon its indebtedness or obligations to the Guaranteed Parties or any of them, in each case whether or not such indebtedness or obligations relate to the Obligations; and

(i) refund at any time any payment received by any Guaranteed Party in respect of any Obligation, and payment to such Guaranteed Party of the amount so refunded shall be fully guaranteed hereby even though prior thereto this Guaranty shall have been cancelled or surrendered (or any release or termination of any collateral by virtue thereof), and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of any Guarantor hereunder in respect of the amount so refunded (and any collateral so released or terminated shall be reinstated with respect to such obligations);

even if any right of reimbursement or subrogation or other right or remedy of any Guarantor is extinguished, affected or impaired by any of the foregoing (including any election of remedies by reason of any judicial, non-judicial or other proceeding in respect of the Obligations that impairs any subrogation, reimbursement or other right of such Guarantor).

SECTION 10.25. *Guaranty Absolute and Unconditional*

Each Guarantor hereby waives any defense of a surety or guarantor or any other obligor on any obligations arising in connection with or in respect of any of the following and hereby agrees that its obligations under this Guaranty are absolute and unconditional and shall not be discharged or otherwise affected as a result of any of the following:

- (a) the invalidity or unenforceability of any of the Obligations under the Credit Agreement or any other Loan Document or any other agreement or instrument relating thereto, or any security for, or other guaranty of the Obligations or any part of them, or the lack of perfection or continuing perfection or failure of priority or impairment of any security for the Obligations or any part of them or any security interest therein;
- (b) the absence of any attempt to collect the Obligations or any part of them from any Borrower or other action to enforce the same;
- (c) failure by any Guaranteed Party to take any steps to perfect and maintain any lien on, or to preserve any rights to, any collateral;
- (d) any Guaranteed Party's election, in any proceeding instituted under Chapter 11 of the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code or any applicable provisions of comparable state or foreign law;
- (e) any borrowing or grant of a lien by any Borrower, as debtor-in-possession, or extension of credit, under Section 364 of the Bankruptcy Code or any applicable provisions of comparable state or foreign law;
- (f) the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of any Guaranteed Party's claim (or claims) for repayment of the Obligations;
- (g) any use of cash collateral under Section 363 of the Bankruptcy Code;
- (h) any agreement or stipulation as to the provision of adequate protection in any bankruptcy proceeding;
- (i) the avoidance of any lien in favor of the Guaranteed Parties or any of them for any reason;
- (j) any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Borrower, any Guarantor or any of the Company's other Subsidiaries, including any discharge of, or bar or stay against collecting, any Obligation (or any part of them or interest thereon) in or as a result of any such proceeding;

(k) failure by any Guaranteed Party to file or enforce a claim against any Borrower or its estate in any bankruptcy or insolvency case or proceeding;

(l) any action taken by any Guaranteed Party if such action is authorized hereby;

(m) any change in the corporate existence or structure of any Borrower;

(n) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by any Guarantor or any other Person against any Guaranteed Party;

(o) any requirement of law affecting any term of any Guarantor's obligations under this Guaranty; or

(p) any other circumstance that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor or any other obligor on any obligations, other than the payment in full of the Obligations.

SECTION 10.26. *Waivers*

Each Guarantor hereby waives diligence, promptness, presentment, demand for payment or performance and protest and notice of protest, notice of acceptance and any other notice in respect of the Obligations or any part of them, and any defense arising by reason of any disability or other defense of any Borrower. Each Guarantor shall not, until the Obligations are irrevocably paid in full and the Commitments have been terminated, assert any claim or counterclaim it may have against any Borrower or set off any of its obligations to any Borrower against any obligations of such Borrower to it. In connection with the foregoing, each Guarantor covenants that its obligations hereunder shall not be discharged, except by complete performance.

SECTION 10.27. *Reliance*

Each Guarantor hereby assumes responsibility for keeping itself informed of the financial condition of the Borrowers and any endorser and other guarantor of all or any part of the Obligations, and of all other circumstances bearing upon the risk of nonpayment of the Obligations, or any part thereof, that diligent inquiry would reveal, and each Guarantor hereby agrees that no Guarantied Party shall have any duty to advise any Guarantor of information known to such Guarantied Party regarding such condition or any such circumstances. In the event any Guarantied Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any Guarantor, such Guarantied Party shall be under no obligation (a) to undertake any investigation not a part of its regular business routine, (b) to disclose any information that such Guarantied Party, pursuant to accepted or reasonable commercial finance or banking practices, wishes to maintain confidential or (c) to make any other or future disclosures of such information or any other information to any Guarantor.

SECTION 10.28. *Waiver of Subrogation and Contribution Rights*

Until the Obligations have been irrevocably paid in full and the Commitments have been terminated, the Guarantors shall not enforce or otherwise exercise any right of subrogation to any of the rights of the Guarantied Parties or any part of them against any Borrower or any right of reimbursement or contribution or similar right against any Borrower by reason of this Guaranty or by any payment made by any Guarantor in respect of the Obligations.

SECTION 10.29. *Subordination*

Each Guarantor hereby agrees that any Indebtedness of a Borrower now or hereafter owing to any Guarantor, whether heretofore, now or hereafter created (the "Guarantor Subordinated Debt"), is hereby subordinated in right of payment to all of the Obligations and that, except as permitted under the Credit Agreement, any payment on the Guarantor Subordinated Debt received by a Guarantor after an Event of Default has occurred and is continuing shall be deemed to have been received by such Guarantor as trustee for the Guarantied Parties and upon request of the Administrative Agent, shall be paid over to the Administrative Agent immediately on account of the Obligations, but without otherwise affecting in any manner such Guarantor's liability hereunder. Each Guarantor agrees to file all claims against any Borrower in any bankruptcy or other proceeding in which the filing of claims is required by law in respect of any Guarantor Subordinated Debt, and the Administrative Agent and the other Guarantied Parties shall be entitled to all of such Guarantor's rights thereunder. If for any reason a Guarantor fails to file such claim at least ten Business Days prior to the last date on which such claim should be filed, such Guarantor hereby irrevocably appoints the Administrative Agent as its true and lawful attorney-in-fact and is hereby authorized to act as attorney-in-fact in such Guarantor's name to file such claim or, in the Administrative Agent's discretion, to assign such claim to and cause proof of claim to be filed in the name of the Administrative Agent or its nominee. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the Administrative Agent the full amount payable on the claim in the proceeding, and, to the full extent necessary for that purpose, each Guarantor hereby assigns to the Administrative Agent all of such Guarantor's rights to any payments or distributions to which such Guarantor otherwise would be entitled. If the amount so paid is greater than such Guarantor's liability hereunder, the Administrative Agent shall pay the excess amount to the party entitled thereto. In addition, each Guarantor hereby irrevocably appoints the Administrative Agent as its attorney-in-fact to exercise all of such Guarantor's voting rights in respect of its Guarantor Subordinated Debt in connection with any bankruptcy proceeding or any plan for the reorganization of any Borrower.

SECTION 10.30. *Default; Remedies*

The obligations of each Guarantor hereunder are independent of and separate from the Obligations. If any Obligation is not paid when due, or upon the occurrence and during the continuance of any Event of Default or upon the occurrence

and during the continuance of any default by any Borrower as provided in any other instrument or document evidencing all or any part of the Obligations, the Administrative Agent may, at its sole election, proceed directly and at once, without notice, against any Guarantor to collect and recover the full amount or any portion of the Obligations then due, without first proceeding against any Borrower or any other guarantor of the Obligations, or against any collateral securing the Obligations or joining any Borrower or any other guarantor in any proceeding against any Guarantor.

SECTION 10.31. *Irrevocability; Cancellation of Guaranty*

(a) This Guaranty shall be irrevocable as to the Obligations (or any part thereof) until the Commitments have been terminated and all monetary Obligations then outstanding have been irrevocably repaid in cash, at which time this Guaranty shall automatically be cancelled and all obligations of the Guarantors hereunder shall be automatically and permanently terminated. Upon such cancellation and at the written request of any Borrower or any Guarantor or its successors or assigns, and at the cost and expense of such Borrower, such Guarantor or its successors or assigns (as applicable), the Administrative Agent shall execute in a timely manner a satisfaction of this Guaranty and such instruments, documents or agreements as are necessary or desirable to evidence the termination and discharge of this Guaranty.

(b) If any Guarantor ceases to be an Operating Subsidiary, whether as a result of the sale, transfer or other disposition of all of the capital stock or other equity interests of such Guarantor or such Guarantor becoming a Special Purpose Entity or for any other reason whatsoever, and so long as no Default or Event of Default has occurred and is continuing as a result thereof or immediately after giving effect thereto, then this Guaranty shall automatically be cancelled with respect to such Guarantor and such Guarantor's obligations hereunder shall be automatically and permanently terminated. Upon any such cancellation of this Guaranty with respect to any Guarantor and at the written request of any Borrower, such Guarantor or such Guarantor's successors or assigns, and at the cost and expense of such Borrower, such Guarantor or such Guarantor's successors or assigns (as applicable), the Administrative Agent shall execute in a timely manner a satisfaction of this Guaranty with respect to such Guarantor and such instruments, documents or agreements as are necessary or desirable to evidence the termination of this Guaranty with respect to such Guarantor and the release and discharge of such Guarantor from this Guaranty.

SECTION 10.32. *Setoff*

Upon the occurrence and during the continuance of an Event of Default or upon all Obligations becoming due and payable (whether at stated maturity, by acceleration or otherwise), each Guarantied Party and each Affiliate of a Guarantied Party is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Guarantied Party or its Affiliates to or for the credit or the account of any

Guarantor against any and all of the Obligations now or hereafter existing whether or not such Guarantied Party shall have made any demand under this Guaranty or any other Loan Document and even though such Obligations may be unmatured. Each Guarantied Party agrees promptly to notify such Guarantor after any such set-off and application made by such Guarantied Party or Affiliate to such Guarantied Party; provided, however, that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Guarantied Party under this *Section 12* are in addition to the other rights and remedies (including other rights of set-off) that such Guarantied Party may have.

SECTION 10.33. *No Marshalling*

Each Guarantor consents and agrees that no Guarantied Party or Person acting for or on behalf of any Guarantied Party shall be under any obligation to marshal any assets in favor of any Guarantor or against or in payment of any or all of the Obligations.

SECTION 10.34. *Enforcement; Waivers; Amendments*

(a) No delay on the part of any Guarantied Party in the exercise of any right or remedy arising under this Guaranty, the Credit Agreement or any other Loan Document or otherwise with respect to all or any part of the Obligations, or any other guaranty of or security for all or any part of the Obligations shall operate as a waiver thereof, and no single or partial exercise by any such Person of any such right or remedy shall preclude any other or further exercise thereof or any exercise of any other right or remedy. Failure by any Guarantied Party at any time or times hereafter to require strict performance by any Borrower, any Guarantor, any other guarantor of all or any part of the Obligations or any other Person of any provision, warranty, term or condition contained in any Loan Document now or at any time hereafter executed by any such Persons and delivered to any Guarantied Party shall not waive, affect or diminish any right of any Guarantied Party at any time or times hereafter to demand strict performance thereof and such right shall not be deemed to have been waived by any act (except by a written instrument pursuant to *Section 14(b)*) or knowledge of any Guarantied Party, or its respective agents, officers or employees. No waiver of any Event of Default by any Guarantied Party shall operate as a waiver of any other Event of Default or the same Event of Default on a future occasion, and no action by any Guarantied Party permitted hereunder shall in any way affect or impair any Guarantied Party's rights and remedies or the obligations of any Guarantor under this Guaranty. Any determination by a court of competent jurisdiction of the amount of any principal or interest owing by a Borrower to a Guarantied Party shall be conclusive and binding on each Guarantor irrespective of whether such Guarantor was a party to the suit or action in which such determination was made.

(b) No provision of this Guaranty may be waived, amended, supplemented or modified unless done so in a written instrument executed and delivered

by each Guarantor and the Lenders required to consent thereto pursuant to *Section 10.08 (Waivers; Amendment)* of the Credit Agreement.

SECTION 10.35. *Successors and Assigns*

This Guaranty shall be binding upon each Guarantor and upon the successors and assigns of such Guarantor and shall inure to the benefit of the Guarantied Parties and their respective successors and assigns; all references herein to the Borrowers and to the Guarantors shall be deemed to include their respective successors and assigns. The successors and assigns of the Guarantors and the Borrowers shall include, without limitation, their respective receivers, trustees and debtors-in-possession. All references to the singular shall be deemed to include the plural where the context so requires.

SECTION 10.36. *Representations and Warranties*

Each Guarantor hereby represents and warrants to each of the Guarantied Parties as following:

(a) Such Guarantor and each of its Subsidiaries: (i) is a corporation, partnership or other entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization; (ii) has all requisite corporate or other power, and has all material governmental licenses, authorizations, consents and approvals necessary to own its assets and carry on its business as now being or as proposed to be conducted; and (iii) is qualified to do business and is in good standing in all jurisdictions in which the nature of the business conducted by it makes such qualification necessary and where failure so to qualify would have a Material Adverse Effect.

(b) None of the execution and delivery of this Guaranty, the consummation of the transactions herein contemplated and compliance with the terms and provisions hereof will conflict with or result in a breach of, or require any consent under, the charter or bylaws or other organizational documents of such Guarantor, or any applicable law or regulation, or any order, writ, injunction or decree of any court or Governmental Authority or agency, or any material agreement or instrument to which such Guarantor or any of its Subsidiaries is a party or by which any of them or their assets or properties is bound or to which any of them is subject, or constitute a default under any such agreement or instrument.

(c) Such Guarantor has all necessary corporate or other power and authority to execute, deliver and perform its obligations under this Guaranty, and to perform its obligations hereunder; the execution and delivery by such Guarantor of this Guaranty and the performance by such Guarantor hereof have been duly authorized by all necessary corporate or other action on its part (including, without limitation, any required shareholder approvals); and this Guaranty constitutes the legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms, except as such enforceability may be limited by (i) bankruptcy, insolvency, reorganization, moratorium or similar laws of general applicability affecting the

enforcement of creditors' rights and (ii) the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(d) No authorizations, approvals or consents of, and no filings or registrations with, any Governmental Authority are necessary for the execution, delivery or performance by such Guarantor of this Guaranty or for the validity or enforceability hereof.

SECTION 10.37. **Governing Law**

This Guaranty and the rights and obligations of the parties hereto shall be construed in accordance with, and governed by, the laws of the State of New York.

SECTION 10.38. **Jurisdiction; Consent to Service of Process**

(a) Each Guarantor hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Guaranty or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Guaranty shall affect any right that any Lender may otherwise have to bring any action or proceeding relating to this Guaranty or the other Loan Documents against any Borrower or its properties or any Guarantor or its properties in the courts of any jurisdiction.

(b) Each Guarantor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Guaranty or the other Loan Documents in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each Guarantor irrevocably consents to service of process in the manner provided for notices in *Section 22* hereof. Nothing in this Guaranty will affect the right of any Guarantied Party to serve process in any other manner permitted by law.

SECTION 10.39. **Waiver of Judicial Bond**

To the fullest extent permitted by applicable law, each of the Guarantors waives the requirement to post any bond that otherwise may be required of any Guarantied Party in connection with any judicial proceeding to enforce such Guarantied Party's rights to payment hereunder, security interest in or other rights to any collateral or in connection with any other legal or equitable action or proceeding arising out of, in connection with, or related to this Guaranty and the Loan Documents to which it is a party.

SECTION 10.40. **Certain Terms**

The following rules of interpretation shall apply to this Guaranty: (a) the terms "*herein*," "*hereof*," "*hereto*" and "*hereunder*" and similar terms refer to this Guaranty as a whole and not to any particular Article, Section, subsection or clause in this Guaranty, (b) unless otherwise indicated, references herein to an Exhibit, Article, Section, subsection or clause refer to the appropriate Exhibit to, or Article, Section, subsection or clause in this Guaranty and (c) the term "*including*" means "*including without limitation*" except when used in the computation of time periods.

SECTION 10.41. **Waiver of Jury Trial**

Each party hereto (and each other Guarantied Party, by its acceptance of this Guaranty) hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any litigation directly or indirectly arising out of, under or in connection with this Guaranty. Each party hereto (and each other Guarantied Party, by its acceptance of this Guaranty) (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Guaranty by, among other things, the mutual waivers and certifications in this *Section 21*.

SECTION 10.42. **Notices**

Any notice or other communication herein required or permitted shall be given as provided in *Section 10.01 (Notices)* of the Credit Agreement and, in the case of any Guarantor, to such Guarantor in care of the Company.

SECTION 10.43. **Severability**

Wherever possible, each provision of this Guaranty shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Guaranty shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Guaranty.

SECTION 10.44. **Additional Guarantors**

Any Subsidiary that shall execute and deliver to the Administrative Agent a Guaranty Supplement in substantially the form of *Exhibit A (Guaranty Supplement)* attached hereto shall thereafter for all purposes be a party hereto and have the same rights, benefits and obligations as a Guarantor party hereto on the date hereof.

SECTION 10.45. *Costs and Expenses*

Each Guarantor agrees to pay or reimburse the Administrative Agent and each of the other Guaranteed Parties upon demand for all out-of-pocket costs and expenses, including reasonable attorneys' fees, incurred by the Administrative Agent and such other Guaranteed Parties in enforcing this Guaranty against such Guarantor or any security therefor or exercising or enforcing any other right or remedy available in connection herewith or therewith.

SECTION 10.46. *Waiver of Consequential Damages*
