**Amendment to Credit Facility**

On December 22, 2006, an agreement between Harsco Corporation and National Westminster Bank plc (the “Lender”) (the “Amending Agreement”) became effective extending the term of its December 15, 2000 \$50,000,000 Facility Agreement, as amended.

As a result of the Amending Agreement, (i) the final maturity date for a revolving loan not converted into a term loan has been extended until December 11, 2007 (with such date subject to further extension); (ii) the final maturity date for each term loan converted from a revolving loan has been changed to December 11, 2008; and (iii) the final maturity date for any further term loan requested has been changed to December 11, 2008.

After giving effect to the Amending Agreement, the Facility Agreement continues to contain usual and customary affirmative and negative covenants and customary events of default that would permit the lenders to accelerate the loans if not cured within applicable grace periods, including the failure to make timely payments under the Facility Agreement, the failure to satisfy covenants and specified events of bankruptcy and insolvency.

The foregoing description of the Amending Agreement and certain provisions of the Facility Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of the Amending Agreement, which is attached hereto as Exhibit 10.1, the full text of the Facility Agreement previously filed with the Commission and by reference to the description of our debt and credit agreements contained in the Company’s Form 10-K for the year ended December 31, 2005 and Form 10-Q for the period ended September 30, 2006. From time to time, the Lender provides customary commercial and investment banking services to the Company.
